Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis for Qualified Opinion on the Audited Standalone Financial Results for the year ended March 31, 2026

- a) We invite attention to note no. 4(a) financial results, where the Company has during the previous year evaluated its existing claims in respect of on-going, completed and terminated contracts recognised in the earlier periods. Based on opinion of independent expert in the field of claims and arbitration who had assessed the likely number of claims being settled in favour of the Company, the Company has retained claims amounting to Rs. 10.00 crore as at March 31, 2026 as good and receivable.

In respect of the above claims, due to prolonged elapse of time and non-crystallization of matter with the counterpart, we are unable to comment upon the amounts recognised, its realisation and the consequent effect on the financial results for the year ended March 31, 2026.

- b) We invite attention to note no. 4(b) of the financial results relating to penal interest / incremental Interest / other charges (to the extent availability of loan statement) charged by the lenders on its facilities;
- Rs 107.90 crores for the current year ended March 31, 2026. Cumulative amount of such penal interest / incremental Interest / other charges amounts to Rs. 911.54 Crores up to March 31, 2026.
 - Out of above
 - i. Rs 391.76 Crores the penal interest / incremental interest / other charges levied by the lenders in their loan statement as compared to interest accounted in the books.
 - ii. Rs. 519.78 Crores towards penal interest / incremental interest / other charges levied by Asset Reconstruction company namely CFM Assets Reconstruction Company Private Limited (ARC). The said ARC has purchased the aforesaid debt from the company's lender. On the request of the Company for settlement of debt, ARC has considered the request of settling the debt on the basis of outstanding principal amount and waiving off interest and penal charges which is in the process of approval senior management of ARC.

The same has not been debited to profit and loss account and disclosed as contingent liabilities as management is disputing the same and is in discussion with the lenders/ ARC's for reversal of the said penal interest / incremental Interest / other charges. In the absence of the conclusion of the aforesaid discussion and the quantum which will be finally agreed between the Company and the lenders, we are unable to state whether any provision is required to be made against such penal interest and charges.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further

described in the Auditor's Responsibilities for the Audit of the Standalone Financial results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Material Uncertainty related to Going Concern

We invite attention to note no. 6 of the financials results relating to the present financial situation of the Company detailing the Material Uncertainties Relating to Going Concern and the Going Concern assumptions. The lenders had in the previous years recalled all the loans and facilities and also the Company's current liabilities exceeds current assets by Rs 12,701.41 Crore as at March 31, 2026. The Company is finding it difficult to meet its financial obligations and the resolution plan is under consideration by lenders. The liquidity crunch is affecting the Company's operation with increasing severity. The trading in equity shares of the Company is presently suspended. Some of the creditors have filed for winding up petitions against the Company. Some of the bankers have initiated action for recovering by putting on embargo on the Company's assets as detailed in the aforesaid note. The company has severe manpower issues and is defaulting on its statutory and regulatory obligations. We are informed that the Company's resolution plan pending since a very long time is under consideration by the lenders as detailed in the aforesaid note.

More than 50% of the debt has been assigned to two Asset reconstruction companies by the lenders. The Company is negotiating a proposal for waiver of interest and penal charges and a haircut on the principal outstanding. This is being done on the basis of a potential investor. The Company expects the remaining bankers to follow suit on similar lines. The Company has had positive discussions with the ARC companies and is hopeful of a resolution fructifying with them.

The above mentioned resolution plan is dependent on too many variables and on account of there being no progress, the success of the resolution plan involves material uncertainties that may cast significant doubt about the Going Concern Assumption. Our report is not qualified on this account.

Emphasis of Matter

Without qualifying our opinion, we draw attention to the following matters :

- a) We draw attention to Note no 5 of the financial results relating to recoverability of an amount of Rs. 532.91 crores as at March 31, 2026 under trade receivables in respect of contract revenue where the Company has received arbitration awards in its favour in respect of which the client has preferred an appeal for setting aside the said arbitration awards, where the Company is confident of recovery for the said awards. The recoverability is dependent upon the final outcome of the appeals & negotiations getting resolved in favour of the company.

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results for the year ended March 31, 2026 as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Standalone Financial

Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Standalone Financial Results, including the disclosures, and whether the Annual Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Annual Standalone Financial Results of the Company to express an modified opinion on the Annual Standalone Financial Results.

