ABOUT GAMMON GROUP

Gammon India Limited ("GIL" or "the company") incorporated in 1922, is a Civil engineering, procurement and construction company with presence across all sectors of civil engineering, design and construction. It has been amongst the largest physical infrastructure construction companies in India with a prominent presence across all sectors of civil engineering, design and construction. With specific expertise in roads, flyovers & bridges and power projects, GIL is the leader in construction and turnkey engineering projects.

GIL has a track record of building iconic landmark structures. This includes "The Gateway of India", the piling and civil foundation work of which was successfully executed by GIL as its maiden project in 1919. We are one of the few companies in India qualified to participate and are present in all the areas of construction. We have made concrete contribution to India's infrastructure sector by executing multifarious civil engineering works, designing and constructing of ports, harbours, hydro, thermal and nuclear power stations, cooling towers & chimneys, bridges, roads, dams, high-rise structures, chemical and fertilizer complexes in India and abroad. Besides its large scale of operations in the Construction and Infrastructure domain, GIL also has presence in energy business in which it operates in the hydro, nuclear and thermal power sectors. GIL's expertise also covers the design, financing, construction and operation of modern bridges, flyovers, viaducts and metro rail, both on a Build-Operate-Transfer (BOT) basis as well as contract execution. GIL is in the fore front of India's Nuclear program and has been involved in designing of civil packages of Kalpakkam Nuclear projects. GIL is also

active through its operations in the realty project segment. Examples include residential complexes such as Pebble Bay and Godrej Woods Man Estate in Bangalore, Godrej Kalyan, Runwal Greens and Nathani Heights in Mumbai and hotel complexes such as Hotel Leela Palace in Chennai and G Staad in Bangalore besides commercial complexes such as Galleria Mall (INXS) in Bangalore. Gammon is also presently undertaking a major project for ISKCON at Sri Mayapur in West Bengal involving the construction of a temple complex and a modern cultural centre besides many other large projects.

Overseas Presence

Our overseas presence includes a strategic holding in Italybased Sofinter Group, with state-of-the art manufacturing facilities in Italy, Romania and India. The Group is engaged in the engineering, procurement and construction of steam and power generation boilers, water and waste treatment and flameless combustion technology with application in oil & gas, power generation and industrial sectors. Sofinter S.p.A., A.C.Boilers S.p.A (formerly AnsaldoCaldaie S.p.A)., ITEA and Europower are some companies under the Group. Our overseas transmission and distribution projects are executed by our international subsidiary, SAE Powerlines S.r.L, Italy. We also have a substantial stake in Puma Oil Block in the Oriente basin in Eucador.

Infrastructure Development

In addition to the above, GIL invests in infrastructure development projects through its subsidiary, Gammon Infrastructure Projects Ltd. (GIPL) by participating in Build, Operate & Transfer ('BOT') projects such as roads, ports and hydropower. GIPL's major subsidiaries are SPVs (special purpose vehicles) formed for the execution of specific projects.

Annual Report 2014-16 | 5

Ganga Bridge, Kanpur

Runwal Greens, Mumbai

Area of Operations:

Engineering, Procurement and Construction - Civil

- > Transportation (highways, railways, ports, bridges & flyovers),
- Power Generation (thermal, industrial and cogeneration plants, nuclear and hydro energy, cooling towers and chimneys)
- > Transmission & Distribution (design, engineering and procurement)
- Environmental engineering (water treatment, transmission and distribution)
- > PPP Projects (Roads, Ports, Power)
- > Irrigation
- > High-rise buildings

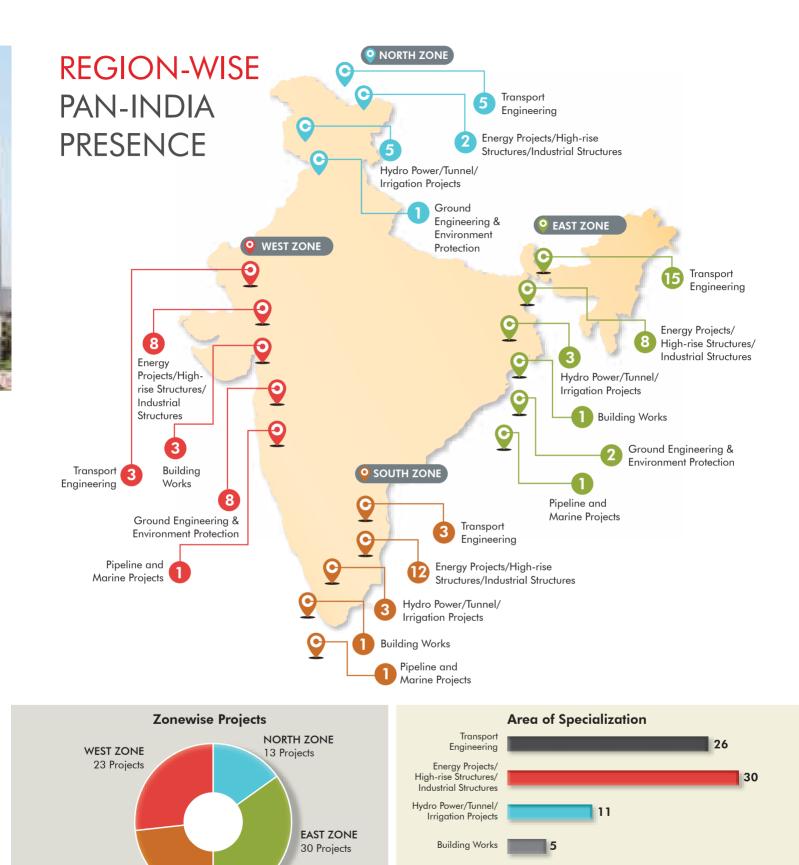

Design, Construction and Operation

Infrastructure Investment and Development (toll roads, expressways, bridges, bulk and container port projects and hydro/thermal power projects)

Oil Exploration and Production

Real Estate Development

Ground Engineering &

Environment Protection

CHAIRMAN'S STATEMENT

Dear Shareholders,

The financial period under consideration covers a span of 18-months ending 31st March, 2016.

During this period, the construction industry in India continues to be plagued by inadequate capital, slow and delayed projects, sticky receivables, lack of speedy and proper dispute resolution mechanism, slow moving or stalled projects, bureaucratic delays in awarding projects, delays in land acquisition and higher working capital cycles and highly leveraged balance sheets. Almost all the players in the industry are affected by the slow-down.

Though 2015 continued to remain challenging for the Indian construction sector, the industry has been on a revival path supported by the government's avowed seriousness about the infrastructure development to accelerate economic growth.

Hence, even in a fiscally challenged situation, the Union Budget outlay for the infrastructure sector, which The air of confidence is slowly returning to the country's infrastructure and construction sectors and is quite visible in the number of broad-based sectoral developments announced in the recent months.

is the main supporter of construction industry has been sharply increased from ₹ 1,63,885 crores in 2015-16 (revised Budget estimates) to ₹ 2,02,121 crores for 2016-17 (Budget estimates), indicating a growth of over 23%. The budgetary allocation is being leveraged many times over, indicating a new line of thinking that should progressively ensure off-budgetary funding and financial support to sustain the developmental lifecycle of the infra projects.

The air of confidence is slowly returning to the country's infrastructure and construction sectors and is quite visible in the number of broad-based sectoral developments announced in the recent months.

The country's roads sector is poised for a big leap with the government anticipating the award of 25,000-km of highway projects during the current year consistent with the overall target of achieving 30-km of road construction per day. The Ujwal Discom Assurance Yojana (UDAY) and the ambitious target of reaching 100 GW of solar power by 2021 through the Jawaharlal Nehru National Solar Mission augur well for the country's renewable energy scenario. With ports and airports forming a significant part of the cycle of priorities, investments in these sectors are bound to pickup as the country moves forward.

The Indian Railways is poised to be a big investment driver with its own Five-Year Plan. Investments in Railways will have a dramatic impact. Investments in rural roads, rural electrification, irrigation and rural housing could be transformational for India's vast rural landscape. The government also plans to develop coastal economic regions as part of plans to revive the country's Sagarmala project which will give a boost to the port sector.

The Smart City project and consistent investments in upgrading transportation and social infrastructure is expected to rejuvenate urban space.

However the recovery of the construction sector will depend upon the speedy implementation of the plans and addressing issues at macro as well as the micro level.

Performance review

During the 18 months period ended 31st March, 2016 the Turnover of the Company on a standalone basis stood at ₹ 6,077 crores, as compared to ₹ 2,909 crores during the previous 9 month period ended 30th September, 2014. The Company posted a Net Profit after Tax of ₹ 14.64 crores during the period ended 31st March, 2016, as against a Net profit after Tax of ₹ 67.80 crores during the previous period ended 30th September, 2014.

Hinduja Power Project, Vizag

CHAIRMAN'S STATEMENT

Signature Bridge, New Delhi

On a Consolidated basis, the Turnover of Gammon Group during the period under review stood at ₹ 7,949 crores as compared to ₹ 3,763 crores for the previous 9 month period ended 30th September, 2014. The Group posted a Net Loss after Tax of ₹ 502.51 crores during the period ended 31st March, 2016 as against a Net Loss after Tax of ₹ 775.32 crores during the previous 9 month period ended 30th September, 2014

The Company continued to reel under financial stress. Though the Corporate Debt Restructuring in June 2013 gave the Company the much needed breather to streamline its operations, subsequently the mounting interest burden, non availability of timely finance and subsequent delays in execution of projects, apart from low order intake, eroded profits. The working capital cycle of the Company was also stretched due to non-achievement of milestones and elongated recovery of receivables. Monetization of assets as envisaged under the CDR package has been slow due to the slowdown in economies, both in India and overseas.

The severe liquidity crunch was sought to be arrested by the invocation of Strategic Debt Restructuring in the Company by the lenders with effective date of 17th November, 2015. Sixteen lenders have converted part of their outstanding debts aggregating to ₹ 277.12 crore into equity shares acquiring 63.07% of the Company's equity capital.

Building Future Possibilities

Carving out of T&D business and Civil EPC business

The Company, as part of its revival plan, carved out Transmission & Distribution business in two phases viz, a slump sale through process of Business Transfer Agreement (BTA) and Scheme of Arrangement. In the first phase, two manufacturing facilities viz the conductor division at Silvassa and the Tower manufacturing facility at Deoli have been transferred to Transrail Lighting Limited (TLL) effective from 1st January, 2016 and a Scheme of Arrangement has been filed in the Mumbai High Court for transfer of the EPC Business relating to the transmission and distribution sector. The Investor, Ajanma Holdings Private Limited (formerly Bilav Software Private Limited) acquired a stake of 75% in TLL at a cost of ₹ 2.33 crores from the Company. The investor will further invest ₹ 47.70 crores approximately in TLL. As a part of proposal of carving out of theT&D business CDR Debt aggregating to ₹ 3580 crores (both funded and non-funded) has been transferred to TLL.

The Company has also proposed to carve out its Civil EPC business in two phases to its wholly owned

Cooling Towers and Chimneys, Tuticorin

Wazirabad Bridge, New Delhi

subsidiary Gammon Engineers and Contractors Pvt Ltd ("GEPL") by way of slump sale on a going concern basis effective from 1st July, 2016. GP Group of Thailand, the Investor, shall be investing ₹ 150 crores, in the EPC Business being carved out in GEPL in tranches. As a part of the proposal of carving out of the EPC Business CDR Debt of approximately ₹ 6,512 crores (both funded and nonfunded) will be transferred to GEPL. The EPC carve out shall be subject to approval of members, lenders and the Court and other regulatory approvals.

We will continue to execute the EPC projects retained in the Company with reduced debt levels. In parallel, we are also looking to monetize our non-core assets including our investments in domestic and overseas subsidiaries, that will not only consolidate management focus but also create debt reduction and liquidity avenues. We are streamlining our business processes and additionally, we are also engaging in active discussions with clients for overcoming bottlenecks in the timely execution of existing projects to enhance cash flows and also look to augment the order book that stood at ₹11,000 crores at the close of March, 2016. With these steps, we are confident of initiating a sustainable growth across our businesses.

Acknowledgements

I extend my gratitude to all our stakeholders, our lenders, partners, employees and shareholders for their continued support and the faith reposed in us during these tough times.

We look forward to better times ahead and will focus on achieving our stated goals with sincerity and dedication.

With best wishes

Abhijit Rajan,

Chairman & Managing Director

PUBLIC PRIVATE PARTNERSHIP PROJECTS

INDIRA CONTAINER TERMINAL PRIVATE LIMITED (ICTPL)

Location: Mumbai

Client: The Board of Trustees of the Port of Mumbai

Project Details: Construction of offshore container berths and development of container terminal (OCT) on BOT basis in Mumbai Harbour and Operation of Ballard Pier Station Container Terminal (BPS).

a) Manage, maintain & operate the BPS container terminal for a period upto 5 years from the date of award of License or 2 year from commissioning of OCT, whichever is earlier.
b) Develop, design, finance, construct, equip, operate, maintain Offshore Container berth to handle vessels of 6000 TEUs and above and quay length of not less than 700m in first stage and further 350 m length later.

Value: ₹ 1,233 cr

PATNA HIGHWAY PROJECTS LIMITED (PHPL)

Location: Hazipur, Bihar

Client: National Highways Authority of India

Project Length: 63.17 Kms

Project Details: Upgradation of Hajipur - Muzaffarpur section of the existing NH-77 to four lane dual carriageway configuration of the section starting from Km 0.000 (Ramashish Chowk) to Km 46.300 and construction of 16.870 km new bypass starting at Km 46.300 and connecting NH-28 of East-West Corridor at Km 515.045 in the state of Bihar on BOT (Annuity) basis under NHDP Phase III.

Value: ₹ 1,284 cr

PRAVARA RENEWABLE ENERGY LIMITED (PREL)

Location: Paravara Nagar, Maharashtra

Client: Padmashri Dr. Vitthalrao Vikhe Patil Sahakari Sakhar Karkhana Ltd.

Project Capacity: 30 MW Bagasse Based Cogeneration Power Project

Project Details: The project has signed the power purchase agreement with Maharashtra State Electricity Distribution Company Limited (MSEDCL) for the tenure of 13 years. The project has commissioned and achieved the commercial operation date (COD) on 6th November 2015. The project has generated around 6.52 Crore Electrical Units and Exported 5.87 Crore Electrical units to Grid and Sugar Plant.

Value: ₹ 274 cr

RAJAHMUNDRY GODAVARI BRIDGE LIMITED (RGBL)

Location: Rajahmundry, Andhra Pradesh

Client: Andhra Pradesh Road Development Corporation

Project Length: 14.49 Kms

Project Details: The Design, Construction, Finance, Operation and Maintenance of major bridge across river Godavari starting at Km 82/4 of Eluru – Gundugolanu – Kovvur side and joining NH-5 on Rajahmundry side under BOT/PPP Basis.

Value: ₹ 1,071 cr

SIKKIM HYDRO POWER VENTURES LTD.

Location: West District of Sikkim

Client: State Government of Sikkim

Project Length: Project Components are spread in Hilly Terrain connected by roads of more than 32 km length.

Project Details: 66 MW Rangit Hydroelectric Project Stage – II (Run-of-the-River) is located on river RimbiKhola, at about 1.5 km upstream of lower Rimbi village, 21 km from Geyzing and Power House is located on the left bank of Kalej-Khola, near village Chungjong. The surge shaft is located near village Lingchom which is about 7 km from Geyzing. The nearest rail head is New Jalpaiguri (130 km) and nearest airport is Bagdogra (145 km) from Geyzing.

Value: ₹ 496 cr

SINDHI SINGRAULI ROAD PROJECT LIMITED

Location: Sindhi Singrauli, Madhya Pradesh

Client: Madhya Pradesh Road Development Corporation

Project Length: 102.60 Kms

Project Details: Four Lanning of Sidhi Singrauli section of NH-75E from Km 82+400 to KM 194+800 in the state of Madhya Pradesh.

Value: ₹ 1,094 cr

VIJAYWADA-GUNDUGOLANU ROAD PROJECT PRIVATE LIMITED

Location: Vijaywada, Andhra Pradesh

Client: National Highways Authority of India

Project Length: 103.59 Kms

Project Details: Six-Laning of Vijayawada-Gundugolanu Section of NH-5 from Km 1076.48 to Km 1022.48 including 6-lane Hanuman Junction bypass (Length 6.72 Km) and 4-lane Vijayawada bypass (Length-47.88 Kms. [Total Length: 103.59 Km] in the State of Andhra Pradesh under NHDP Phase V to be executed in BOT (Toll) mode on DBFOT basis - Project under execution.

Value: ₹ 2,085 cr

VIZAG SEAPORT PRIVATE LIMITED

Location: Vishakhapatnam, Andhra Pradesh

Client: Vishakhapatnam Port Trust

Project Details: Modern deep drafted Panamax Compatible Mechanised Cargo Handling Terminal to handle bulk and break bulk cargo at EQ 8 and EQ 9 berths of Visakhpatnam Port under BOT method.

Value: ₹ 345 cr

OVERSEAS PRESENCE

Group Sofinter, Italy

Established in 1979, Group Sofinter, Italy comprises four principal Companies viz: Sofinter S.p.A., A.C. Boilers S.p.A (formerly AnsaldoCaldaie S.p.A), Europower SpA, ITEA SpA. The Group is engaged in the manufacture/EPC of packaged industrial boilers/utility/ power generation boilers respectively, catering to the oil and gas industry, industrial manufacturing and power utility plants worldwide. The Group has modern manufacturing facilities in Italy, Romania and India and a dedicated R&D facility in Italy.

