Limited Review Report

Review Report to
The Board of Directors
Gammon India Limited

1. We have reviewed the accompanying statement of unaudited Standalone financial results of Gammon India Limited ('the Company') for the quarter ended September 30, 2013 (the "Statement"), except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. We did not review the financial statements of Gammon India Limited – Nagpur Branch, which was reviewed by the branch auditors whose reports have been received by us. Our opinion so far as transactions of the said Branches are concerned, is based solely on the limited review report of the Branch Auditors.
4. *Basis For Qualified Conclusion*
 - a. *The Company's Step Down Subsidiary in Italy M/s Franco Tosi Meccanica S.p.A(FTM) which, went for a process of restructuring as per the Italian law, could not get the process completed as originally envisaged due to changes in the process in Italy. The Continuous shifting of dates is a cause of concern and the Company's Exposure of Rs. 25124 Lacs in equity and loans net of provisions already made are dependent upon the final decision coming in favour of FTM and FTM's ability to turnaround especially in the weak economic situation prevailing in Europe.*
 - b. *The Company's Application for managerial remuneration for the Chairman and Managing Director and other executive directors is rejected for some of the previous years, partly accepted for some years and no decision has been taken for the balance years. In view of the same no effect has been given in the attached financial statements for the following*
 - i. *Recovery of Managerial Remuneration of Rs. 210 lacs for year ended 31st March 2012 and 2013 for application rejected and partly allowed as the Company is exploring the option of appeal/review.*
 - ii. *Managerial remuneration paid in excess of limits of Rs. 892 lacs for which no decision has been taken.*
5. Without qualifying our review report we re-iterate our emphasis of matter contained in our audit report dated May 30, 2013 on the financial statements for the year ended 31st March 2013 and further updation thereon relating to:
 - We draw attention to Note no 2 of the notes to the Statement of un-audited standalone financial results relating to recoverability of an amount of Rs. 150.09 crores under trade receivables in respect of contract revenue where the Company has received arbitration awards in its favor in respect of which the client has preferred an appeal for setting aside the said arbitration awards and Rs. 58.00 crores where the Company is confident of recovery

based on advanced stage of negotiation and discussion. The recoverability is dependent upon the final outcome of the appeals & negotiations getting resolved in favor of the company.

- Note no 33 of the explanatory notes of the financial statements for the year ended 31st March 2013 relating to the investments and loans in overseas and Indian operations of the group and its consequent impairment assessments by the company and the trade receivables of SAE Powerlines SrL (SAE). The company on the principle of prudence and conservatism has recognized provisions on certain amounts. The Impairment if any would be dependent on the achievement of the projections on the basis of which the impairment assessments were done. Exposure to FTM is covered by our aforesaid basis of qualified conclusion as referred in para 4(a) above.
6. Subject to matters referred to para 4(a) to 4(b) in the basis of qualified conclusion and based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies act 1956, which as per a clarification issued by the Ministry of Corporate Affairs continue to apply under section 133 of the Companies Act 2013 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