Materiality is the magnitude of misstatements in the Annual Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(b) Review of the Standalone Financial Results for the quarter ended March 31, 2026

We conducted our review of the Standalone Financial Results for the quarter ended March 31, 2026, in accordance with the Standard on Review Engagements ("SRE") 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Other Matters

- a. The Statement includes the results for the quarter ended March 31, 2026 and March 31, 2025, being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the relevant financial year which were subject to limited review by us. Our report on the Statement is not modified in respect of this matter.

1.	a. Details of Audit Qualification: We invite attention to note no. 4(a) of the financial result, where the Company has during the previous year evaluated its existing claims in respect of on-going, completed and terminated contracts recognised in the earlier periods. Based on opinion of independent expert in the field of claims and arbitration who had assessed the likely number of claims being settled in favour of the Company, the Company has retained amounts to Rs. 10.00 crore as at March 31, 2026 as good and receivable. In respect of the above claims, due to prolonged elapse of time and non-crystallization of matter with the counterpart, we are unable to comment upon the amounts recognised, its realisation and the consequent effect on the financial statements for the year ended March 31, 2026			
	b. Type of Audit Qualification: Qualified Opinion			
	c. Frequency of qualification: 11th Time in Audited Accounts			
	d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views: Not Applicable			
	For Audit Qualification(s) where the impact is not quantified by the auditor:			
	(i) Management's estimation on the impact of audit qualification: The management believes that they have strong case for the claim lodged against the client. This has been validated by independent techno legal consultant. The Board therefore has decided to account the claims.			
	(ii) If management is unable to estimate the impact, reasons for the same: Not Applicable			

	<p>(iii) Auditors' Comments on (i) or (ii) above: In the absence of confirmation from the client we are unable to comment upon the amounts recognized, its realization and the consequent effect on the financial Statement for the year ended 31st March 2026.</p>
2.	<p>a. Details of Audit Qualification: We invite attention to note no 4(b) of the financial result relating to penal interest and charges of Rs 107.90 crores (based on availability of loan statements) for the current year ended March 31, 2026 charged by the lenders on its facilities. Cumulative amount of such penal interest and charges amounts to Rs. 391.76 Crores (to the extent availability of loan statements) up to March 31, 2026. The management is disputing the same and has not accepted the debit of penal interest and charges in its books. They have also requested the lenders to reverse the same. In addition to above, an amount of Rs. 519.78 Crores towards penal interest and charges is levied by Asset Reconstruction company namely CFM Assets Reconstruction Company Private Limited (ARC). The said ARC has purchased the aforesaid debt from one of the company's lender. On the request of the Company for settlement of debt, ARC has considered the request of settling the debt on the basis of outstanding principal amount and waiving off interest and penal charges which is in the process of approval senior management of ARC. The management of the Company believes that this is a high possibility and is actively working for settling the same. Further the Company believes that the other lenders will accept similar settlement terms in the overall resolution plan. The resolution plan was approved by some of the lenders in 2021, which resolution is still under discussion, in which the penal interest and charges are likely to be reversed, and the resolution plan does not consider the Company liability to pay this. The aggregate amount of such penal interest considered contingent and not accounted by the Company including the amount of possible settlement as detailed above works out to Rs. 911.54 Crores The same has not been debited to profit and loss account as management is disputing the same and is in discussion with the lenders for reversal of the said penal interest and charges. In the absence of conclusion of the aforesaid discussion and the quantum which will be finally agreed between the Company and the lenders, we are unable to state whether any provision is required to be made against such penal interest and charges which are disclosed as contingent liability in these Standalone Financial Statements. Notes:

1. The Standalone Financial Results for the quarter and year ended March 31, 2026 were reviewed by the Audit Committee and approved by the Board of Directors of the Company at its meeting held on May 30, 2026 and have been audited by the Statutory Auditors of the Company on which they have issued modified opinion.
2. Results for the quarter and year ended March 31, 2026 have been prepared in accordance with the Indian Accounting Standards (Ind-AS) as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rule, 2015 and Companies (Indian Accounting Standards) Amendment Rule, 2016.
3. The figures of the quarter ended March 31, 2026 and March 31, 2025 are the balancing figures between the audited figures in respect of the full financial year and unaudited year-to-date figures up to relevant quarter ended December 31, which were subjected to limited review.
4. The auditors have qualified their report in respect of the following matters -
 - a) The Company had evaluated its claims in respect of on-going, completed and/or terminated contracts in the earlier periods which amount to Rs. 10.00 crore as at March 31, 2026 with the help of an independent expert in the field of claims and arbitration who had assessed the likely amount of claims being settled in favour of the Company. The management contends that there is no change in position during the year and the same are due to them and they have a very good chance of realisation.
 - b) Penal Interest Levy by Lenders- During the year ended March 31, 2026 some of the lenders have continued levying penal interest and charges amounting to Rs. 107.90 Crores (based on availability of Loan statements). Cumulative amount of such penal interest and charges amounts to Rs. 391.76 Crores (based on availability of Loan statements) up to March 31, 2026. The management is disputing the same and has not accepted the debit of penal interest and charges in its books. They have also requested the lenders to reverse the same.

In addition to above, an amount of Rs. 519.78 Crores towards penal interest and charges is levied by Asset Reconstruction company namely CFM Assets Reconstruction Company Private Limited (ARC). The said ARC has purchased the aforesaid debt from the company's lenders. On the request of the Company for settlement of debt, ARC has considered the request of settling the debt on the basis of outstanding principal amount and waiving off interest and penal charges which is in the process of approval senior management of ARC. The management of the Company believes that this is a high possibility and is actively working for settling the same.

Further the Company believes that the other lenders will accept similar settlement terms in the overall resolution plan. The resolution plan was approved by some of the lenders in

2021, which resolution is still under discussion, in which the penal interest and charges are likely to be reversed, and the resolution plan does not consider the Company liability to pay this. The aggregate amount of such penal interest considered contingent and not accounted by the Company including the amount of possible settlement as detailed above works out to Rs. 911.54 Crores.

5. In furtherance to the recommendation of the Dispute Resolution Board (DRB) and Arbitration Awards in the Company's favour, the Company has recognized income to the extent of Rs. 432.01 Crore in the previous years and Rs 100.90 Cr in the current year, which is part of Non-Current Trade Receivable. The Company contends that such awards have reached finality for the determination of the amounts of such claims and are reasonably confident of recovery of such claims although the client has moved the court to set aside the awards. Considering the fact that the Company has received favorable awards from the DRB and the Arbitration Tribunal, the management is reasonably certain that the awards will get favorable verdict from the courts.

6. **Material Uncertainty Relating to Going Concern:**

The Company's operations have been affected in the last few years by various factors including liquidity crunch, unavailability of resources on timely basis, delays in execution of projects, delays in land acquisition, operational issues etc. The Company's overseas operations are characterized due to weak order booking, paucity of working capital and uncertain business environment. Also, the Company's current liabilities exceed the current assets by Rs 12,701.41 Crore as at March 31, 2026. The liquidity crunch is affecting the Company's operation with increasing severity. The Secured lenders have recalled the various Loans, initiated recovery suits in the Debt Recovery Tribunals as well as filing a winding up petition with the National Company Law Tribunal, Mumbai bench under the Insolvency and Bankruptcy code.

It only increased further in the quarter. The facilities of the Company with the Secured lenders are presently marked as NPA since June 2017. The liquidity crunch has resulted in several winding up petitions being filed against the Company by various stakeholders for recovery of the debts which the Company has been settling as per the mutually agreed repayment terms.

More than 50% of the debt has been assigned to two Asset reconstruction companies by the lenders. The Company is negotiating a proposal for waiver of interest and penal charges and a haircut on the principal outstanding. This is being done on the basis of a potential investor. The Company expects the remaining bankers to follow suit on similar lines. The Company has had positive discussions with the ARC companies and is hopeful of a resolution fructifying with them.

Therefore, the management continues to believe that going concern assumption is intact albeit with uncertainty in the area of acceptance by the lenders.

The management is hopeful of obtaining approval of all the lenders to the above plan and execute documents accordingly and maintain its going concern status and to that effect is continuously engaged with the lenders for a solution.

Therefore, in the view of the management the going concern assumption of GIL is intact and these financials are prepared on a going concern basis. The above action plan of the Company for repaying the debts and servicing the same including the necessary value of the balance stake being available and realisation of the claim amounts filed by the Company, monetisation of the stake sale of investments and also the acceptance of the resolution proposal by the lenders is exposed to material uncertainties which may affect the going concern assumption.