Sofinter Spa

Sofinter SpA, the holding company of the Group, also has 2 manufacturing divisions - Macchi and SWS.

- a) Macchi is a world leader and original equipment manufacturer of packaged industrial boilers and Heat Recovery Steam Generators with applications in Oil and Gas refineries, petro chemical plants, industrial manufacturing units and co-generation plants. Till date Macchi has over 1,000 units installed world wide to its credit which is backed by a strong after sales service unit to cater to their needs.
- b) SWS is saline water treatment specialist having end to end capabilities in raw water treatment, BFW dearators,

seawater thermal desalination units, desalinated water and condensate treatment.

AC Boilers S.p.A. (formerly Ansaldo Caldaie S.p.A)

AC Boilers S.p.A. is the market leader in design, supply, manufacturing and installation of utility power boilers and original equipment manufacturer of HRSGs upto 260 MWe for CCP plants. With 150 years of experience in steam generation and burner technology field, the company has an installed base of over 80,000 MWe and 1,000 units. It also provides rehabilitation, fuel conversion and after-sales services for existing boilers, with a strong foothold in Egypt (ACBE – 98%) and India (Ansaldo Caldaie Boilers, India – 26%). The Advance Combustion Research Centre of the company offers specialised services to customers, even as its products are qualified for Super Critical Applications.

Europower S.p.A

Europower SpA is active in EPC of waste-to-energy turnkey plants, including CHP for refinery, petrochemical and chemical industry, CCPP for power plants, district heating and cooling plants. It is also engaged in operations & maintenance of power and industrial plants.

ITEA S.p.A

Established in 2002, ITEA is the R&D division dedicated to development and patenting of zero-emission lsotherm PWR Flameless Oxy-combustion technology (lsotherm PWR*) to be used in industrial and utility Power Plants. The flameless pressured oxy-combustion technology uses high temperatures, oxygen-enriched air and pressurisation in an innovative manner and satisfies future environmental challenges in energy and waste segments. Industrial waste treatment, municipal solid urban waste, and low-grade coal are other applications of the cost-effective clean coal technology.

Benefits of 'clean coal' combustion technology:

- Lowest cost of energy solution for clean coal technologies
- > Cleanest fuel gas emissions
- Most inert and benign slag in the form of "glass like" substance

ITEA S.p.A is set to commercially roll out this technology in select applications in the coming years.

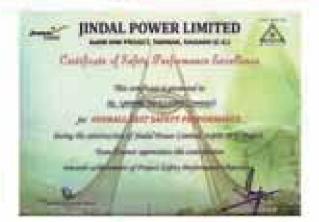

Puma Oil Block

The Puma Oil Block is located in Ecuador's Oriente Basin in the Orellana Province east of Quito with an area of 162 Kms. The Block was part of the second international marginal field bidding round and the contract was signed in March 2008 for a 20 year term with Consorcio Pegaso comprising two Companies, namely Campo Puma Oriente S.A.(CPO) with 90% share and Joshi Technologies Inc. with the balance 10%. Gammon India Limited has a 73.80% share in CPO corresponding to 66.40% share in Consorcio Pegaso. Initially, the contract was production sharing, but in February 2011, it was changed to a service contract for an 18 year term. The remaining oil recovery after considering production till date from the existing Puma field is approximately 14.5 million barrels, excluding probable and possible reserves.

SAE Powerlines S.r.L

SAE Powerlines, Italy, S.r.L. is engaged in the design and construction of tower transmission line and high and medium voltage sub-station. Power transmission & distribution is historically the most important business for SAE. The activities of this Company are rooted since 1926, when SAE was established and through changes in its organisation and ownership it became SAE Powerlines S.r.L. on March 1, 2005. The Company is presently operating in Ghana, Tanzania, Ethiopia, Mozambique, Benin and Togo and Ireland.

MANAGEMENT DISCUSSION AND ANALYSIS

INDIAN ECONOMY

India's GDP growth is projected at 7.6% in 2015-16 against 7.2% in 2014-15 catalysed by a superior performance of the manufacturing sector (projected at a 9.5% growth in 2015-16 against 5.5% in 2014-15), according to the CSO. The growth in the manufacturing sector is attributed to a significant fall in input costs following the decline of global commodity prices. India's economic recovery is also expected to be facilitated by other factors including:

- > A large gain in terms of trade (about 2.5% of GDP)
- > Positive policy action by the Government
- > Reduced external vulnerabilities

The RBI (Reserve Bank of India) policies has helped contain demand pressures, created a buffer against external shocks and kept a check on the volatility of the rupee and inflation.

INDIAN INFRASTRUCTURE & CONSTRUCTION SECTOR

The infrastructure sector, a key driver of the Indian economy directly co-related with propelling the country's overall development, is a priority focus area of the central government. Towards this extent, it has focused on establishing policies that will ensure the time-bound creation of world-class infrastructure. The infrastructure sector principally includes power, bridges, dams, roads and highways and urban infrastructure, among others. Inspite of the infrastructure sector being a key driver, the construction sector in India continued to decline steadily due to a host of probems ailing the industry. The Construction industry continues to suffers from shortage of funds, slow government and other statutory clearances, uncertainties and delays in land acquisition, problems relating to project delays, delays in land acquisition, inadequacy and limited ability of construction companies to raise long term funds, high debt burdens and slow dispute resolution.

The recovery of the construction sector is thus slow given the fact that most companies continue to reel under the burden of heavy debt, stalled and slow moving projects and overdue sticky recievables.

There has been revival of the stalled projects since the second half of 2015, though the pace has been very slow. The Government of India has set up a special monitoring group for examining and resolving the problems of stalled projects. Also with the enactment of the Arbitration and Conciliation Act of 2015, dispute resolution may be expected to be faster.

During the second half of 2015 due to the new governments initiatives, some of the stalled projects have been revived, though the pace is slow.

The need of the hour however is that funds are made available to cash strapped companies to enable them to overcome the liquidity crisis so as to ensure smooth execution of projects and also that all arbitration awards are settled and paid so that contractors are able to recover the moneys from stalled projects.

A report by the India Brand Equity Foundation (IBEF) has indicated that the country needs USD 454.83 billion to be spent on infrastructure development over the next five years with 70% of the funds needed for power, roads and urban infrastructure segments.The Indian power sector itself has an investment potential of USD 250 billion in the next 4-5 years, providing immense opportunities in power generation, distribution, transmission and equipment, according to the Ministry of Coal, Power and Renewable Energy. Besides, foreign direct investment (FDI) received in the construction development sector from April 2000 to December 2015 stood at USD 24.18 billion, according to the Department of Industrial Policy and Promotion (DIPP).

With the central government's concerted efforts towards ensuring the resumption of existing projects that are stuck due to various reasons as well as the start of new ones, the emphasis is on railways, rural infrastructure, urban rejuvenation, solar power and electricity transmission and distribution and the recent Union budgetary outlays reflect these priorities.

While the roads sector retains its numerouno position, the step-up in allocation in the other areas reveals the government's serious intention pushing sectors largely neglected in the past. In this context, some identifiable observations can be made that will give a strongleg-upto the country's infrastructure industry:

- > One, the government is serious about its mantra of public expenditure-led investment in the infrastructure sector to kick-start the economy. Even in a fiscaldeficit challenged situation, the Finance Ministry has proposed a 23% increase in outlay, over and above the 27% increase of last year.
- Two, budgetary allocation is being leveraged many times over by off-budgetary funding. The National Investment and Infrastructure Fund epitomises this new line of thought. Hence, the railways sector is set to raise capital from the Life Insurance Corporation of India and the World Bank and the roads ministry wants to securitise tolls and garner substantive funding under the toll-operate-transfer (TOT) scheme.
- > Three, the railways is poised to be a big investment

driver with its own Five-Year Plan that envisages a massive capital outlay of ₹ 8.56 lakh crore. This works out to ₹ 1.71 lakh crore per annum.

- > Four, rural infrastructure is clearly an area of focus with planned investments in the development of rural roads, rural electrification, irrigation and rural housing, among others, and the necessary schemes and policies to support this development.
- Five, the significant re-setting of discom (distribution companies) finances under the Ujwal Discom Assurance Yojna (UDAY) is largely being managed by bond placements. The 100% electrification of villages and revamping of urban distribution networks is being done through funding from the Power Grid Corporation of India, REC Power Distribution Company and Power Finance Corporation, among others. It is evident that the emphasis has shifted to revamping the nation's transmission and distribution networks.
- Six, the 2022 target of 1,00,000 MW of solar power under the central government's National Solar Mission has been widely publicised and is getting much traction.

INDUSTRY OUTLOOK

With the growing recognition of the importance of world-class infrastructure as a prerequisite to economic growth and a necessity to enhance the quality of life of the citizens, the Government of India has framed several sustainable and enabling policies that seek to rejuvenate infrastructure development in the country. Overall, the Twelfth Plan envisages a USD 1 trillion investment in the infrastructure sector, which is a 137% jump over the Eleventh Plan achievement. Further the government's policy to ensure that all necessary formalities are completed before floating tenders will reduce project delays to a great extent. The "Make in India" initiative will lead to new investment in the manufacturing sector, thereby increasing the demand for power and other infrastructure. Some of the other major infrastructure initiatives/projects expected to be launched include the following:

> The Maharashtra state government plans to launch infrastructure projects worth USD 10.78 billion in

Mumbai and neighbouring areas in 2016, which include coastal road, trans-harbour link, metro rail, airport and road projects.

- The Government of India has earmarked USD 7.34 billion to develop 100 'Smart Cities' across the country. The first list of 98 cities for the smart cities project was released in August 2015.
- The Construction Industry Development Board (CIDB) of Malaysia has proposed to invest USD 30 billion in urban development and housing projects in India (such as a mini-smart city adjacent to New Delhi Railway Station, a green city project in Uttar Pradesh and the Gangaclean-up projects).
- The Asian Development Bank (ADB) and the Indian government have signed a loan agreement of USD 80 million, which is the third tranche of a USD 200 million financing facility under the North Eastern Region Capital Cities Development Investment Programme and will be invested for improving water supply, solid waste management and sanitation in the cities of Agartala and Aizwal.
- The landmark Real Estate Act and the constitution of the real estate regulator is bound to usher in a new wave of reforms in the country's real estate sector. As per IBEF's estimates, the Indian real estate market is expected to touch USD 180 billion by 2020. In the period FY08-20, the sector's market size is expected to surge at an 11.2% CAGR.
- The Government of India has announced highway projects worth USD 93 billion, which include government flagship National Highways Building Project (NHDP) with total investments of USD 45

billion over the next three years.

- > The Union Ministry of Urban Development has approved an investment of USD 72 million under the Atal Mission for Rejuvenation and Urban Transformation (AMRUT) for 2015-16, which will be used for water supply, sewerage networks and sewage management, storm water drains, urban transport and provision of green spaces in 13 cities spread over six states.
- The recent Maritime India Summit in Mumbai garnered investment commitments that reportedly add up to USD 12 billion with another USD 60 billion potentially in the pipeline. The plan is to shore-up India's port capacity from 1,400 million tonnes per annum (MTPA) to 3,000 MTPA by 2025 and to mobilise ₹ 1 lakh crore for the purpose.
- > The Government of India plans to award 100 highway projects under the public-private partnership (PPP) mode in 2016 with expectations that recent amendments in regulations would revive investor sentiments in PPP projects in the infrastructure sector.

As a frontline construction company with an expansive portfolio and rich competencies, Gammon India hopes to capitalise on the unfolding prospects of the Indian construction industry.

ABOUT GAMMON INDIA LIMITED

Gammon India Limited ('Gammon') is among the largest infrastructure construction companies in India and an EPC contractor associated with several landmark projects developed across the country. With specific expertise in roads, flyovers and bridges and power

Bogibeel Bridge, Assam

projects, Gammon is a leader in construction and turnkey engineering projects. We have made concrete contribution to India's infrastructure sector by executing multifarious civil engineering works, designing and constructing of ports, harbours, hydro, thermal and nuclear power stations, cooling towers and chimneys, bridges, roads, metro rail stations, dams, high-rise structures, chemical and fertilizer complexes in India and abroad. We also possess full-fledged EPC and manufacturing capabilities for power equipment and power transmission and distribution businesses.

REVIEW OF FINANCIAL PERFORMANCE

The year under review is an eighteen (18) months period commencing from 1st October, 2014 and ending on 31st March, 2016.

During the period under review the Turnover of the Company on a standalone basis stood at ₹ 6,077crores, as compared to ₹ 2,909 crores during the previous 9 month period ended 30th September, 2014. The Company posted a Net Profit after Tax of ₹ 14.64 crores during the period ended 31st March, 2016, as against a Net profit after Tax of ₹ 67.80 crores during the previous period ended 30th September, 2014.

On a Consolidated basis, the Turnover of Gammon Group during the period under review stood at ₹ 7,949 crores as compared to ₹ 3,763 crores for the previous 9 month period ended 30th September, 2014. The Group posted a Net Loss after Tax of ₹ 502.51 crores during the period ended 31st March, 2016, as against a Net Loss after Tax of ₹ 775.32 crores during the previous 9 month period ended 30th September, 2014.

The overall slowdown in the construction industry over the past few years has greatly impacted the Company's performance. The construction industry in India continues to be plagued by inadequate capital, slow and delayed projects, sticky receivables, lack of proper dispute resolution mechanism, slow moving or stalled projects, bureaucratic delays in awarding projects, delays in land acquisition, higher working capital cycles, highly leveraged balance sheets, policy indecisiveness of the previous government which has adversely affected the construction industry. Almost all the companies in the construction industry have been affected by the slowdown. The Company has been continuously growing in the past, but due to elongated recessionary pressures after the slowdown in global and Indian economy post FY 2008, the Company has been experiencing reduction in revenues and negative growth in Net Profit. However inspite of the slow down, the Company has posted a Net Profit of ₹14.64 crores during the financial period (18 months) ended 31st March, 2016.

The major reasons for the inadequate profits are primarily due to delay in receiving payments from clients in respect of completed jobs, thereby resulting in liquidity crisis leading to increased debt and subsequently higher interests costs which have eroded the profits, delays in project execution primarily due to delay in getting approvals from various authorities and non availability of timely finances, slowdown in the construction industry and aggressive bidding resulting in reduced order booking, increase in outstanding receivables due to non settlement of legitimate claims for works completed, decline in revenues and operating margins, delayed and sticky receivables, delays in land acquisition, approval of design etc. by client, scarcity in availability of labour & materials and other operational issues. The working capital cycle of the Company was also stretched due to non-achievement of milestones and elongated recovery of receivables. Also expansion in the overseas operations in the previous years and slowdown in the European economies largely increased the interest burden on the Company.

The Company has been focusing on realising long pending receivables, arbitration awards and retention moneys. The Company has been successful in recovering certain arbitration claims. The Company is also concentrating on efficient completion and execution of existing projects and has also successfully completed several stalled projects. The receivables from these completed projects are expected to be received in the current financial year. The Company has also been optimizing working capital and establishment costs and is concentrating on faster project execution and priorities have been set with improved systems. The Company is also focusing on reinforcing job selection filters and procedures to ensure positive cash flows and generate quality EBIDTA margins with higher bottom line contribution. Moreover, some prolonged job-related

issues are being addressed with speed to close them at the earliest. The Company continues to negotiate with vendors for settlement, improved commercial terms and better credit facility and is in process of arranging additional working capital finance to improve short term liquidity position. The Company is evaluating and exploring various courses of action for raising funds for Company's operations, including options for strategic restructuring.

The Company has undertaken several measures for re-structuring the Company's businesses with a view to attract strategic investors, reduce debt levels, derisk the businesses to make them more sustainable and ensure its growth in the interests of all stakeholders. The Company is also taking efforts for disposing of its noncore assets to ensure liquidity in the system.

The Company has outstanding arbitration claims of more than ₹ 5,000 crores as on 31st March, 2016 and is focusing on recovering these claims. The Company also hopes to recover retention moneys currently outstanding with the clients. Recovery of these long outstanding claims and receivables will ease liquidity pressure.

Also with the various restructuring exercises presently being undertaken by the Company, the operations will be streamlined. As specified above the Company's performance has been greatly affected by external factors. The Company hopes that the various initiatives taken by the present government in reviving the infrastructure and construction sector will give a boost to the Company's efforts in improving its performance. In our efforts to re-structure the business and its operations the Company's lenders have been extending their support. The order book of the Company as on 31st March, 2016 was ₹ 11,000 crores.

SECTOR PERFORMANCE REVIEW

It is heartening to note that despite the very difficult times faced by the entire construction industry in the country, we were able to complete some important projects for our clients and maintain onsite productivity.

The Company has also focused on the removal of blockages and deadlocks with regards to project execution and priorities have been set with improved systems. Besides, right-sizing the organisation and operational consolidation are also some initiatives under progress. We are also focusing on reinforcing our job selection filters and procedures to ensure positive cash flows and generate quality EBIDTA margins with higher bottomline contribution. Moreover, some prolonged jobrelated issues are being addressed with speed to close them at the earliest. With these initiatives in place, we expect to emerge stronger over the coming years.

Roads

India has the second largest road network in the world at 4.7 million km. This network transports more than 60% of all goods in the country and 85% of the nation's total passenger traffic. Road transportation has gradually increased over the years with the improvement in connectivity between cities, towns and villages in the country.

In India sales of automobiles and movement of freight by roads is growing at a rapid rate. Cognizant of the need to create an adequate road network to cater to the increased traffic and movement of goods, the government of India has earmarked 20% of the investment of USD 1 trillion reserved for infrastructure during the 12th Five-Year Plan (2012-17) to develop the country's roads.

Concurrently, the value of roads and bridges infrastructure in India is projected to grow at a 17.4% CAGR over FY12–17. The country's roads and bridges infrastructure, which was valued at USD 6.9 billion in 2009 is expected to touch USD 19.2 billion by 2017. Moreover, the plan outlay for 2015-16 stepped up budgetary support for road transport and highways to ₹ 42,912 crore. Resultantly, the length of national highways is expected to grow from 92,850-km in 2013-14 to 100,000-km by the end of 2017 (Source www. ibef.org).

Gammon India is actively engaged in developing India's core infrastructure by building a robust roads network across the country. We have also established ourselves as a strong player in the execution of several prideenhancing highway projects whether two-lane or fourlane or rigid or flexible.

Even though the past two-three years witnessed a general amount of sluggishness in the award of highway projects by the nodal body NHAI (National Highways Authority of India), the incumbent central government has pressed the accelerator in terms of highways development by emphasising on the construction of 20-km of roads every day, which has been scaled-up to 40-km a day. To achieve this target, projects to the tune of 25,000-km are expected to be awarded in the current financial year (2016-17), which is 2.5 times of the last year's award of 10,000-km. Moreover to support this vision, the government has also rolled-out many project models anchored on viability including DBFOT (design, build, finance, operate, transfer), annuity, hybrid and EPC (engineering, procurement, construction). Our main focus is on the EPC business which is 100% funded by the central government. These projects are implemented by the NHAI, MORTH and NHIDCL and we believe this will be the golden period for the highways sector in the country.

The cumulative market size of the roads sector in the country is estimated at over ₹ two lakh crore. At Gammon India, we possess strong and demonstrated capabilities to bag a sizable portion of this share. Some of our other strengths in the segment include:

- Strong brand Cutting-edge equipment base that enables the execution of large road projects spread across various geographies
- Robust bidding capacities (even on a standalone basis) and pre-qualification for almost all the projects in sector
- Well-networked procurement team with strong negotiation capabilities
- Accumulated experience and unparalleled skills amassed in the sector
- Execution of projects under various commercial terms such as DBFOT, annuity, EPC and item-rate contracts (mainly EPC of DBFOT and annuity projects)
- Execution of projects in all the states in India, therefore possessing strong terrain experience and detailed understanding of the micro-markets
- Strong and dedicated manpower resources to take large and complex projects
- Robust EPC capabilities with captive design strength, therefore enhancing project viability
- Effective HSE (health, safety and environment) policies with stringent focus on adherence

As an endorsement of the credibility and strength of our highways business, we bagged a major highway project of ₹ 1,710 crore in September 2015, the Udhampur-Ramban highway in the state of Jammu and Kashmir. This project consists of 43-km of four-lane flexible pavement with major and minor bridges along with a 900-m long tunnel. We also completed a state highway project in Bihar, the 150-km SH-69 flexible road project that was dedicated to the citizens by the Chief Minister of Bihar on 27 March, 2016.

We are actively participating in tenders to bag select, large highway projects that are not only marginsaccretive but also enable us to grow our brand. In the current financial year, we are actively participating in the bidding of highway projects issued by the NHAI, MORTH and NHIDCL. Even though the market is characterised by high competitive intensity, we are confident to have an order booking of ₹ 4,000 crore by the close of 2016-17. To further sharpen our competitiveness, we have embraced several initiatives including:

- Bidding for projects in the North East where competition is less and also we could leverage our existing establishments in Arunachal Pradesh and Assam
- Adopting design-led value engineering initiatives during the tender stage itself
- > Conducting comprehensive pre-tender surveys

Moreover, with augmented execution capabilities, we have a target of completing projects to the tune of ₹ 800 crore in the current financial year and have close monitoring mechanisms and proper support structures to achieve this ambitious target.

Our landmark highway projects

At Gammon India, we have completed a total of 2,500 lane-km so far that includes a showcase of path-paving projects:

Vadape-Gonde highway

- Positioning: A vital link of Maharashtra connecting Mumbai with Nasik
- > Client: National Highways Authority of India (NHAI)
- Engagement: 100-km length four-laning of the existing highway using flexible pavement rock-cutting of 1.5

million m³ and the adoption of the unique rock fill embankment construction technique

Gazole-Hilli highway project

- Positioning: A link connecting the city Gazole and Hilli in state of West Bengal
- > Client: Govt of West Bengal
- Engagement: 108-km length strengthening & improvement of existing road to two lane carriageway including 1.54-Km bypass and 6.00-Km four lane.

Agra-Makhanpur highway

- Positioning: A critical link connecting the city of the Taj Mahal (Agra) with Makhanpur
- > Client: National Highways Authority of India (NHAI)
- Engagement: 60-km length with the development of four-lanes out of the existing road using flexible pavement

Tumkur-Haveri Highway

- Positioning: Western Transport Corridor connecting the cities Harihar and Haveri in the state of Karnataka, India
- > Client: National Highways Authority of India (NHAI)
- Engagement: 75-Km four lane divided carriageway with flexible pavement and balance work of 42-Km. Major structures includes 2 nos. ROB.

Shergati Highway (NH-02)-PKG V-A

- Positioning: An important road project in the state of Bihar, India
- > Client: National Highways Authority of India (NHAI)
- Engagement: 15-km, 8.5-m wide, four-lanes (2 x 8.5 m) comprising the first concrete road project by Gammon India. Special automated paver was used for the project (which was also challenging to execute on account of security issues

Orissa Road project package OR-V

- Positioning: An important road project in the state of Orissa, India
- > Client: National Highways Authority of India (NHAI)
- Engagement: 138-Km 4/6 lane carriageway with Flexible pavement including 40 bridges, 6 flyovers and 1 ROB

Gorakhpur Bypass

- Positioning: An economically-important bypass project in Gorakhpur, Uttar Pradesh
- > Client: National Highways Authority of India (NHAI)
- Engagement: Design, construction, finance, operations and maintenance of 0.00 km to 32.27 km of the Gorakhpur bypass on NH-28 on an annuity basis. The bypass has a high embankment and the quantity per km is 2.5 lakh cu³, which is 5x the average quantity per km

Rajahmundry-Dharmavaram highway-AP 15

- Positioning: An important highway connecting Dharmavaram with the industrial city of Rajahmundry in Andhra Pradesh, India
- > Client: National Highways Authority of India (NHAI)
- 57-km roadway with flexible pavement completed before time with a bonus entitlement. The highway also has state-of-the-art toll plazas

Khurda-Bhubaneswar, Odisha

- Positioning: Roadways in the upcoming city of Bhubaneswar in Odisha
- > Client: National Highways Authority of India (NHAI)
- Engagement: Development of flexible pavements including a number of roadways with a long and tall
 9-km long reinforced earth wall, deploying the newlylaunched RE wall technique

Dumariya-Ranitalab Package 2

- Positioning: Dumariyato Ranitalab road project in the state of Bihar
- Client: Bihar State Road Development Corporation Limited
- Engagement: 153-Km 2-lane (7.0 m BT & 5.0 m earthen shoulder) road work of 135-Km Flexible pavement and 18-Km Rigid pavement

Gaya-Rajauli Road work

- Positioning: Gaya to Rajauli road project in the state of Bihar
- Client: Bihar State Road Development Corporation Limited
- Engagement: 58-Km 2-lane road work with Flexible pavement

Bihar Forbesganj BR-3 highway project

- Positioning: East West Corridor under NHDP, Phase-II in the state of Bihar, India
- > Client: National Highways Authority of India (NHAI)
- Engagement: 40-Km 4 lane carriageway of NH-57 with Flexible pavement.

Ongoing Projects

Seppa-Chayangtajo Road project

- Positioning: Roadway project in the state of Arunachal Pradesh, India
- > Client: PWD, Government of Arunachal Pradesh
- Engagement: 81-Km road project of construction and improvement with Flexible pavement of 7.5 m under NEC.

Hajipur-Muzaffarpur highway project

- Positioning: Hajipur to Muzaffarpur highway project in the state of Bihar, India
- > Client: National Highways Authority of India (NHAI)
- Engagement: 63-Km four lane dual carriageway with flexible pavement including construction of 16.87-Km new bypass. Project includes 1 Major bridge, 3 ROB, 1 Flyover, 18 Minor bridges, 7 VUP, 51 Box culverts

Bihar SH-91 highway project

- Positioning: Birpur to Udaikishangunj project in the state of Bihar, India
- Client: Bihar State Road Development Corporation Ltd. (BSRDC)
- Engagement: 102 Km of improvement/upgradation for SH-91 road.

Udhampur-Ramban Highway project

- Positioning: Udhampur to Ramban highway project in the state of Jammu & Kashmir, India
- > Client: National Highways Authority of India (NHAI)
- Engagement: 40-Km four laning hilly terrain road with 0.88 km tunnel, 8 No. major bridges and 60 minor bridges

Bridges/ Flyovers/ Metro Rail

The increasing attractiveness of India's roads and highways sector can be gauged from the fact that many projects, especially under Phase–III of the NHDP (National Highways Development Programme) to the tune of USD 19.41 billion, are expected to be awarded on a BOT (Build-Own-Transfer) basis. Out of the above projects, normally 40% account for structures particularly bridges, culverts, underpasses, elevated corridors and flyovers. As FDI (Foreign Direct Investment) of up to 100% (under the alternative route) is allowed for support services in road transport, cargo handling and construction and maintenance of roads, bridges etc., roads and highways are expected to benefit as a subsequent fallout. The value of roadways and bridge infrastructure in India is expected to grow at a robust 17.4% CAGR until 2017 to reach a size of USD 10 billion.

Some of the other areas with potential investment opportunities in railways include the following:

- > Dedicated freight corridors
- > Rail lines to and from coal mines and ports
- Development of high-speed tracks and suburban corridors
- Re-development of railway stations and freight terminals
- Various metro rail projects currently under development across the cities of Delhi, Mumbai, Bengaluru, Chennai, Hyderabad, Kolkata, Kochi and Jaipur. Some of the other cities where metro projects have been approved include Ahmedabad, Nagpur, Pune, Lucknow and Guwahati.

Thus, there exists tremendous opportunity to grow in these sectors.

The bridges/flyovers/metro rail sector has been one of the flagship divisions of Gammon India. The Company has been a pioneer in introducing the latest construction practices and technologies in the country and bridgebuilding in India has come to become synonymous with the progression of Gammon India. We are perhaps the only Company to have bridged all the major rivers and tributaries in the country.

This has been made possible due to our core engineering strengths including our in-house Technical Management Section (TMS) and Systems Management Section (SMS). However over the last few years, we have witnessed attrition of key resources and we are going all-out in our efforts of bringing back the lost talent and develop and nurture this intellectual pool through organising regular in-house through training and development programmes.

In one of the significant highlights of the period under report, the Company completed a rail-road project at Munger, Bihar, for the Eastern Railways, and at this single location it achieved a turnover of over ₹ 100 crore.

Continuing with our focus on capitalising on prevailing opportunities, we bagged some major projects during the financial year 2015-16 including:

> Jammu-Udhampur project of around ₹ 1,729 crore where structures account for ₹ 600 crore. Elevated structure project at Goa valued at ₹ 397 crore.

During the period under review the Kanpur Bridge, Godavari Bridge at Rajahmundry and Wazirabad approaches were commissioned to traffic. Besides, the Bogibeel Bridge contract at Dibrugarh for the railways was also completed. We are also in the implementation stage for a part of the prestigious Mumbai-Delhi freight corridor.

The Chennai Metro Rail Project which the Company was executing in joint venture with OJSC Msmetrostroy for the Chennai Metro Rail Corporation ("CMRL") was terminated by the client CMRL, since the joint venture partner abandoned the project. Though the Company offered to complete the project, CMRL terminated the contract. The matter is now under arbitration.

Interestingly, most projects in the sector are awarded on an EPC (engineering, procurement and construction) basis. Gammon India is traditionally a design and build contractor and as such, our engineering department is anchored on the expertise of permanent structural and construction process designs (including enabling structure designs) that help us build customer and project value through innovative engineering. This enhances our prospects to bid for and bag contracts in a highly competitive environment and also helps enhance to the bottomline.

Ongoing Projects

The following projects are under execution

> Signature Bridge in Delhi with a slanted Namaste-

posed pylon extended to a height of 154-m, representing a one-of-its-kind structure in the world. The project is 60% executed and is likely to be completed by March 2017.

- Brahmaputra Bridge in Guwahati for the NHAI, a 1.5-km single girder bridge with a span combination of 120-m and 150-m. The project is likely to be completed by December 2016.
- Bridge on the Brahmaputra River in Tezpur, representing a 3-km structure to be made of 120-m span hoisted by the cantilever construction method with a 9-m diameter well-foundation embedded into the ground by 55-m.
- The prestigious Elevated Road Corridor from AIIMS (NH-98) to Digha (on Ganga Path) (10.5 Kms) at Patna.

Marine Sector

India has a long coastline spanning over 7,516-km along the western and eastern shelves of the mainland, constituting one of the largest peninsulas in the world. The country is serviced by 13 major ports (12 government and one corporate) and 187 notified minor and intermediate ports. The latest addition to the list of major ports is the Port Blair port (established in June 2010), the 13th port in the country.

With this infrastructure, India ranks 16th among maritime countries and has one of the largest merchant shipping fleets in the world. According to the Ministry of Shipping, approximately 95% of the country's trade by volume and 70% by value moves through maritime transport, highlighting the importance of ports and their contribution in sustaining the growth and development of the Indian economy. The country's cargo traffic was recorded at 1,052 million metric tonnes (MMT) in 2015, which is expected to reach 1,758 MMT by 2017.

The country's ports sector is on a high-priority for the government as it is one of the critical components of national infrastructure, directly aiding international competitiveness. Being a focus area for development and refurbishment, Indian ports are increasingly becoming an attractive investment option for investors scouting for opportunities in India's infrastructure sector. The current opportunities in the country's ports sector offer a huge scope for expansion of international maritime transport and trade, both for passengers and cargo handling.

The Indian Government plays an important role in supporting the ports sector. It has allowed FDI (Foreign Direct Investment) of up to 100% under the automatic route for port and harbour construction and maintenance projects. It has also facilitated a 10-year tax holiday to enterprises that develop, maintain and operate ports, inland waterways and inland ports. Moreover, the Ministry for Shipping, Road Transport and Highways has announced a massive investment in India's ports sector, which is likely to help boost the country's economy. While unveiling plans worth ₹ 10 trillion in the highway and shipping sectors by 2019, India's current Union Minister for Road Transport and Highways and Shipping stated that the country's basic infrastructure is forecast to change in the next five years.

The Ministry of Shipping also plans to launch the National Perspective Plan (NPP) which aims at comprehensive and integrated development of Indian coastline by identifying potential geographical regions to be called Coastal Economic Zones (CEZs) extending 300-500 km along the coast and 200-300 km inland. The Union Minister also stated that the Government of India has set an ambitious target to convert 101 rivers across the country into waterways to promote water transport and propel economic growth. Besides, the Indian government also plans to develop 10 coastal economic regions as part of plans to revive the country's Sagarmala (string of ports) project. Under the same initiative, the government plans to invest ₹ 70,000 crore in 12 major ports in the next five years. The zones would be converted into manufacturing hubs, supported by port modernisation projects. The government is also looking to develop the inland waterway sector as an alternative to road and rail routes to transport goods to the nation's ports and hopes to attract private investment in the sector.

The increasing trend of Western countries moving their manufacturing functions to low-cost countries and the likely prospect of India emerging as a manufacturing outsourcing hub (the ambitious 'Make in India' initiative is a part of this), is expected to contribute to the growth of the country's marine industry.

During the 12th Five-Year Plan (2012-2017) about ₹ 1,80,626 crore is expected to be invested in the ports sector, according to revised estimates of the Planning Commission of India.

The Company is credited with completing a significant number of sea intake works for power plants in record timeframesover the last couple of years. Some of our current works in progress include the following:

➤ Construction of an offshore container terminal at the Mumbai Port, worth ₹ 400 crore

Intake Well, Kalpakkam, Tamil Nadu

- Sea water intake outfall system for TPP Vishakhapatnam, valued at ₹ 300 crore
- > Vizagsea water intake and outfall system, a project worth ₹ 270 crore, is 98% complete

With the Central Government's plans to invest in major ports in the next five years the outlook for the marine sector continues to remain optimistic.

Power and Industrial Sector (Including Cooling Towers and Chimneys)

The Indian power sector continues to under-perform, principally on account of coal block auctions not picking-up pace, putting uncertainty on the principal raw material resource. However for the current year reformsled energisation of the power sector is widely anticipated as the central government is focused on ushering its ambitious 'Power for all' by 2022 programme and other schemes to ensure that the country's power sector achieves its full potential.

The Company has its presence across almost all the various segments of power plant construction including water circulation system, cooling towers, chimneys, civil works and coal systems, among others.

Our focus during the period under review was to ensure the completion of ongoing and existing power projects in our portfolio with a view to free-up capacities for future projects. We also worked towards enhancing collection of receivables and retention, minimizing costs and adding to our revenues.

However with intense competition in the power segment, we expect margins to continue to remain under pressure even as we focus on offsetting this to some extent through a larger order book.