7. The Company is engaged mainly in “Construction and Engineering” segment. The disclosure of operating segments at group level is given in consolidated financial statements as required in terms of Indian Accounting Standard INDAS -108.
8. On account of the company being marked as non-performing assets by the lenders no interest has been debited by majority of the lenders. The company has made provision for interest on the basis of the last sanction and last revision of terms. Therefore, the loan balances and finance cost are subject to confirmation and consequent reconciliation, if any. However, the company is disputing the levy of Penal interest as detailed above and has not made provisions for the same.
9. The Exceptional (Income) /Expenses include the following

our review conducted as stated in paragraph (b) of Auditor's Responsibilities section below and based on the consideration of the reports of the other auditors referred to in Other Matters Section below and except for the possible effects of the matter described in Basis of Qualified Opinion paragraph (a) to (c), nothing has come to our attention that causes us to believe that the Consolidated Financial Results for the quarter ended March 31, 2026, prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis for Qualified Opinion on the Audited Consolidated Financial Results for the year ended March 31, 2026

- a) We invite attention to note no. 4(a) of the Consolidated Financial Results, where the Company has during the previous year evaluated its existing claims in respect of on-going, completed and terminated contracts recognised in the earlier periods. Based on opinion of independent expert in the field of claims and arbitration who had assessed the likely number of claims being settled in favour of the Company, the Company has retained claims amounting to Rs. 10.00 crore as at March 31, 2026 as good and receivable.

In respect of the above claims, due to prolonged elapse of time and non-crystallization of matter with the counterpart, we are unable to comment upon the amounts recognised, its realisation and the consequent effect on the financial results for the year ended March 31, 2026.

- b) We invite attention to note no 4(b) of the Consolidated Financial Results relating to penal interest / incremental Interest / other charges (to the extent availability of loan statement) charged by the lenders on its facilities;
- Rs 107.90 crores for the current year ended March 31, 2026. Cumulative amount of such penal interest / incremental Interest / other charges amounts to Rs. 911.54 Crores up to March 31, 2026.
 - Out of above
 - i. Rs 391.76 Crores the penal interest / incremental interest / other charges levied by the lenders in their loan statement as compared to interest accounted in the books.
 - ii. Rs. 519.78 Crores towards penal interest / incremental interest / other charges levied by Asset Reconstruction company namely CFM Assets Reconstruction Company Private Limited (ARC). The said ARC has purchased the aforesaid debt from the company's lender. On the request of the Company for settlement of debt, ARC has considered the request of settling the debt on the basis of outstanding principal amount and waiving off interest and penal charges which is in the process of approval senior management of ARC.

The same has not been debited to profit and loss account and disclosed as contingent liabilities as management is disputing the same and is in discussion with the lenders/ ARC's for reversal of the said

penal interest / incremental Interest / other charges. In the absence of the conclusion of the aforesaid discussion and the quantum which will be finally agreed between the Company and the lenders, we are unable to state whether any provision is required to be made against such penal interest and charges.

- c) The auditors of one subsidiary Ansaldo Caldaie Boilers India Pvt Ltd of the Company carries one qualification in their Audit Report as follows.

The Company had received amounts as Share Application Money of Rs.16.64 Crores for further allotment of shares. which were to be issued on terms and conditions to be decided by the Board and in line with the extant regulation of the RBI. The RBI vide its letter dated August 16, 2018 has asked the Company to refund the money. The Company has replied to RBI asking them to reconsider their directive for reasons detailed in the note in the financial statements of the entity. The RBI has not responded on the matter till date. The Company has not given any effects to the RBI directive and has disclosed the same as Current Liabilities.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in 'Other Matters' section below is sufficient and appropriate to provide a basis for our qualified opinion.

Material Uncertainty related to Going Concern.