Some of our ongoing projects in the thermal, cooling towers and chimney projects space include the following:

- NDCT and CWPH package for RAPP 7&8 in Kota, Rajasthan
- NDCT and chimney works for 2x687.5 MW for GMR at Raipur, Chhattisgarh
- NDCT and chimney works for 4x600 MW for O.P. Jindal STPP, Raigarh, Chhattisgarh
- NDCT and chimney works for 1x500 MW RTPP in Andhra

Some of the major projects completed during the period under review include:

- NDCT and chimney works at Khandwa (Malwa), Madhya Pradesh
- NDCT and chimney works at KTPP (500 MW), Telangana
- > Chimney works at Kawai, Rajasthan
- > Chimney works at Sagardighi, West Bengal
- > NDCT and chimney works at Tuticorin, Tamil Nadu
- General civil works and chimney at Sasan UMPP, Madhya Pradesh
- Chimney works for AdityaAluminium Ltd at Lapanga (Odisha)

In a principal showcase of its expertise in the sector, we completed 660 MW five unitsat Tiroda in record time, despite the slowdown in the sector. During the period under review, we also submitted quality bids worth around ₹ 2,000 crore for cooling towers/chimneys. However most of the bids are yet to be opened and finalized and we look positively towards bagging some of these projects, going into the future.

Hydropower

Though the long-term prospects of the Indian hydropower sector continues to remain robust on account of the environmental benefits and costeffectiveness of hydropower, the Company continued to struggle for fresh orders, which was an industry-wide phenomena. Besides, new projects continued to remain stuck due to ecological concerns and other clearances and no fresh order could be secured during this period.

During the period under review, the Company focused on completing its existing projects which included

- > Koldam H.E. project, Himachal Pradesh (800 MW)
- Parbati H.E. project, stage-III, Himachal Pradesh (520 MW)
- > Rampur H.E. project, Himachal Pradesh (412 MW)
- Punatsangchhu H.E. project, stage-I, Bhutan (1200 MW)
- > Parbati Stage II (800 MW)

Koldam, Parbati III and Rampur projects commenced power generation and overall, a cumulative 1,750

32 | GAMMON INDIA LIMITED

MW green power capacity was incorporated onto the national grid, contributing to meeting the country's peak power demand.

The Company is currently executing the following projects:

| Project | Scope |
|--|--|
| GMR Bajoli Holi | LOT I – Construction of coffer dams, diversion tunnel and concrete dam including spillway, power intake, part HRT and construction adits |
| GMR Bajoli Holi | LOT II – Construction of HRT of about 9.63-km length, surge shaft, valve chamber, pressure shaft including steel liner, surface power house, TRC, construction adits and pothead yard |
| Vyasi Dam | Execution of civil works related to concrete dam, diversion works, intake and 1.35-km HRT of Vyasi H.E. project (120 MW) in District Dehradun, Uttarakhand |
| Parbati 2A (joint venture with CMC, Italy) | Construction of balance civil works of HRT by TBM (Lot PB 2A) of Parbati H.E. project, stage-II |
| Punatsangchhu HEP II, Bhutan | Punatsangchhu-II H.E. project (990 MW) contract package C-2 construction of head race tunnel from adit-I and adit-II |
| Mangdechhu Hydroelectric Project | Construction of headrace tunnel including construction of adits (I, II, III and IV) and associated works of HRT Mangdechhu H.E. project, Bhutan |

The Company with its JV partner CMC Limited succeeded in overcoming geological challenges at Parbati Stage II where the TBM (Tunnel Boring Machine) was on a virtual standstill for almost four years. With innovative design and strong engineering skills, the 4-km tunnel lining along with boring was completed to advance the commissioning schedule of the project. Similarly, more than 6-km tunnelling was completed at the Bajoli Holi project and at Vyasi Dam. With its technical expertise, team of dedicated engineers and a fleet of world-class tunnelling equipment and other construction assets, the Company is well-placed to explore opportunities in tunnelling projects for roads and railways as well.

Overall, the hydro sector continues to remain promising due to abundance of un-exploited hydro potential available in India as well as neighbouring countries. Further the the Indian government is taking substantial effort in reviving the sector. Currently, it is concentrating on restarting stalled projects as well as clearing all stuck project proposals the effect of which would be visible in the near future. Moreover, with normalcy returning to Nepal, the Company is hopeful of bagging some projects in the overseas markets of Bhutan and Nepal.

Building Construction

Due to the stagnation in the real estate sector, the Company has decided to go slow on bidding for private development projects. As a concerted and future-facing strategy, we are concentrating on existing projects in hand. The Company has not undertaken any new project in the building sector .

Ongoing projects include:

- Nathani Heights a 72-storey residential tower at Mumbai Central, Mumbai
- 2. The iconic ISKCON temple at Mayapur, Kolkatta.

Due to the slow down in the real estate sector and problems of delayed payment, the Company has not bid for any real estate projects.

Water and Environment

Fresh water is becoming an increasingly scarce resource the world over. Ironically, this is despite the fact that almost 67% of the Earth's surface is covered by water. However, the challenge is that 97.2% of this water is contained in the five oceans and 2.7% only is fresh water, again out of which 2.05% is locked in ice caps and glaciers, leaving less than 0.7% as the quantity available for human use.

With almost 16% of the global population and 4% of its fresh water resources, India is not an exception even as the country faces various challenges, especially in areas of water distribution and sanitation. According to the Census 2011, only 31% of the 167 million rural households in India have access to tap water and domestic toilets. This is despite some longstanding efforts organized by the Government, local bodies and others to augment potable water capacities and create sanitation infrastructure. The scenario in urban India is no different and the problem will only aggravate as the country's urban population is projected to increase to a massive 600 million by 2031 (with its share estimated to surge from 31% of the total population to about 40% by then).

Thus, sustained migration from rural to urban areas (rapid urbanization) is posing as a huge challenge in terms of creation and maintenance of a minimum level of infrastructure and services that can be accessed by all. It is evident that there exists an urgent need to upgrade urban infrastructure such as water supply, sewerage treatment, solid waste management, urban roads and storm water drains, among others. To be sure, over the last five years, the central and various state governments have increased investments in several water supply schemes at an annual rate of about 10%, partially assisted by the JNNURM (Jawaharlal Nehru National Urban Renewal Mission).

The water and environment infrastructure space in India is widely estimated to be a USD 30 billion business opportunity, largely embedded in the agricultural and residential sectors since they are the top consumers of water. Both these sectors represent an attractive opportunity for Gammon India.

Gammon India, with its rich legacy in engineering excellence and a proven record of fast-track project completion backed by long-term O&M (operations and maintenance) capabilities, is pre-qualified for all types and sizes of water projects across the country. The Company possesses a dedicated in-house design team for structural, hydraulic and electromechanical design, representing core advantage in a competitive industry landscape. The Company also has the capability to integrate design and execution across turnkey water supply projects starting from sourcing raw water to raw water transmission and storage to purification and storage of clear water and distribution, right up to meeting end-user requirements, along with the requisite electromechanical works.

Gammon India has successfully executed several challenging water and environment projects in the past

and this strength and experience enables it to continue with the momentum to meet the future challenges of this sector.

During the year under review, the Company completed the design and construction of a new 107-MLD capacity, potable water supply infrastructure project on turnkey basis for Guwahati city (south Guwahati).

Ongoing Projects:

The following water supply projects are currently under various stages of execution:

- Narmada Gudhamalani water supply project for 263 villages involving the construction of RWR, water treatment plant and related civil, mechanical, electrical and instrumentation works at various pumping stations on a turnkey basis.
- Supply, installation, construction and commissioning of rising and transmission mains for Guwahati city (gravity and pressure mains) reservoirs for South Central Zone
- 3. Tank water supply project for 436 villages in Rajasthan for PHED, Rajasthan
- 4. Regional water supply scheme for 267 villages of Chaksu and eight villages of Phagi tehsil in Rajasthan for PHED, Rajasthan
- 5. Pokharan water supply scheme for 152 villages for PHED, Rajasthan
- 6. Jawai water supply scheme for 133 villages for PHED, Rajasthan

Transmission and Distribution

The Company's transmission and distribution (T&D) business comprised of manufacturing facilities at Deoli and Silvassa as well as the Design Engineering and procurement business in the transmission and Distribution Sector. The Company also has a stateof-the-art tower testing station at Deoli, Wardha (Maharashtra), capable of testing towers of up to 1,200kV. As an endorsement of the cutting-edge best practices embraced at this facility, it has been globally-acclaimed by customers from the US, Canada, Malaysia, Mexico, Thailand and Indonesia, among others. The Company's tower testing facility in Deoli is recognized by the Ministry of Science and Technology as a full-fledged research and development (R&D) centre. The Company also has a global foothold in such qualityconscious markets as those of the US and Canada and other emerging nations like Algeria, Kenya, Afghanistan, Ethiopia, Bhutan, Nigeria, Rwanda, Botswana, Tanzania, Mozambique and Benin-Togo etc. The Company's conductor business is registered with global utility companies across Europe, the US, Africa and Asia and is technically qualified to support customers in the US, Canada, Latin America, Europe and Australia.

During the period under report, your Company achieved substantial progress by completing six projects of 765 kV and 400 kV transmission lines worth ₹ 980 crore. We have also planned to complete eight more projects with a cumulative value ₹ 1,225 crore by March 2017.

The Company's T&D business has been awarded a 500/ 220 kV transmission line contract in Afghanistan worth USD 51 million and a distribution line contract in Kenya totaling USD 25 million in addition to various 765 DC/ SC and 400 kV DC transmission line projects awarded by Adani Transmissions Ltd worth ₹ 930 crore. Thus, the order book of the T&D business is pegged at about ₹ 2,750 crore, of which about 25% of the orders comprise exports to be executed across international markets. Unfortunately, a contract awarded by the Yemeni authorities worth USD 61 million did not take off and is kept on hold due to the adverse political situation in the country.

STRATEGIC DEBT RESTRUCTURING ("SDR")

During the FY 2012 and FY 2013, the Company's financial performance suffered on account of slowdown in the economy, delay in award of new projects and project execution delays. The working capital cycle of the Company was also stretched due to non-achievement of milestones and elongated recovery of receivables. Further the Company had also invested in overseas subsidiaries and non-core assets by way of loans and advances or equity. The subdued market conditions could not yield the desired returns on overseas investments and the interest cost on acquisitions added to the Company's financial stress. As a consequence the Company faced difficulties in meeting its obligations to the lenders and referred itself under the aegis of Corporate Debt Restructuring ("CDR") Cell for restructuring of its debt in March 2013. The final CDR

package was approved at the CDR EG meeting held on June 24, 2013. The Master Restructuring Agreement pursuant to the package was signed on September 24, 2013.

However the mounting interest costs and the liquidity crunch continued due to industry wide issues viz;

- Bottlenecks on new infrastructure projects, postponement of investments and new projects in the industrial sector (as Indian manufacturing experienced a slowdown) contributed significantly to this lack of growth.
- Policy paralysis, delayed clearances and poor financial health of infrastructure companies have impacted investments in key infrastructure sectors like roads and power.
- Major construction players are experiencing liquidity crunch because of longer recovery timeframes from their customers and tightening funding norms being employed by institutional financers.
- Increasing labour costs, commodity prices and aggressive tendering have put pressure on company margins over the past 2-3 years.
- Delays in completion of projects due to delay in approvals, issues relating to land acquisition and changes in project scope.
- Delays in claims settlement/payment across different Government employers has resulted into severe liquidity issues for the EPC Companies.

The Company's project execution was severely impacted thereby resulting in the risk of devolvement of bank guarantees by clients, further deepening the liquidity crisis. Also monetization of assets as envisaged under the CDR package is slow. Due to the severe cash crunch and inability of the existing promoters to infuse additional funds the Lenders invoked Strategic Debt Restructuring in the Company pursuant to RBI Circular dated 8thJune, 2015, with reference date as 17th November, 2015. On the invocation of SDR, the lenders converted part of their outstanding loan and interest aggregating to ₹ 277.12 crores into 233,072,637equity shares in the Company was the first to implement SDR successfully.

CORPORATE RESTRUCTURING

The severe liquidity stress exposed the Company to further delays in project execution, and delays in meeting repayment obligations. A critical part of the earlier CDR scheme was monetization of various real estate/ non-core assets so as to realize amounts totaling to INR 2000 crore over a period of time. However, due to the slow down in the ecomony both in India and overseas the Company could not monetize these assets. The Core Civil Engineering, Procurement and Construction (EPC) business and the Transmission and Distribution business of the Company were being severely impacted due to the additional debt burden. Further the Company also faced difficulties in attracting strategic Investors to invest in the Company.

With a view to improve the overall functioning of the Company, and to ensure investment by strategic investors in core businesses to ensure their sustainance and growth it was decided to restructure the businesses by carving out the transmission and distribution business and the Civil EPC Business together with all the assets and liabilities including the CDR Debt pertaining to each of these businesse into separate entities. The carve out will ensure the right sizing of debt in the core EPC and T&D entities allowing creation of maximum value for the existing stake holders.

The rationale and objective of the restructuring inter-alia includes:

- i. To create sector focused companies
- ii. To enable investments by strategic investor
- iii. De-risk businesses from each other
- iv. Deleverage balance sheet of the company
- v. Maintain the PQs including profitability and net worth criteria for bidding in new projects
- vi. Fulfil its debt servicing obligation as per the CDR repayment schedule
- vii. Expedite sale of non-core assets in a phased and more focused manner

A. CARVE OUT OF THE TRANSMISSION AND DISTRIBUTION BUSINESS

The Board of Directors in its meeting held on 27th October, 2015 approved the first phase of transfer of the transmission and distribution business viz; fixed assets pertaining to conductor manufacturing facility at Silvassa and tower fabrication facility (excluding tower testing station) situated at Deoli, Wardha together with the current assets and contracts of the T&D manufacturing division along with proportionate debt aggregating to ₹ 3,580 crores) ("Identified Business") to its then wholly owned subsidiary Transrail Lighting Limited ("TLL") by way of a slump sale on a going concern basis by executing a Business Tranfer Agreement with TLL and for a consideration of ₹ 4,37,25,000 which was discharged by TLL by issue of 2,75,000/- optionally fully convertible debentures of ₹ 159/-. The effective date of the Business Transfer is 1st January, 2016.

Further an Investment cum Shareholders Agreement as duly approved by the Board on 27th October, 2015 was executed with Ajanma Holdings Pvt Limited ("formerly Bilav Software Private Limited") ("Investor") pursuant to which the Investor acquired 75% of the Company's stake in TLL for a consideration of ₹ 2,32,50,000/- and for investing balance of ₹ 47.70 crores by the Investor in TLL, wherein the transmission and distribution business is transferred. The slump sale and the investment by the Investor was approved by the Lenders and also by the shareholders vide a postal ballot on 18th December, 2015.

The Board also approved a Scheme of Arrangement between the Company ("Transferor") and TLL ("Transferee") and their respective shareholders and creditors for transfer of the Transmission and Distribution undertaking of the Company essentially comprising of the engineering, procurement and construction business of the Company in the power transmission and distribution sector, the tower testing facility located at Deoli, manufacturing facilities located at Baroda and Nagpur together with all the pre-qualifications, properties, assets, liabilities, debts, duties and obligations of the T&D Undertaking with appointed date as 1st January, 2016 or such other date as may be approved by the High Court. On approval of the Scheme of Arrangement between Gammon India Limited ("GIL") and Transrail Lighting Limited ("TLL"), TLL will issue 7,25,000 equity shares of ₹ 10 each to GIL against the fair value of the T&D Undertaking. The said Scheme is subject to all necessary approvals .

Post the carve out of the transmission and distribution business into TLL as aforementioned, Gammon will continue to hold 25% of the total equity of TLL.

B. CARVE OUT OF CIVIL EPC BUSINESS

The Board in its meeting held on 21st July, 2016 has approved the carve out of the Civil EPC business to its wholly owned subsidiary "Gammon Engineers and Contractors Private Limited" ("Gammon Engineers") in two phases i.e a part of the the Civil EPC Business of the Company essentially comprising of the Civil Engineering, Procurement and Construction ("EPC") business carried on by the Company in roads, hydro-power, nuclear power, tunnels, bridges, etc. including without limitation the execution capabilities in relation to the Civil EPC Business pertaining to "Identified Contracts" (including all contracts, agreements, licenses, engagements, financial instruments, commitments, other contractual arrangements and warranties thereunder including obligations under contracts which are surviving, relating exclusively to or in connection or forming a part of the Civil EPC Business and which are getting sub-contracted under the slump sale and which will be transferred under a proposed Scheme of Arrangement, (but excluding the Retained EPC Business) ('Identified Business") along with all the assets and properties, whether tangible or intangible, rights, titles, interests, privileges, licenses and all liabilities, debts, obligations of all nature related to the Identified Business by way of a slump sale on a going concern basis with effect from 1st July, 2016.

Accordingly a Business Transfer Agreement was executed on 21st July, 2016 between the Company and Gammon Engineers and Contractors Private Limited. The consideration for transfer of the Civil EPC Undertaking is ₹ 8,05,00,000 (Rupees Eight Crores Five Lakhs only) which will be discharged by Gammon Engineers by issue of 23,00,000 equity shares at a price of ₹ 35/- per share.

The Board in its meeting held on 21st July, 2016 also approved investment by GP Group of Thailand("Investor") into the Company's civil EPC Business wherein GP Group will invest in Gammon Engineers and Contractors Pvt Limited where the EPC Business is proposed to be transferred. Accordingly an Investment cum Shareholders Agreement was executed between the Company, Investor and Gammon Engineers on 21st July, 2016 pursuant to which G P Group will invest ₹ 150 crores into Gammon Engineers in different tranches.

The Board in its meeting held on 21st July also approved a Scheme of Arrangement between the Company ("Transferor Company") and Gammon Engineers and Contractors Private Limited ("Transferee Company") for transfer and vesting of the balance of the Company's Civil EPC Undertaking (as defined in the Scheme) viz; Civil Engineering, Procurement and Construction business carried on by the Company in roads, hydropower, nuclear power, tunnels, bridges, etc. as a going concern, which shall include all the pre-gualifications, properties, rights and powers and all debts, liabilities, duties and obligations comprised in/and pertaining to the Civil EPC business (as defined in the Scheme) into Gammon Engineers against issue and allotment of equity shares by Gammon Engineers to GIL. The appointed date of the Scheme is 1st July, 2016 or such other date as may be approved by the High Court. On approval of the Scheme by the Court, Gammon Engineers will issue 1,18,85,714 fully paid up equity shares of ₹ 10 each to GIL against the fair value of the Civil EPC Undertaking.

The EPC Carve out through slump sale and the Scheme of Arrangement is subject to the approval of the members, lenders, the Court and all other approvals.

Post the restructuring, the Company will continue to hold 25% equity in Gammon Engineers and Contractors Private Limited.

GIL will continue to execute the civil EPC projects it has retained and will monetize its non-core assets comprising of receivables, loans and advances, real estate, investments in subsidiaries and claims. The Company is looking to develop the sizeable landbank as also monetize its various assets and investments to repay its balance debts while exploring various business opportunities in the infrastructure sector. GIL will continue to hold 25% stake in EPC and T&D businesses post carve out. The Company expects that post carve out the businesses will be viable and have potential for growth. Further almost 80% of the Lenders exposure in the Company will be transferred to the new entities post the carve out, thereby ensuring stability of the Company. Pursuant to the invocation of the SDR in the Company, a change of management will have to be effected in Gammon within 18 months from the reference date.

MANAGING RISKS AND SYSTEMS

The Company's Risk Management policy framework aims to mitigate risks and is reviewed periodically in the face of new challenges. At Gammon India, some of the major risks facing our enterprise include timely collections to meet liquidity issues, meeting payment obligations, timely completion of projects in hostile conditions, high working capital requirements, changing labour regulations, price variations, litigations, settlement of claims, employee attrition and so on. In an increasingly challenging and competitive business climate, the Company is taking a pragmatic view of all these risks and is leveraging historical data and variance analysis to counter and offset the negative impact of these risks to some extent. The risk framework covers the management's approach and initiatives taken to mitigate a host of business and industry risk by identifying such risks and redefining processes, decision making authorities, authorisation levels, risk and control documentation etc. and reviewing these periodically.

Some of the key risks that the Company manages proactively and the various steps taken to mitigate these are listed here below:

 The Company regularly reviews its business processes to strengthen its project management capabilities, tighten contract management, improve information flow and manpower retentions and enhance client relationship.

In addition, the process of estimation is continuously reviewed with a view to make the bid realistic. This is of special significance in the light of the severe competition prevailing in the industry today which is exerting immense pressure on margins.

 Defaults in payment of running bills and retention money by some clients has put considerable pressure on the working capital requirements of the Company and consequently pushed up financing costs. The Company evaluates client risks and generally seeks payment comfort through instruments such as Letters of Credit and Bank Guarantees, where risk perception is high.

- The Company has in place adequate and comprehensive insurance cover for all its assets, people and projects, to minimise the fallout of unforeseen calamities.
- 4. The Company has inflows and outflows in different currencies related to its projects. In addition, it has foreign currency denominated borrowings. To the extent that the overall position exceeds the natural hedge, the Company has a hedging strategy, for which it is adequately equipped with necessary mandates at the operating level.
- 5. The internal audit department of the Company has in place a comprehensive programme across the Company. The internal controls of the Company are reviewed to detect and minimize the risks of fraud and misreporting. The reports of the internal controls are regularly reviewed by Audit Committee of the Board and their recommendation for better effectiveness implemented. Further, a Centralised Certification Unit (CCU) has been formed under the aegis of the Internal Audit Department, to ensure consistent documentation across the Company's project sites, to minimise site non-compliance with statutory requirements and stipulations and to ensure that site liabilities are recorded in the books of account with timeliness and accuracy.
- The Company has introduced controls through a Management System, striving to either eliminate identified risks altogether, or to reduce the adverse effects of such risks, in the following ways:
 - a. Reorganisation of marketing, bidding and estimation team which enhanced the prequalification, estimation, tender evaluation, formal pre-bid risk assessment and also offered greater commercial oversight on the attractiveness of opportunities and also threats.
 - b. Improved project planning and management by reorganising, involvement of competent and experienced resources, focus on plant utilisation, efficiency and effectiveness, coordination meetings to address cross-functional issues, establishing DOA (Delegation of Authorities) and SOP's (Standard Operating Procedures) and effective utilisation of ERP in decision making process.

- c. Subcontractors selection, performance monitoring and evaluation, improved terms and conditions including performance guarantees (transfer of risk) wherever necessary etc.
- d. Monitoring, periodic review and reporting of applicable statutory and regulatory compliance requirements, strengthening of internal audit function and improved verification process, established work procedures, guidelines, quality assurance methodologies and structured internal disclosures mechanism.
- e. Cash management committee established at the highest management level for streamlined fund allocation.
- f. Monitoring of cost and time over runs, creating sector finance controller position and integrating with execution team has resulted in improved cost effective decision making process, various ratio analysis related to cost facilitate execution team leaders to forecast the project cost/time over run.

Persistent efforts in implementing the mitigation plan will ultimately drive the Company to evolve a mature and sustainable Enterprise Risk Management (ERM) solution. The evolution of ERM will normally follow the path of Compliance, loss minimisation, risk management and measurement, strategic integration to optimisation of returns.

MANAGEMENT SYSTEMS

The Company has established management systems to comply with the applicable requirements, standards and legal requirements, related to quality, occupational health, safety and environment. Through the management system, the Company aims to:

- Assure customers that Gammon India's services will meet their specified requirements
- Ensure that personnel working on-site, members of the public and visitors to the site are adequately protected from risk of injury or illness
- Ensure that appropriate environmental protection measures are implemented on works undertaken within work areas

Our robust management systems ensure that all the operations that directly affect quality, safety and

environment are identified and planned to ensure that they are carried out under planned and controlled conditions. It establishes a framework to identify risks, control risks, assess effectiveness of these controls and improve managementof quality, occupational health and safety (OH&S) and environment. This includes processes to identify, control and review OH&S and environmental risks over which it has control or influence. The process identifies safety controls and environment protection measures that must be put in place to minimise the identified risks.

The controls and measures are developed in consultation with the site personnel and represent the safest and most practical way of carrying out work activity and fulfilling any specific project safety requirements or environmental aspects. The project management team is responsible for the development of such operational control procedures. Existing operational control procedures and method statements are amended or additional procedures issued, as may be necessary, to address changes in the risk portfolio. Similarly, registers of applicable legal requirements are compiled and their compliance tracked on an electronic database centrally accessible by the concerned personnel.

For processes that cannot be measured directly for their acceptance (for instance concreting, welding, complex computer-programs and use of ground anchors etc.), the project head along with the customer, defines the process of qualification of product, i.e. the personnel, workmen and processes of execution. The results of these validations are kept as a record so that it can be referred to at a later stage.

The management system also incorporates provisions for product identification and traceability and to positively indicate the conformance or non-conformance of a product and/or process with regards to inspection and tests performed.

The organisation implements provisions to ensure that all employees of Gammon India shall be made aware on how to respond to an emergency situation. Necessary information in this regard is readily available and posted at appropriate locations in the office and at project sites. The Company conducts emergency drills at regular intervals, at all itspremises, including project sites, with the aim of periodically reviewing its emergency preparedness and response.

The Company monitors conformity to its established benchmarks for process performance. These benchmarks are based on standards required by customers, as well as industry standards. Compliance to requirements of contracts, standards, law, statutes, regulations and other requirements related to projects and OH&S and environment are evaluated periodically by the concerned HODs and project managers. Our leadership and other designated personnel ensure that elements related to the following areas are monitored at pre-defined intervals:

- Significant hazards, environmental aspects and legal requirements
- > Process efficiency
- > Product quality
- > Customer satisfaction
- > Monitoring agency, methods and instruments
- > System compliance

These involve internal audits, management reviews, inspections, tests, calibrations, performance assessments of employees and sub-contractors, audits by external agencies, incident reporting and customer satisfaction surveys. The results of the monitoring, decisions and actions are duly recorded.

INTERNAL CONTROLS

Company believes that sound internal controls and systems are related with the principles of good governance and should be exercised within a framework of proper checks and balances. Accordingly, your Company has devised and implemented such internal control systems as are required in its business processes.

The Company remains committed to ensuring an effective internal control environment that provides assurance on the operations and safeguarding of its assets. The internal controls have been designed to provide assurance with regards to recording and providing reliable financial and operational information, complying with the applicable statutes, safeguarding assets, executing transactions with proper authorisation and ensuring compliance with corporate policies.

At Gammon India, internal audit monitors the Company's internal control environment. Conventional and strong internal audit processes, both at the corporate and project level, ensure concurrent review of the adequacy and effectiveness of internal controls across the Company and the compliance status with laid down systems, policies and procedures. In an ERP environment, authentication of IT security and rights to operate and review are periodically addressed by the internal audit team and observations are submitted to the management on a case-to-case basis.

The internal audit department constitutes of professionally-qualified accountants, management graduates and engineers, located at its Corporate Office and elsewhere in the country, who regularly review the planning and conduct of internal audits of major construction and transmission line project sites. In addition to the in-house team, a firm of Chartered Accountants has been appointed to carry out internal audits of various functional areas at the Head Office.

Your Company's internal audit function has a documented process that is in conformity with ISO quality standards. In addition to the traditional 'postaudit', i.e., a review of historical transactions, your Company has also introduced in its internal audit methodology a concept of 'pre-audit' where a separate Centralised Certification Unit has been established to verify all liabilities that are generated at the site level.

Our audit committee consists of Independent Directors and is headed by experienced professionals. The committee meets periodically to review the auditor's reports and their observations and makes recommendations for adequacy, effectiveness of internal controls and required remedial action, if any, to the Board of Directors for its implementation.

HUMAN RESOURCE POLICY

The Company's Human Resource Policy lays emphasis on recruitment, training and retention of employees. Employee retention has been a problem due to the liquidity crisis in the Company. At Gammon we continue to enhance our HR services to resolve and address employee issues on a continual basis. To create a culture of high performance and constant coaching and feedback, we have aligned the organizational goals with the departmental and individual goals. Goals have been communicated in a cascading method of What - How - When and Where. During the period under review, to enhance employee performance we have introduced a team based incentive scheme wherein the employees will be paid a certain percentage of the overall cash collections, with a purpose of ensuring faster recoveries of receivables as well as regarding employees. The Company's HR policy continues to focus on both onsite as well as offsite training covering various aspects of project execution. Based on periodic reviews on rationalization of employees manpower, the organization has reduced the employee cost. As on 31st March, 2016, the total numbers of employees was 2,885.

HEALTH, SAFETY & ENVIRONMENT

The Company has a well-defined health, safety and environment (HSE) policy which emphasises on safe working conditions and the awareness thereof. Our HSE department is headed by senior personnelof the rank of a General Manager. Moreover, every project has a safety in-charge with dual reporting system, functionally as well as administratively. The corporate level safety head guides them and obtains regular safety reports such as minor injury, lost-time injury and fatality. These are reviewed on a monthly basis with all the department heads and the learning is communicated across the Company. Besides, a comprehensive IMS manual is also maintained at every site which includes the various procedures related to safety.

The Company is proactive on health and safety issues and is certified as per ISO-9001, ISO-14001 and OHSAS-18001. It also embraces well-defined procedures for dealing with safety and health hazards and evaluates hazardous risks before taking up any work. HSE is a critical component in our operations as we strive to create a healthy, safe and energetic work environment, firmly anchored on our '10 safety resolves' that include the following:

- > Acceptance of 'zero deviation' in safety
- Prevention of even a single mistake which could lead to an accident
- Risk Assessments, provision of controls and adequate safety protection
- > Responsibility and accountability in safety
- > Compliance to accident causation theory
- > Detection of large number of SRDs
- Near-miss incident identification, reporting and correction
- > Analysis of first-aid cases and minor injuries
- > Maintaining safe access, egress and working platforms
- Ensuring electrical safety, traffic safety and safety with material handling

Thanks to our stringent levels of compliance with our mandated safety protocols, performance of our safety are well within industry standards. The Company's projects has won several safety awards a few which have been highlighted in the beginning of the report.

CAUTIONARY STATEMENT

Statements made in the Management Discussion & Analysis describing the Company's objectives, projections, estimates, expectations may be 'forwardlooking statements' within the meaning of applicable securities laws and regulations. Actual results could differ from those expressed or implied.

Important factors that could make a difference to the Company's operations include economic conditions affecting demand-supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the government regulations, tax laws and other statutes and other incidental factors.

(₹ in Crore)

DIRECTORS' REPORT

To,

The Members of Gammon India Limited

The Directors have pleasure in presenting their 94th Annual Report together with the Audited Financial Statements of the Company for the 18 months period ended 31st March, 2016.

1. REVIEW OF FINANCIAL & OPERATIONAL PERFORMANCE

| | Standalone | | Consolidated | |
|---|----------------------------------|-------------------------------|----------------------------------|-------------------------------|
| Particulars | 18 months ended 31.03.2016 | 9 months ended 30.09.2014* | 18 months ended 31.03.2016 | 9 months ended 30.09.2014* |

The year under review is an eighteen (18) months period commencing from 1st October, 2014 and ending on 31st March, 2016.

During the period under review the Turnover of the Company on a standalone basis stood at ₹ 6,077 Crores, as compared to ₹ 2,909 crores during the previous 9 month period ended 30th September, 2014. The Company posted a Net Profit after Tax of ₹ 14.64 Crores during the period ended 31st March, 2016, as against a Net profit after Tax of ₹ 67.80 Crores during the previous period ended 30th September, 2014.

On a Consolidated basis, the Turnover of Gammon Group during the period under review stood at ₹ 7,949 Crores as compared to ₹ 3,763 Crores for the previous 9 month period ended 30th September, 2014. The Group posted a Net Loss after Tax of ₹ 502.51 Crores during the period ended 31st March, 2016, as against a Net Loss after Tax of ₹ 775.32 Crores during the previous 9 month period ended 30th September, 2014.

The overall slowdown in the construction industry over the past few years has greatly impacted the Company's performance. The construction industry in India continues to be plagued by inadequate capital, slow and delayed projects, sticky receivables, lack of proper dispute resolution mechanism, slow moving or stalled projects, bureaucratic delays in awarding projects, delays in land acquisition, higher working capital cycles, highly leveraged balance sheets, policy indecisiveness of the previous government which

has adversely affected the construction industry. Almost all the companies in the construction industry have been affected by the slow-down.

The Company has been continuously growing in the past, but due to elongated recessionary pressures after the slowdown in global and Indian economy post FY 2008, the Company has been experiencing reduction in revenues and negative growth in Net Profit. However inspite of the slow down the Company has posted a Net Profit of ₹ 14.64 Crores during the financial year (18 months) ended 31st March, 2016.

The major reasons for the inadequate profits are primarily delay in receiving payments from clients in respect of completed jobs thereby resulting in liquidity crisis leading to increased debt and subsequently higher interest costs which have eroded the profits, delays in project execution primarily due to delay in getting approvals from various authorities and non availability of timely finances, slowdown in the construction industry and aggressive bidding resulting in reduced order booking, increase in outstanding receivables due to non settlement of legitimate claims for works completed, decline in revenues and operating margins, delayed and sticky receivables, delays in land acquisition, approval of design etc. by client, scarcity in availability of labour & materials and other operational issues. The working capital cycle of the Company was also stretched due to non-achievement of milestones and elongated recovery of receivables. Also expansion in the overseas operations in the previous years and slowdown in the European economies largely increased the interest burden on the Company.

The Company has been focusing on realising long pending receivables, arbitration awards and retention moneys. The Company has been successful in recovering certain arbitration claims. The Company is also concentrating on efficient completion and execution of existing projects and has also successfully completed several stalled projects. The receivables from these completed projects are expected to be received in the current financial year. The Company has also been optimizing working capital and establishment costs and is concentrating on faster project execution and priorities have been set with improved systems. The Company is also focusing on reinforcing job selection filters and procedures to ensure positive cash flows and generate quality EBIDTA margins with higher bottom line contribution. Moreover, some prolonged job-related issues are being addressed with speed to close them at the earliest. The Company continues to negotiate with vendors for settlement, improved commercial terms and better credit facility and is in process of arranging additional working capital finance to improve short term liquidity position. The Company is evaluating and exploring various courses of action for raising funds for it's operations, including options for strategic restructuring.

The Company has undertaken several measures for re-structuring the Company's businesses with a view to attract strategic investors, reduce debt levels, derisk the businesses to make them more sustainable and ensure its growth in the interests of all stakeholders. The Company is also taking efforts for disposing of its non-core assets to ensure liquidity in the system.