We draw attention to the following material uncertainty related to going concern included in the notes on the consolidated Financial Results of Holding Company, a subsidiary company of the Holding Company, on matters which are relevant to our opinion on the consolidated financial statements of the Group and reproduced by us as under.

a) In respect of Holding Company

We invite attention to note no. 7 (a) of the Consolidated Financial Results relating to the present financial situation of the Company detailing the Material Uncertainties Relating to Going Concern and the Going Concern assumptions. The lenders had in the previous years recalled all the loans and facilities and also the Company's current liabilities exceeds current assets by Rs 14,154.27 Crore as at March 31, 2026. plan is under consideration by lenders. The liquidity crunch is affecting the Company's operation with increasing severity. The trading in equity shares of the Company is presently suspended. Some of the creditors have filed for winding up petitions against the Company. Some of the bankers have initiated action for recovering by putting on embargo on the Company's assets as detailed in the aforesaid note. The company has severe manpower issues and is defaulting on its statutory and regulatory obligations. We are informed that the Company's resolution plan pending since a very long time is under consideration by the lenders as detailed in the aforesaid note.

More than 50% of the debt has been assigned to two Asset reconstruction companies by the lenders. The Company is negotiating a proposal for waiver of interest and penal charges and a haircut on the principal outstanding. This is being done on the basis of a potential investor. The Company expects the remaining bankers to follow suit on similar lines. The Company has had positive discussions with the ARC companies and is hopeful of a resolution fructifying with them.

The above mentioned resolution plan is dependent on too many variables and on account of there being no progress, the success of the resolution plan involves material uncertainties that may cast significant doubt about the Going Concern Assumption. Our report is not qualified on this account.

b) In respect of Subsidiaries in the following cases the auditors' have carried a paragraph relating to going concern as follows :

The Auditors of Special Purpose Financial Statements of Gammon Holdings B.V, Gammon International B.V, Pvan EERD Beheersmaatschappij B.V, ATSL Holdings B.V and Gammon Holding Mauritius Limited (GHML) in the financial statements have carried material uncertainty related to going concern references arising out of current liabilities in excess of current assets, substantial erosion of net worth and the parent company restructuring plan which are pending approval. The parents' resolution plan including the dues related to overseas SPVs is pending approval of the lenders. Further, we are informed that the lenders of the parent company are not able to reach a consensus due to which there is hardly any progress in the resolution plan from the lenders end to mitigate the uncertainty related to going concern. On account of there being no progress, the success of the resolution plan involves material uncertainties that may cast significant doubt about the Going Concern Assumption. Our opinion is not qualified on this account.

Emphasis of Matter

Without qualifying our opinion, we draw attention to the following matters related to Emphasis of Matter included in the audit report issued on the Consolidated Financial Statements, on matters which are relevant to our opinion on the Consolidated Financial Results of the Group, and reproduced by us as under

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

Accordingly, we do not express an audit opinion.

The Statement includes the results of the entities as listed under paragraph (a)(i) of Qualified Opinion and Qualified Conclusion section above.

Notes:

1. The Consolidated Financial Results for the quarter and year ended March 31, 2026 were reviewed by the Audit Committee and approved by the Board of Directors of the Company at its meeting held on May 30, 2026 and have been audited by the Statutory Auditors of the Company on which they have issued modified opinion.
2. Results for the quarter and year ended March 31, 2026 have been prepared in accordance with the Indian Accounting Standards (Ind-AS) as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rule, 2015 and Companies (Indian Accounting Standards) Amendment Rule, 2016
3. The figures of the quarter ended March 31, 2026 and March 31, 2025 are the balancing figures between the audited figures in respect of the full financial year and unaudited year-to-date figures up to relevant quarter ended December 31, which were subjected to limited review.
4. The auditors have qualified their report in respect of the following matters –
 - a) The Company had evaluated its claims in respect of on-going, completed and/or terminated contracts in the earlier periods which amount to Rs. 10.00 crore as at March 31, 2026 with the help of an independent expert in the field of claims and arbitration who had assessed the likely amount of claims being settled in favour of the Company. The management contends that there is no change in position during the year and the same are due to them and they have a very good chance of realisation
 - b) During Penal Interest Levy by Lenders- During the year ended March 31, 2026 some of the lenders have continued levying penal interest and charges amounting to Rs. 107.90 Crores (based on availability of Loan statements). Cumulative amount of such penal interest and charges amounts to Rs. 391.76 Crores (based on availability of Loan statements) up to March 31, 2026. The management is disputing the same and has not accepted the debit of penal interest and charges in its books. They have also requested the lenders to reverse the same.