The Company has outstanding arbitration claims of more than ₹ 5,000 Crores as on 31st March, 2016 and is focusing on recovering these claims. The Company also hopes to recover retention moneys currently outstanding with the clients. Recovery of these long outstanding claims and receivables will ease liquidity pressure.

Also with the various restructuring exercises presently being undertaken by the Company, the operations will be streamlined. As specified above the Company's performance has been greatly affected by external factors. The Company hopes that the various initiatives taken by the present government in reviving the infrastructure and construction sector will give a boost to the Company's efforts in improving its performance. In our efforts to re-structure the business and its operations the Company's lenders have been extending their support. The order book of the Company as on 31st March, 2016 was ₹ 11,000 Crores.

STRATEGIC DEBT RESTRUCTURING ("SDR")

1000

During the FY 2012 and FY 2013, the Company's financial performance suffered on account of slowdown in the economy, delay in award of new projects and project execution delays. The working capital cycle of the Company was also stretched due to non-achievement of milestones and elongated recovery of receivables. Further the Company had also invested in overseas subsidiaries and non-core assets by way of loans and advances or equity. The subdued market conditions could not yield the desired returns on overseas investments and the interest cost on acquisitions added to the Company's financial stress. As a consequence the Company faced difficulties in meeting its obligations to the lenders and referred itself under the aegis of Corporate Debt Restructuring ("CDR") Cell for restructuring of its debt in March, 2013. The final CDR package was approved at the CDR EG meeting held on June 24, 2013. The Master Restructuring Agreement pursuant to the package was signed on September 24, 2013.

However the mounting interest costs and the liquidity crunch continued due to industry wide issues viz;

• Bottlenecks on new infrastructure projects, postponement of investments and new projects in the industrial sector (as Indian manufacturing experienced a slowdown) contributed significantly to this lack of growth.

- Policy paralysis, delayed clearances and poor financial health of infrastructure companies have impacted investments in key infrastructure sectors like roads and power.
- Major construction players are experiencing liquidity crunch because of longer recovery timeframes from their customers and tightening funding norms being employed by institutional financiers.
- Increasing labour costs, commodity prices and aggressive tendering have put pressure on company margins over the past 2-3 years.
- Delays in completion of projects due to delay in approvals, issues relating to land acquisition and changes in project scope.
- Delays in claims settlement/payment across different Government employers has resulted into severe liquidity issues for the EPC Companies.

The Company's project execution was severely impacted thereby resulting in the risk of devolvement of bank guarantees by clients, further deepening the liquidity crisis. Also monetization of assets as envisaged under the CDR package is slow. Due to the severe cash crunch and inability of the existing promoters to infuse additional funds the Lenders invoked Strategic Debt Restructuring ("SDR") in the Company pursuant to RBI Circular dated 8th June, 2015, with reference date as 17th November, 2015. On the invocation of SDR, the lenders converted part of their outstanding loan and interest aggregating to ₹ 277.12 Crores into 233,072,637 equity shares in the Company acquiring 63.07% of the total equity capital. The Company was the first to implement SDR successfully.

CORPORATE RESTRUCTURING

The severe liquidity stress exposed the Company to further delays in project execution and delays in meeting repayment obligations. A critical part of the earlier CDR scheme was monetization of various real estate / non-core assets so as to realize amounts totaling to ₹ 2000 Crores over a period of time. However, due to the slow down in the ecomony both in India and overseas the Company could not monetize these assets. The Core Civil Engineering, Procurement and Construction (EPC) business and the Transmission & Distributions (T&D') business of the Company were being severely impacted due to the additional debt burden. Further the Company also faced difficulties in attracting strategic investors to invest in the Company.

With a view to improve the overall functioning of the Company and to ensure investment by strategic investors in core businesses to ensure their sustainance and growth, it was decided to restructure the businesses by carving out the transmission and distribution business and the Civil EPC Business together with all the assets and liabilities including the CDR Debt pertaining to each of these businesses into separate entities. The carve out will ensure the right sizing of debt in the core EPC and T&D entities allowing creation of maximum value for the existing stakeholders.

The rationale and objective of the restructuring inter-alia includes:

- i. To create sector focused companies;
- ii. To enable investments by strategic investor;
- iii. De-risk businesses from each other;
- iv. Deleverage balance sheet of the company;
- v. Maintain the PQs including profitability and net worth criteria for bidding in new projects;
- vi. Fulfil its debt servicing obligation as per the CDR repayment schedule;
- vii. Expedite sale of non-core assets in a phased and more focused manner.

A. CARVE OUT OF THE TRANSMISSION AND DISTRIBUTION BUSINESS

The Board of Directors in its meeting held on 27th October, 2015 approved the first phase of transfer of the transmission and distribution business viz. fixed assets pertaining to conductor manufacturing facility at Silvassa and tower fabrication facility (excluding tower testing station) situated at Deoli, Wardha together with the current assets and contracts of the T&D manufacturing division along with proportionate debt aggregating to ₹ 3580 crores)("Identified Business") to its then wholly owned subsidiary Transrail Lighting Limited ("TLL"). Accordingly a Business Transfer Agreement was entered into between the Company and Transrail Lighting Limited on 27th October, 2015 for transfer of the Identified Business by way of a slump sale on a "Going Concern Basis" which was further amended on 12th February, 2016, for a consideration of ₹ 4,37,25,000 which was discharged by TLL by issue of 2,75,000/- optionally fully convertible debentures of ₹ 159/- each. The effective date of the Business Transfer is 1st January, 2016.

Further an Investment cum Shareholders Agreement as duly approved by the Board on 27th October, 2015 was executed with Ajanma Holdings Pvt Limited (" formerly Bilav Software Private Limited") ("Investor") pursuant to which the Investor acquired 75% of the Company's stake in TLL for a consideration of ₹ 2,32,50,000/- and for investing balance of ₹ 47.70 Crores by the Investor in TLL, wherein the transmission and distribution business is transferred. The Slump sale and the Investment by the Investor was approved by the Lenders and also by the shareholders vide a postal ballot on 18th December, 2015.

The Board also approved a Scheme of Arrangement between the Company ("Transferor") and TLL ("Transferee") and their respective Shareholders and Creditors for transfer of the Transmission and Distribution undertaking of the Company essentially comprising of the engineering, procurement and construction business of the Company in the power transmission and distribution sector, the tower testing facility located at Deoli, manufacturing facilities located at Baroda and Nagpur together with all the pre-qualifications, properties, assets, liabilities, debts, duties and obligations of the T&D Undertaking with appointed date as 1st January, 2016 or such other date as may be approved by the High Court. On approval of the Scheme of Arrangement between Gammon India Limited ("GIL") and Transrail Lighting Limited ("TLL"), TLL will issue 7,25,000 equity shares of ₹ 10 each to GIL against the fair value of the T&D Undertaking. The said Scheme is subject to all necessary approvals.

Post the carve out of the transmission and distribution business into TLL as aforementioned, Gammon will continue to hold 25% of the total equity of TLL.

B. CARVE OUT OF CIVIL EPC BUSINESS

The Board in its meeting held on 21st July, 2016 has approved the carve out of the Civil EPC business to its wholly owned subsidiary "Gammon Engineers and Contractors Private Limited" ("Gammon Engineers") in two phases i.e a part of the Civil EPC Business of the Company essentially comprising of the Civil Engineering, Procurement and Construction ("EPC") business carried on by the Company in roads, hydro-power, nuclear power, tunnels, bridges, etc including without limitation the execution capabilities in relation to the Civil EPC Business pertaining to "Identified Contracts" (including all contracts, agreements, licenses, engagements, financial instruments, commitments, other contractual arrangements and warranties thereunder including obligations under contracts which are surviving, relating exclusively to or in connection or forming a part of the Civil EPC Business and which are getting sub-contracted under the slump sale and which will be transferred under a proposed Scheme of Arrangement, (but excluding the Retained EPC Business)("Identified Business") along with all the assets and properties, whether tangible or intangible, rights, titles, interests, privileges, licenses and all liabilities, debts, obligations of all nature related to the Identified Business by way of a slump sale on a going concern basis with effect from 1st July, 2016.

Accordingly a Business Transfer Agreement was executed on 21st July, 2016 between the Company and Gammon Engineers and Contractors Private Limited. The consideration for transfer of the Civil EPC Undertaking is ₹ 8,05,00,000 (Rupees Eight Crores Five Lakhs only) which will be discharged by Gammon Engineers by issue of 23,00,000 equity shares at a price of ₹ 35/- per share.

The Board in its meeting held on 21st July, 2016 also approved investment by GP Group of Thailand ("Investor") into the Company's Civil EPC Business wherein GP Group will invest in Gammon Engineers and Contractors Private Limited where the EPC Business is proposed to be transferred. Accordingly an Investment cum Shareholders Agreement was executed between the Company, Investor and Gammon Engineers on 21st July, 2016 pursuant to which G P Group will invest ₹ 150 Crores into Gammon Engineers in different tranches.

The Board in its meeting held on 21st July, 2016 also approved a Scheme of Arrangement between the Company ("Transferor Company") and Gammon Engineers and Contractors Private Limited ("Transferee Company") for transfer and vesting of the balance of the Company's Civil EPC Undertaking (as defined in the Scheme) viz. Civil Engineering, Procurement and Construction business carried on by the Company in roads, hydro-power, nuclear power, tunnels, bridges, etc. as a going concern, which shall include all the pre-qualifications, properties, rights and powers and all debts, liabilities, duties and obligations comprised in/and pertaining to the Civil EPC business (as defined in the Scheme) into Gammon Engineers against issue and allotment of equity shares by Gammon Engineers to GIL. The appointed date of the Scheme is 1st July, 2016 or such other date as may be approved by the High Court. On approval of the Scheme by the Court, Gammon Engineers will issue 1,18,85,714 fully paid up equity shares of ₹ 10 each to GIL against the fair value of the Civil EPC Undertaking.

The EPC Carve out through slump sale and the Scheme of Arrangement is subject to the approval of the members, lenders ,the Court and all other approvals.

Post the restructuring, the Company will continue to hold 25% equity in Gammon Engineers and Contractors Private Limited.

GIL will continue to execute the Civil EPC projects it has retained and will monetize its non-core assets comprising of receivables, loans and advances, real estate, investments in subsidiaries and claims .The Company is looking to develop the sizeable landbank as also monetize its various assets and investments to repay its balance debts while exploring various business opportunities in the infrastructure sector. The Company expects that post carve out, the businesses will be viable and have potential for growth. Further almost 80% of the Lenders exposure in the Company will be transferred to the new entities post the carve out, thereby ensuring stability of the Company.

INFRASTRUCTURE DEVELOPMENT BUSINESS

Gammon Infrastructure Projects Limited (GIPL), the Company's subsidiary is a pan India BOT infrastructure project development company and is engaged in development of infrastructure projects in core sectors such as Roads, Ports, and Power through a multi-segment footprint, significant geographical spread, vast repository of industry experience and technical expertise. GIPL also provide services in other areas of project development such as operations & maintenance and project advisory services.

GIPL posted a total income of ₹ 137,509.79 Lacs on a consolidated basis (₹ 40,847.77 Lacs on a standalone basis) for the 18 month period ended 31st March, 2016. It posted a Net Loss of ₹ 1,693.72 lacs on a consolidated basis (Net Profit of ₹ 5,815.38 lacs on a standalone basis) as on 31st March, 2016.

DIVESTMENT BY GIPL

GIPL signed a Share Purchase Agreement on 27th August, 2015 for divestment of nine project companies (6 road projects and 3 power projects) to a consortium comprising funds managed by Brookfield Asset Management and its affiliates ("Brookfield") and Core Infrastructure India Fund Pte Ltd ("CIIF") (collectively the "Consortium") under the name BIF India Holdings Pte Ltd. ("BIF").

Key terms of the divestment transaction are as follows:

- a. The consideration towards equity comprises of cash consideration of approx. ₹ 192 Crore and a waiver of advances to GIPL of ₹ 285 Crore;
- b. Repayment of inter corporate deposits of approx. ₹ 371 Crore given by GIPL to the divested Project SPVs;
- c. Aggregate cash inflows into GIPL on account of divestment would be approx. ₹ 563 Crore subject to closing adjustments;
- d. Additional cash inflow of upto ₹ 100 Crore may be realized by GIPL upon crystallization of certain milestones in future;
- e. Outstanding liabilities to the tune of ₹ 87 Crore will stand reduced and 75% of past contingent receivable may also be received by GIPL when realized.

The divestment transaction was segregated in two tranches of which the first tranche comprising six project companies out of the total nine project companies has been successfully completed with BIF India Holdings PTE. Ltd. on 29.02.2016. The second tranche of the divestment transaction is yet to be concluded subject to certain condition precedents being fulfilled. Of the six Companies which BIF acquired, five were operational and one was under development. Post the transaction the consolidated debt of GIPL stands reduced from ₹ 3,947 Crore to ₹ 2,229 Crore which is expected to improve the gearing at a consolidated level and make GIPL net cash surplus.

The Board of GIPL on 27th August, 2016 resolved to divest by way of sale, transfer or disposal of part of the equity shareholding held by GIPL in Vizag Seaport Private Limited (VSPL), subsidiary of the Company, to the extent of 50% of Paid up Equity Share Capital of VSPL, to Lastin Infrastructure Projects Limited ('Buyer'), being Affiliate of Lastin Holdings Limited for an aggregate consideration of ₹ 62.50 Crores and upon such other terms and conditions, if any, mutually agreed to by and between GIPL and the said Buyer whereby GIPL would continue to hold balance 24% equity shareholding in VSPL. However, the deal is yet to be consummated.

OVERSEAS SUBSIDIARIES

GROUP SOFINTER

Group Sofinters' consolidated financial statements include the financial statements of Sofinter S.p.A (the parent company) and those of the companies over which it exercises control directly or indirectly, from the date on which control was acquired upto the date on which it ceases. The eighteen (18) month period upto 31st March, 2016 was characterized by a significant upswing in the economic performance of the Group over the previous period largely on account of a significantly higher backlog in AC Boilers S.p.A with signing of three large contracts in Egypt viz South Helwan, Shabab and West Damietta for over Euro 500 Million. Additionally negotiations with the Unions were successfully concluded due to which the manufacturing costs especially in Gioia del colle were reduced. Also global procurement processes were fully implemented leading to cost saving in overall procurement. Consequently, Group Revenues improved to Euro 538 Million during this period vs Euro 127 Million recorded in the 9 months of the previous year. The EBIT was however negative at Euro 20.20 Million vs Negative Euro 20.39 Million in the previous 9 months. This is however due to an extraordinary write off of Euro 21.46 Million in the last quarter of 2014 and otherwise would have significantly been positive during this period.

At the end of March, 2016, the order backlog of the Group was approx. Euro 550 Million which is a backlog of one and half years. In addition, the Group consolidated upon its new operating model with integration of some of the business functions with the aim to exploit synergies, bring in flexibility within the organization to deal with fluctuating volumes and improve cost competitiveness, given the constantly changing market dynamics. The model also featured a timebound relocation of production activities to the low cost countries including the Group's facilities in Romania and other such low cost but quality conscious countries by gradually reducing the production plant near Rome. The impact of all these initiatives have started in 2015 and will be fully realised by 2018.

The Macchi Division engaged in the manufacture of industrial boilers mainly for the oil, gas and petrochemical industry has consolidated its presence as envisaged in the previous year in the shale gas producing countries led by the United States while also growing in its traditional markets. During the 18 month period 31st March, 2016, the Macchi Order intake remained at 250 Million. The sluggish demand for Macchi equipment was largely on account of low crude prices which ultimately impacted the Capex in oil & gas segment which is one of the largest end users of the same.

AC Boilers S.p.A. engaged in EPC of utility power plants had robust order booking during the period especially from the Egypt Market. This helped the Company to clock significantly improved economic results. To overcome fluctuating order bookings and its consequential impact, the Company continued to consolidate on the streamlining measures undertaken by it since 2014 leading to lower per hour costs. The pipeline orders are in excess of Euro 1.5 Billion and it is expected that during 2016 this would translate into new orders of about Euro 250 Million.

Itea S.p.A. the R&D company engaged in flameless pressurized oxycombustion technology had, as reported last year, consolidated its technology leadership position in applications using industrial waste, municipal solid waste and low grade coal and is set to roll these out commercially in the coming year.

Europower S.p.A. which is engaged in the EPC of waste-to-energy plants and their operation and maintenance has successfully ventured outside its traditional market in Italy to neighboring countries in the region. The company continues to improve its revenues and profitability and has an order book of approximately Euro 56 Million.

Franco Tosi Meccanica S.p.A. (In Extraordinary Administration)

The Commissioner in charge of selling the operating business of the Company and thereafter the non-core assets has entered into an Agreement to transfer the operating business to Bruno Presezzi S.p.A in August, 2015, through a bidding process. Consequent upon the disposal, the new owner has returned all the live Bank Guarantees posted by the Company against the Corporate Guarantee of Gammon and taken over the operational projects in Congo. The projects in Nicaragua did not get transferred under the procedure resulting in the devolvement of Euro 17.8 Million Bank guarantees posted by the Company against the Corporate Guarantee of Gammon. With this transfer complete and operational in all respects the Commissioner has obtained the second phase of disposing off the non-core assests of the Company. These comprise primarily appx 60 acres of land in Leganano, Milan and some equipments. Considering the quantum of these assets and the present market situation for disposal of property in Italy no time frame for the sale of the same is fixed. As and when these are sold the proceeds thereof shall be utilized to pay the creditors in order of ranking and the amount, if any remaining after this payment shall be disbursed to the shareholders.

No financial statements of the Company for the year ending December, 2015, are prepared. However a statement of Assets and Liabilities prepared in mid 2015 prior to disposal of the operating business was received from the Commissioner in terms of the procedure. No further updates to this document are available as on the date of this Report.

Campo Puma Oriente S.A.

The 11 operational wells during the eighteen months period ended 31st March, 2016 were producing an average of 750 barrels of oil per day at a per barrel service fee of \$21.50 approx. It was programmed to increase the flow above 2000 barrels during 2014/2015 with timely interventions and enhanced recovery techniques including water injection, acid stimulation artificial lift etc. which entailed capex from both partners as also an upward revision in service fee to approximately \$29 per barrel. However, due to the stringent conditions imposed under the CDR on Gammon, the entire work program has been put on hold. Meanwhile, the well pressures continued to decline and the average monthly production in the first quarter of 2016 is 700 barrels. We are in the process of identifying a strategic partner to remedy the situation apart from pursuing complete divestment of the asset.

SAE POWERLINES, ITALY

SAE Powerlines Milan Italy, an international recognized brand in the T&D market founded in 1926, has progressed positively in the restructuring path during the period. We believe that SAE could be seen again as a further point of strength for your Company with its Engineering and Project Management capabilities, its presence in the T&D market particularly in Africa and, last but not least, its remarkable heritage. SAE is curently executing Transmission line projects in Mozambique, Tanzania, Ghana, Togo and Benin. Current order backlog of SAE is approximately ₹ 300 Cores.

2. DIVIDEND

Though the Company has earned profits during the period ended 31st March, 2016, since it is under a Corporate Debt Restructuring ("CDR") the Directors have not recommended any dividend as it is necessary to conserve resources for meeting payment obligations to lenders .

3. RESERVES

No amount was transferred to the reserves for the period ended 31st March, 2016.

4. FINANCE

During the period under review the Company did not raise any capital from the capital markets either by way of issue of equity shares, ADR/GDR or any debt by way of Debentures. The Company continued to get financial assistance and support from its CDR lenders within the overall facilities sanctioned under the CDR package to meet the working capital requirements.

Further pursuant to a Novation Agreement dated 26th February, 2016 executed with the lenders, debts aggregating to ₹ 3580 Crores (₹ 230 Crores Fund Based and ₹ 3350 Crores of non fund based) are transferred to the Company's associate, Transrail Lighting Limited ("TLL") as part of the slump sale vide a Business Transfer Agreement ("BTA") dated 27th October, 2015 read with First Amendment to BTA dated 12th February, 2016 entered into between the Company and TLL for transfer of part of the Transmission and Distribution undertaking of the Company effective from 1st January, 2016. The CDR Debts of the Company stand reduced to the extent of the debts transferred as part of the aforementioned slump sale.

The Joint Lenders comprising of the CDR lenders and DBS Bank Limited, invoked Strategic Debt Restructuring ("SDR") pursuant to RBI circular dated 8th June, 2015 with reference date as 17^{th} November, 2015. Pursuant to the invocation of SDR, 16 lenders converted part of their outstanding loan and interest aggregating to ₹ 277.12 Crores into 233,072,637 equity shares of the face value of ₹ 2/- each at a price of ₹ 11.89 per equity share (including premium of ₹ 9.89 per equity share) to acquire 63.07 % of the total equity capital of the Company.

| Sr.No | Name of Lenders/ Banks | No. of Shares allotted under SDR | %age to total capital post conversion | Amount of loan converted alongwith interest into equity shares of the Company (₹ in Crore) |
|-------|---------------------------|-------------------------------------|---|---|
| 1. | ICICI Bank | 39,696,547 | 10.74 | 47.20 |
| 2. | Punjab National Bank | 24,209,101 | 6.55 | 28.78 |
| 3. | Allahabad Bank | 19,582,216 | 5.30 | 23.28 |
| 4. | Bank of Baroda | 22,104,507 | 5.98 | 26.28 |
| 5. | Syndicate Bank | 22,696,508 | 6.14 | 26.99 |
| 6. | Oriental Bank of Commerce | 12,389,240 | 3.35 | 14.73 |
| 7. | Union Bank Of India | 5,803,088 | 1.57 | 6.90 |
| 8. | Bank of Maharashtra | 3,635,106 | 0.98 | 4.32 |
| 9. | Central Bank of India | 4,39,017 | 0.12 | 0.52 |
| 10. | Indian Bank | 3,92,490 | 0.11 | 0.47 |
| 11. | Karnataka Bank | 2,48,264 | 0.07 | 0.30 |
| 12. | IDBI Bank | 1,40,53,827 | 3.80 | 16.71 |
| 13. | UCO Bank | 45,21,203 | 1.22 | 5.38 |
| 14. | Canara Bank | 5,28,14,769 | 14.29 | 62.80 |
| 15. | United Bank of India | 63,62,258 | 1.72 | 7.56 |
| 16. | DBS Bank Limited | 41,24,496 | 1.12 | 4.90 |
| | Total | 23,30,72,637 | 63.07 | 277.12 |

Pursuant to the above allotment the paid up capital of the Company is ₹737,694,610 divided into 368,847,305 equity shares of ₹2/- each.

5. DEBENTURES

The Company in its Extra-Ordinary General Meeting held on 26th May, 2015 had approved the issue of 100 Unsecured Zero Coupon Compulsory Convertible Debentures (Zero Coupon "CCDs") of face value of ₹ 10,000,000/- (Rupees one crore) each aggregating to ₹ 100 crores to the Promoter, Promoter group and Affiliate of promoter on private placement basis against the "promoter contribution" of ₹ 100 crores made by them in the Company's CDR package. The Zero Coupon CCDs were convertible into 395,256 equity shares of ₹ 2/- each at a price of ₹ 25.30 (including ₹ 23.30/- premium). However no allotment has been made to the promoters since BSE has not granted its in principle approval for issue and has directed the Company to change the "Relevant Date" with reference to the determination of price of the zero coupon CCD's.

During the period under review Non Convertible Debentures ("NCD"S) held by the lenders aggregating to ₹ 10.57 Crores have been novated/ transferred as part of the CDR debt pursuant to the Novation Agreement dated 26th February, 2016 entered into between the Company, the lenders and Transrail Lighting Limited, such debt being novated as part of the slump sale of part of the Transmission and Distribution Undertaking.

Annual Report as per the Companies (Corporate Social Responsibility Policy) Rules is annexed as **Annexure "H"**.

30.RISK MANAGEMENT POLICY

The Company has structured a Risk Management policy in terms of the SEBI (Listing Obligations and disclosure Requirements), Regulations, 2015. The risk framework covers the management's approach and initiatives taken to mitigate a host of business and industry risks by identifying such risks and redefining processes, decision making authorities, authorisation levels, risk and control documentation etc. and reviewing these periodically and details of the same are set out in the MDA which forms part of the Annual Report.

31.INTERNAL FINANCIAL CONTROLS

Your Company believes that sound internal controls and systems are related to the principle of good governance and should be exercised within a framework of proper checks and balances. Accordingly, your Company has devised and implemented such internal control systems as are required in its business processes. The Company remains committed to ensuring an effective internal control environment that provides assurance on the operations and safeguarding of its assets. The internal controls have been designed to provide assurance with regard to recording and providing reliable financial and operational information, complying with the applicable statutes, safeguarding assets, executing transactions with proper authorization and ensuring compliance with corporate policies.

Internal Audit is that function which monitors the Company's internal control environment. Conventional and strong internal audit processes, both at the corporate and project level ensure concurrent review of the adequacy and effectiveness of internal controls across the Company and the compliance status with laid down systems, policies and procedures. In the ERP environment of the Company, authentication of IT security and rights to operate and view and periodically addressed by the internal audit team and observations are submitted to the management on a case to case basis.

The Internal Audit department is made up of professionally qualified accountants, management graduates & engineers, located at its corporate office and elsewhere in the country, who regularly review the planning and conduct of internal audits of major construction and transmission line sites, In addition to the in-house team, a firm of Chartered Accountants has been appointed to carry out internal audits of various functional areas at the Head Office.

During the year, the internal controls across the Company's business processes were reviewed for adequacy and robustness and documentation was updated as and where required, after discussion with relevant process owners. The mitigation of procedural risks was also reviewed and a document in this behalf was tabled before the Audit Committee and the Board and duly made available to the Company's statutory auditors.

Your Company's Internal Audit function has a documented process which is in conformity with ISO quality standards. In addition to the traditional "post-audit", i.e. a review of historical transactions, your company has also introduced in its Internal Audit methodology a concept of "pre-audit", where a separate Centralised Certification Unit has been established to verify & certify all liabilities that are generated at the site level.

The Audit Committee consists of Independent Directors and is headed by experienced professional. The Committee meets periodically to inter-alia review the Internal Auditor's Reports and their observations and makes recommendations for adequacy, effectiveness of Internal Controls and required remedial action, if any, to the Board of Directors for its implementation.

32.PARTICULARS OF FRAUDS, IF ANY REPORTED UNDER SUB-SECTION (12) OF SECTION 143 OTHER THAN THOSE WHICH ARE REPORTABLE TO THE CENTRAL GOVERNMENT.

No frauds have been reported under sub-section (12) of Section 143 of the Companies Act, 2013.

33.PARTICULARS OF EMPLOYEES

The information required pursuant to Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 is enclosed as **Annexure "I"** to this Report.

34. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS & OUTGO

Pursuant to the provisions of Section 134(3)(m) of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014 the information on conservation of energy, technology absorption and foreign exchange earnings and outgo is enclosed as **Annexure "J"** to this report.

35.SEXUAL HARASSMENT

During the period under review, there were no cases filed pursuant to Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

36.ACKNOWLEDGEMENTS

The Board thanks all its valued customers and various Government, Semi-Government and Local Authorities, Suppliers and other Business Associates. Your Directors appreciate continued support from Banks and Financial Institutions and look forward to their co-operation in the future. Your Directors place on record their appreciation of the dedicated efforts put in by the employees at all levels and wish to thank the Shareholders and all other stakeholders for their unstinted support and co-operation.

For and on behalf of the Board of Directors

Abhijit Rajan Chairman & Managing Director

* Includes 7,25,800 equity shares of ₹ 2/- each held in abeyance.

ii) Shareholding of Promoters

| Sr. No | Category of Shareholders | | No. of Shares held at the beginning of the year [As on 1st October, 2014] | | | s held at th on 31st Mare | e end of the ch, 2016] | % Change during |
|-----------|--|---------------|---|---|---------------|---|---|--------------------|
| | | No. of Shares | % of total Shares of the com- pany | %of Shares Pledged / encumbered to total shares | No. of Shares | % of total Shares of the company | %of Shares Pledged / encumbered to total shares | the year * |
| 1 | Pacific Energy Private Limited | 18013015 | 13.20 | 13.20 | 18013015 | 4.93 | 4.93 | 8.27 |
| 2 | Devyani Estate and Properties Private Limited | 12182805 | 8.93 | 8.93 | 12182805 | 3.33 | 3.33 | 5.6 |
| 3 | Abhijit Rajan | 8172459 | 5.99 | 5.99 | 8172459 | 2.24 | 2.24 | 3.75 |
| 4 | Nikhita Estate Developers Private Limited | 3485420 | 2.55 | 2.55 | 3485420 | 0.95 | 0.95 | 1.6 |
| 5 | Masayor Enterprises Limited | 3086435 | 2.66 | 0.00 | 3086435 | 0.84 | 0.00 | 0.00 |
| 6 | Ellora Organic Industries Private Limited | 2800000 | 2.05 | 2.05 | 2800000 | 0.77 | 0.77 | 1.28 |
| 7 | Jagdish Rajan | 17020 | 0.01 | 0.00 | 17020 | 0.00 | 0.00 | 0.00 |

* During the year under review no further allotment was made to the promoter and promoter group. However, their shareholding has decreased due to further allotment of equity shares made on a preferential basis to the lenders on conversion of their loans into equity shares pursuant to invocation of SDR.

iii) Change in Promoters' Shareholding (please specify, if there is no change)

| Sr. No | Category of Shareholders | Shareholding at the by year | peginning of the | Cumulative Shareholding during the year | | |
|-----------|--|-----------------------------|--|---|--|--|
| | | No. of shares | % of total shares of the company | No. of Shares | % of total shares of the company | |
| 1 | At the beginning of the year | 47757154 | 34.99 | | | |
| | Date wise Increase / Decrease in Promoters Shareholding during the year specifying the reasons for increase / decrease (e.g. allotment /transfer / bonus/ sweat equity etc.):* | | | | | |
| | As on 29 th December, 2015 | | | 47757154 | 16.61 | |
| | As on 9 th March, 2016 | | | 47757154 | 15.59 | |
| | As on 10 th March, 2016 | | | 47757154 | 13.30 | |
| | As on 16 th March, 2016 | | | 47757154 | 13.07 | |
| | At the end of the year | | | 47757154 | 13.07 | |

* Decrease in Shareholding of Promoters is due to issue of shares to Lenders on invocation of Strategic Debt Restructuring (SDR) and conversion of their loans into equity share as per allotments made on aforementioned dates.

Form No. MR-3 SECRETARIAL AUDIT REPORT FOR THE FINANCIAL PERIOD ENDED 31ST MARCH, 2016

[Pursuant to Section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Personnel) Rules, 2014]

To, The Members, Gammon India Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Gammon India Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conduct/statutory compliances and expressing our opinion thereon.

Based on our verification of Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the 18 months period commencing from 1st October, 2014 and ending on 31st March, 2016, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the 18 months period ended 31st March, 2016 according to the provisions of:

- (1) The Companies Act, 2013 (the Act) and the rules made there under;
- (2) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (3) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (4) Foreign Exchange Management Act, 1999 and the rules and regulations made there under;
- (5) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, as amended from time to time;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, as amended from time to time;

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India (SS-1 & SS-2);
- (ii) The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015 (with effect from 1st December, 2015);
- (iii) The Listing Agreements entered into by the Company with BSE Limited (Bombay Stock Exchange) and National Stock Exchange of India Limited (NSE).

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

During the period, all the decisions in the Board Meetings were carried unanimously.

We have relied on the representation made by the Company, its Officers and Reports of the Statutory Auditor for the systems and mechanism framed by the Company for compliances under other Acts, Laws and Regulations applicable to the Company as listed in Annexure II.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that during the audit period there were no specific events/actions having a major bearing on the Company's affairs.

Annexure I

To, The Members The Gammon India Limited

Our report of even date is to be read along with this letter.

- 1. Maintenance of Secretarial record is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
- 2. We have followed the audit practices and process as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in Secretarial records. We believe that the process and practices, we followed provide a reasonable basis for our opinion.
- 3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
- 4. Where ever required, we have obtained Management representation about the Compliance of laws, rules and regulations and happening of events etc.
- 5. The Compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedure on test basis.
- 6. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

GAMMON Builders to the Nation

$\begin{array}{l} Annexure - "D" \\ \text{boards' explanation on auditors qualification on financial statements} \end{array}$

a) Board's explanation on Statutory Auditor's qualifications in their Report on Standalone Financial Statements.