In addition to above, an amount of Rs. 519.78 Crores towards penal interest and charges is levied by Asset Reconstruction company namely CFM Assets Reconstruction Company Private Limited (ARC). The said ARC has purchased the aforesaid debt from the company's lenders. On the request of the Company for settlement of debt, ARC has considered the request of settling the debt on the basis of outstanding principal amount and waiving off interest and penal charges which is in the process of approval senior management of ARC. The management of the Company believes that this is a high possibility and is actively working for settling the same.

Further the Company believes that the other lenders will accept similar settlement terms in the overall resolution plan. The resolution plan was approved by some of the lenders in 2021, which resolution is still under discussion, in which the penal interest and charges are likely to be reversed, and the resolution plan does not consider the Company liability to pay this. The aggregate amount of such penal interest considered contingent and not accounted

by the Company including the amount of possible settlement as detailed above works out to Rs. 911.54 Crores.

5. In furtherance to the recommendation of the Dispute Resolution Board (DRB) and Arbitration Awards in the Company's favour, the Company has recognized income to the extent of Rs. 432.01 Crore in the previous years and Rs 100.90 Cr in the current year, which is part of Non-Current Trade Receivable. The Company contends that such awards have reached finality for the determination of the amounts of such claims and are reasonably confident of recovery of such claims although the client has moved the court to set aside the awards. Considering the fact that the Company has received favorable awards from the DRB and the Arbitration Tribunal, the management is reasonably certain that the awards will get favorable verdict from the courts.
6. The auditors of one subsidiary Ansaldo Caldaie Boilers India Limited (ACBI) of the Company have qualified their audit report which is being replicated by the Group auditor as follows

The Company has received Share Application Money of Rs.16.64 Crores from M/s. Ansaldo Caldaie S.P.A for further allotment of shares which were to be issued on terms and conditions decided by the Board. However, the Company has neither made the allotment of shares nor refunded the money as per the regulations and provisions of The Companies Act, 2013 and Reserve Bank of India. The RBI vide its letter dated August 16, 2018 has asked the Company to refund the money. The Company has replied to RBI asking them to reconsider their directive due to various operational issues. RBI has not responded on the matter till date. The Company has not given any effects to the RBI directive and has disclosed the same as Current Liabilities.

7. **Material Uncertainty Relating to Going Concern**

a) **Holding Company**

The Company's operations have been affected in the last few years by various factors including liquidity crunch, unavailability of resources on timely basis, delays in execution of projects, delays in land acquisition, operational issues etc. The Company's overseas operations are characterized due to weak order booking, paucity of working capital and uncertain business environment. Also the Company's current liabilities exceed the current assets by Rs 14,154.27 Crore as at March 31, 2026. The liquidity crunch is affecting the Company's operation with increasing severity. The Secured lenders have recalled the various Loans, initiated recovery suits in the Debt Recovery Tribunals as well as filing a winding up petition with the National Company Law Tribunal, Mumbai bench under the Insolvency and Bankruptcy code.

It only increased further in the quarter. The facilities of the Company with the Secured lenders are presently marked as NPA since June 2017. The liquidity crunch has resulted in several winding up petitions being filed against the Company by various stakeholders for recovery of the debts which the Company has been settling as per the mutually agreed repayment terms.

More than 50% of the debt has been assigned to two Asset reconstruction companies by the lenders. The Company is negotiating a proposal for waiver of interest and penal charges and a

haircut on the principal outstanding. This is being done on the basis of a potential investor. The Company expects the remaining bankers to follow suit on similar lines. The Company has had positive discussions with the ARC companies and is hopeful of a resolution fructifying with them.

Therefore, the management continues to believe that going concern assumption is intact albeit with uncertainty in the area of acceptance by the lenders.

The management is hopeful of obtaining approval of all the lenders to the above plan and execute documents accordingly and maintain its going concern status and to that effect is continuously engaged with the lenders for a solution.

Therefore, in the view of the management the going concern assumption of GIL is intact and these financials are prepared on a going concern basis. The above action plan of the Company for repaying the debts and servicing the same including the necessary value of the balance stake being available and realisation of the claim amounts filed by the Company, monetisation of the stake sale of investments and also the acceptance of the resolution proposal by the lenders is exposed to material uncertainties which may affect the going concern assumption.