| Relevant Para Nos. of the Auditors' Report on Standalone and Consolidated | Details of Audit Qualification | Board's explanation /remarks |
|--|--|--|
| Clause a of Para 4 | We invite attention to note no 33(c) relating to one of the subsidiaries M/s Franco Tosi Meccanica S.p.A (FTM). As described in the note, the control of the operating/core asset of the said FTM has been transferred to the successful bidder and the Company is entitled only to the surplus arising out of disposal of non-core assets of FTM after paying off all other creditors/liabilities of FTM. The funded and non-funded exposure of the Company to FTM is ₹ 892.19 crores as at 31 st March, 2016 including towards the corporate guarantees issued towards the bank guarantees issued in favour of the said FTM. The management as detailed in the said note is awaiting the details of the surplus arising out of the disposal of the non-core assets and the recovery of the liabilities therefrom. The management expects that the surplus will be adequate to cover the exposure. However in the absence of any indication of the value of the non-core assets or the surplus we are unable to quantify the possible provision towards the exposure of the Company and therefore also the effect on the loss/profit of the Company for the quarter and the period ended 31 st March, 2016. | Based on estimation given by the Commissioner in charge, the management believes the value of non-core assets including land is sufficient to cover external liabilities of FTM as also the exposure of the Group. Accordingly Board has come to the conclusion that no impairment is required for the Company. |
| Clause b of para 4 | We invite attention to note no 32, detailing the recognition of claims during the year ended 31 st March, 2016 in respect of on-going, completed and/ or terminated contracts aggregating to ₹ 1343.97 crores including a further claim of ₹ 300 crores during the quarter ended 31 st March, 2016 but excluding amounts recognised in quarters before September, 2015 of ₹ 313.25 crores based on management estimates of reasonable realisation which were subject matter of our emphasis of matter in our earlier reports. These additional claims are recognised only on the basis of opinion of an expert in the field of claims and arbitration as part of the requirement of the Strategic Debt Restructuring scheme with the lenders. In view of the above-mentioned circumstances and facts we are unable to comment upon the amounts recognised, its realisation and the consequent effect on the financial results of the quarter ended 31 st March, 2016 and the eighteen-month period ended 31 st March, 2016. | The management believes that they have strong case for each of the claims lodged against the client. This has been validated by independent techno legal consultant. The Board therefore has decided to account the claims. |
| Clause c of para 4 | We invite attention to note no. 33(e). As reported by the branch auditors, the exposure of the Company through the Branch in SAE Powerlines Srl, Italy ("SAE"), a subsidiary of the Company and ATSL BV, Netherlands, the holding company of SAE, towards investments, loans, including guarantees towards the acquisition loan taken by the SPV are ₹ 196.84 crores. The Branch has made provision for impairment of investments and Loan aggregating to ₹ 62.52 crores and provision of ₹ 88.29 crores for risk and contingencies for corporate guarantees for acquisition loan of the SPV and thus, the net exposure of the Branch is ₹ 46.03 crores. The Branch has a further net exposure of ₹ 139.48 crores after provision of ₹ 65.57 crores towards receivables due from SAE, which are outstanding for a long time. The Company had carried out a valuation of the business of SAE by an independent valuer in September, 2014, who determined an enterprise value of ₹ 71.34 crores, which however is not updated to cover the present financial position. In the absence of a fresh valuation of the business of SAE and in the absence of a dudited financial Statements of SAE for the period ended 31 st December, 2015, we are unable to comment whether further impairment provision is required with respect to the total net exposure of the Branch of ₹ 185.51 crores in respect of loans, investment and receivables. | The Board is of the opinion that considering the order book position and adequate references and strengths in international markets especially the African and European Markets, the provision made by it for impairment of its investment, loan and trade receivable is adequate. |

| Relevant Para Nos. of the Auditors' Report on Standalone and Consolidated | Details of Audit Qualification | Board's explanation /remarks |
|--|--|--|
| Clause d of para 4 | The Company's Application for managerial remuneration aggregating to ₹ 26.29 crores for the Chairman and Managing Director has been rejected for the accounting years 2012-13 and 9-month period ended December, 2013 and 30 th September, 2014 and for the current eighteen months ended 31 st March, 2016 for want of NOC from the CDR lenders. The MCA has directed to recover the excess remuneration or make an application for waiver. The Company had once again made applications to the Ministry for the aforementioned periods on obtaining the NOC from the CDR Lenders. The Board however on the recommendation of the Nomination and Remuneration Committee has, subject to shareholders approval, decided to seek approval for the Central Government for waiver of excess remuneration paid. Pending the same no adjustments have been made for the amount of ₹ 26.29 crores. In the absence of the final decision of the MCA pursuant to the application being made by the Company we are unable to ascertain the impact on profits on this account for the eighteen-month period ended 31 st March, 2016 (Refer Note 23(a)). | The Board is of opinion that pending NOC from lenders the Central Government had rejected the application for excess remuneration. On receipt of NOC, the Company has once again made application to the Central Government. The Ministry had given an option for applying for waiver of recovery of excess remuneration. Based on recommendation from nomination and remuneration committee, the Board has subject to approval of Shareholders has decided to seek approval for waiver. The management has once again preferred the application to the ministry for review and is hopeful of receiving the approval for payment /waiver and hence no adjustments are made in the financials. |
| Clause e of para 4 | Trade receivables and loans and advances includes an amount of ₹ 355.56 crores in respect of disputes in six projects of the Company and/or its SPVs. The Company is pursuing legal recourse/ negotiations for addressing the disputes in favour of the Company. Pending the conclusion of the matters we are unable to state whether any provisions would be required against the Company's exposure (refer Note 35(iv)). | There are disputes in six projects of the Company. The total exposure against these projects is ₹ 355.56 Crore. The Company is pursuing legal recourse / negotiations for addressing the disputes in favour of the Company and is of the opinion that it has a good case in the matter hence does not require any provision considering the claims of the Company against the Clients. |
| Clause f of para 4 | The Company has given unsecured loans of ₹ 19.83 crores to its joint ventures as a lead partner for which it does not have any prior approval of the members (refer Note 12(vi)). | The Company has granted unsecured loans to its joint ventures, aggregating to ₹ 19.83 crores including the facility provided by the bankers for the purposes of business operation out of the limits of the company. This loan facility is in excess of the limits specified U/s 186 of the Companies Act 2013. The Company will obtain the shareholders consent in the next General Meeting. |
| Clause g of para 4 | We invite attention to note no 11A(f) relating to the decision for sale of 30% interest of Gammon Infrastructure Projects Limited (GIPL) held through two wholly owned subsidiaries and its consequent classification and valuation in these financial statements. The carrying value of the equity interest in GIPL is ₹ 884.41 crores held through the two wholly owned subsidiaries. The current market value based on the traded price as on March 31, 2016 is ₹ 270.25 crores. The management contends that the market price is not indicative of the intrinsic value of GIPL considering that the same is a strategic Investment. However in the absence of a detailed valuation of the intrinsic value of GIPL being carried out by the Management we are unable to comment whether any provision for diminution or impairment in the carrying amount of the equity interest is required. | The market price is not indicative of the intrinsic value of Gammon Infrastructure Projects Limited considering that the same is a strategic Investment and being held for a long period of time. The diminution in the value is temporary in nature and does not require any provision for the same. Based on internal estimation the intrinsic value is above the carrying amount of the investment |

| b) | b) Directors remarks on Audit qualifications in the Auditors Re | eport on Consolidated financial statements |
|----|---|--|
| | | |

j.

| Relevant Para No. of the Auditors' Report | Details of Audit Qualification | Board's explanation /remarks |
|---|---|--|
| Clause a of Para 4 | The accounts of one of the Subsidiaries M/s Franco Tosi Meccanica S.p.A, Italy (FTM) have not been audited since December, 2011 for reasons mentioned in note 1(a.)(ii) which inter-alia covers the application for pre-insolvency composition agreement where the control of the operating/core asset of the said FTM has been transferred to the successful bidder and the Company is entitled only to the surplus arising out of disposal of non-core assets of FTM after paying off all other creditors/liabilities of FTM. In the light of the on-going procedure the Commissioner in charge of the restructuring procedure has not released any financials. The said Subsidiary has not been consolidated in accordance with para 11.b of AS-21-Consolidated Financial Statements as the management contends that considering the status as detailed in the above referred note the Subsidiary operates under severe restrictions, which significantly impairs its ability to transfer funds to its parent. The said Subsidiary has therefore been accounted as per AS-13 – Accounting for Investments. The funded and non-funded exposure of the group to FTM net of eliminations is ₹ 383.09 Crores as at 31 st March, 2016 including towards the corporate guarantees issued towards the bank guarantees issued in favour of the said FTM. Against this the Company has appropriated the prior losses and provision for impairment of goodwill made when the said FTM was being consolidated as provision for diminution in the value of investment in the previous period of ₹ 322. 93 Crores. The management as detailed in the said note is awaiting the details of the surplus arising out of the exposure however in the absence of any indication of the value of the non-core assets or the surplus will be adequate to cover the exposure however in the absence of any indication of the value of the non-core assets or the Group and therefore also the effect on the consolidated loss of the Group for the eighteen month period ended 31 st March, 2016. | Based on estimation given by the Commissioner in charge, the management believes the value of non- core assets including land is sufficient to cover external liabilities of FTM as also the exposure of the Group. Accordingly Board has come to the conclusion that no impairment is required for the Company. |
| Clause b of para 4 | The Company's Application for managerial remuneration aggregating to ₹ 26.29 Crores for the Chairman and Managing Director has been rejected for the accounting years 2012-13 and 9-month period ended December 2013 and 30 th September 2014 and for the current eighteen months ended 31 st March 2016 for want of NOC from the CDR lenders. The MCA has directed to recover the excess remuneration or make an application for waiver. The Company had once again made applications to the Ministry for the aforementioned periods on obtaining the NOC from the CDR Lenders. The Board however on the recommendation of the Nomination and Remuneration Committee has, subject to shareholders approval, decided to seek approval from the Central Government for waiver of excess remuneration paid.Pending the same no adjustments have been made for the amount of ₹ 26.29 Crores. In the absence of the final decision of the MCA pursuant to the application being made by the Company we are unable to ascertain the impact on profits on this account for the eighteen-month period ended 31 st March 2016 (Refer Note 24(i)). Similarly the audit report of Gammon Infrastructure Projects Limited (GIPL) is also qualified for the payment of ₹ 2.04 Crores for the previous period and ₹ 1.84 Crores for the current period to the Managing Director of GIPL, which is in excess of the limits, specified u/s 197 of the Companies Act 2013 read with Schedule V to the Companies Act. The said GIPL proposes to make an application for the waiver for recovery for the same to the ministry of corporate affairs. Subject to the outcome of the application we are unable to ascertain the impact on profits on this account for the eighteen months period ended 31 st March 2016 (Refer Note 24(ii)). | Pending NOC from lenders the Central Government had rejected the application for excess remuneration, paid to the Chairman and Managing Director Mr. Abhijit Rajan. However they had given an option for applying for waiver of recovery of excess remuneration. Based on recommendation from nomination and remuneration committee, the Board has subject to shareholders approval decided to seek approval for waiver. The Company has once again preferred the application for review. The management is hopeful of receiving the approval for /payment waiver and hence no adjustments are made in the financials. GIPL proposes to make an application for the waiver for recovery for the same to the Ministry of Corporate Affairs. |

| Relevant Para No. of the Auditors' Report | Details of Audit Qualification | Board's explanation /remarks |
|---|--|---|
| Clause no.c of para 4 | Trade receivables and loans and advances includes an amount of ₹ 355.56 Crores in respect of disputes in six projects of the Company and/or its SPVs. The Company is pursuing legal recourse/ negotiations for addressing the disputes in favour of the Company. Pending the conclusion of the matters we are unable to state whether any provisions would be required against the Company's exposure (refer Note 16(v)). | There are disputes in six projects of the Company. The total exposure against these projects is ₹ 355.56 Crore. The Company is pursuing legal recourse / negotiations for addressing the disputes in favour of the Company and is of the opinion that it has a good case in the matter hence does not require any provision considering the claims of the Company against the Clients. |
| Clause no.d of para 4 | We invite attention to note No. $1(c)(i)(d)$ relating to the going concern assumption of the Sofinter S.p.A, group, in the unaudited financial statements for the 12 month period ended 31st December 2015. The management of sofinter has not evaluated the going concern assumption while preparing the financials of Sofinter group. The Gammon Group management has represented on the same saying that the going concern assumption is valid for the reasons mentioned in note no $1(c)(i)(d)$. In the absence of any definitive agreements for the identification of the investor and the terms of the agreement we are unable to comment upon the appropriateness of the going concern assumption in the preparation of the financial statements of Sofinter. | Based on the status of negotiation with the potential investor, the Board is confident about the 'Going Concern' status of Sofinter Group. Accordingly, the Company has consolidated the financials of Sofinter Group as an Associate on the basis of 'Going Concern'. |
| Clause e of para 4 | We invite attention to note no 11C (ii) relating to the carrying value of the Goodwill of the equity interest in GIPL of ₹ 58.00 Crores. The market value based on the traded price as on March 31, 2016 is ₹ 270.25 Crores as against the carrying value in the two wholly owned subsidiary of ₹ 884.41 Crores. The management contends that the market price is not indicative of the intrinsic value of GIPL considering that the same is a strategic Investment. However in the absence of a detailed valuation of the intrinsic value of GIPL being carried out by the Management we are unable to comment whether any provision for diminution or impairment in the carrying amount of the goodwill relating to the equity interest of GIPL is required. | The market price is not indicative of the intrinsic value of Gammon Infrastructure Projects Limited considering that the same is a strategic Investment and being held for a long period of time. The diminution in the value is temporary in nature and does not require any provision for the same. Based on internal estimation the intrinsic value is above the carrying amount of the investment. |
| Clause no. f of para 4 | We invite attention to note no 18(g), detailing the recognition of claims during the year ended 31 st March 2016 in respect of on-going, completed and/or terminated contracts aggregating to ₹ 1343.97 Crores but excluding amounts recognised in quarters before September 2015 of ₹ 313.25 Crores based on management estimates of reasonable realisation which were subject matter of our emphasis of matter in our earlier reports. These additional claims are recognised only on the basis of opinion of an expert in the field of claims and arbitration as part of the requirement of the Strategic Debt Restructuring scheme with the lenders. In view of the above-mentioned circumstances and facts we are unable to comment upon the amounts recognised, its realisation and the consequent effect on the financial results of the eighteen-month period ended 31 st March 2016. | The Board believes that they have strong case for each of the claims lodged against the client. This has been validated by independent techno legal consultant. The Board therefore has decided to account the claims. |

| Relevant Para No. of the Auditors' Report | Details of Audit Qualification | Board's explanation /remarks |
|---|--|--|
| Clause no.g of Para 4 | The financial statements of the following material Associate, Subsidiaries and Joint Ventures are based on un-audited management prepared financial statements and have been accounted as such and on which no further audit procedures have been carried out by us as follows. | The audit could not be completed due to various reasons for the above entities. Based on the discussions with the respective managements, we do not |
| | M/s SofinterS.p.A, Italy, a material Associate whose consolidated financial statements reflect the group's share of loss being ₹ 55.43Crores, | foresee any material impacts arising out of audit in the aforesaid financial statements |
| | M/s Campo Puma Oriente S.A, Panama, a Subsidiary of the Company whose financial statements reflect Total Assets of ₹ 361.03 Crores, Revenue of ₹ 53.27 Crores for the period ended 31st December 2015. These financials are signed by one of the Director representing GIL on account of differences between the Group Company and the other Shareholder. There are no audited financial statements after 31st December 2011. | |
| | M/s Ansaldocaldaie Boilers (India) Private Limited a Subsidiary of the Company whose financial statements reflect Total Assets of ₹ 107.24 Crores, Revenue of ₹ 16.38 Crores for the eighteen-month period ended 31st March 2016. | |
| | M/s Gammon Holdings (Mauritius) Limited a Subsidiary of the Company whose financial statements reflect Total Assets of ₹212.27 Crores, Revenue of Rs. Nil for eighteen month period ended 31st March 2016. | |
| | M/s Ansaldocaldie GB Engineering Private Limited, a Joint Venture of the group whose financial statements reflect Total Assets of ₹ 61.15 Crores, Revenue of ₹ 4.57 Crores and Net Cash Flows of ₹ NIL, the groups share in the Total Assets being ₹ 30.58 Crores, Revenue being ₹ 2.28 Crores and Net Cash Flow of ₹ NIL. | |
| | vi. M/s Gammon OJSC Mosmetrostroy, a Joint Venture of the group whose financial statements reflect Total Assets of ₹ 213.04 Crores, Revenue of ₹ 239.63 Crores and Net Cash outflow of ₹ 1.68 Crores for the eighteen-month ended 31 st March 2016, the groups share in the Total Assets being ₹ 108.65 Crores, Revenue being 122.21 Crores and Net Cash outflow of ₹ 0.85 Crores. | |
| | Since the Subsidiaries, Joint Ventures and Associates mentioned above are material, the Assets, Revenue and Cash Flow represented in those financial statements are subject to audit and consequent effect, if any. | |
| Clause h of para 4 | The auditors of one of the Subsidiaries M/s Gammon & Billimoria LLC, Dubai have qualified their audit opinion for the eighteen month period ended 31st March 2016 regarding receivables of AED 2.70 Million (₹ 4.86 Crore) which is due to the Company as a sub-contractor. Since the said Company has back to back terms with the main contractor, the recoverability of the said amounts is dependent on successful outcome of the main contractor's dispute with the client, the auditors are of the opinion that substantial portion of the same should be considered as impaired (Refer Note 16(iv)). | The management of the subsidiary company is confident about the recoverability of the above mentioned amount, and accordingly has not created any provisions for the same. |

Annexure – "E" NOMINATION AND REMUNERATION POLICY

1. PREAMBLE

1000

The Selection and Remuneration Committee ("Committee") of Gammon India Limited ("the Company") was constituted by the Company's Board of Directors on 6th May 2009. The Committee currently comprising of three (3) Independent Directors viz. (1) Mr. C. C. Dayal, (2) Mr. Naval Choudhary & (3) Mrs. Urvashi Saxena. In order to align the duties and responsibilities of the Committee with the provisions of the Companies Act, 2013 and the Listing Agreement, the Board of Directors (the "Board") at its meeting held on 3rd April 2014 renamed the "Selection and Remuneration Committee" as "Nomination and Remuneration Committee" (the "Committee"). The Nomination and Remuneration Committee and this Policy is in compliance with Section 178 of the Companies Act, 2013 read with the applicable rules thereto and in line with the provisions of Clause 49 of the Listing Agreement.

2. DEFINITIONS

- (a) Board means the Board of Directors of Gammon India Limited.
- (b) Committee means the Nomination and Remuneration Committee constituted by the Board of Gammon India Limited.
- (c) Company means Gammon India Limited.
- (d) Key Managerial Personnel means:
- (i) Chief Executive Officer or the Managing Director or the Manager;
- (ii) Company Secretary,
- (iii) Whole-time Director;
- (iv) Chief Financial Officer; and
- (v) such other officer as may be prescribed by the Companies Act, 2013 or the rules made thereunder.
- (e) Senior Management means employees of the Company who are members of the Company's core management team excluding the Board. This would also include all members of management one level below the Executive Directors and all the functional heads.

3. CHARTER

- (a) To identify persons who are qualified to become Directors and who may be appointed in Senior Management as well as devising a policy on Board diversity.
- (b) To lay down criteria for such appointments;
- (c) Recommend to the Board their appointment and renewal; and
- (d) To evaluate performance of every Director including the independent Directors.
- (e) To recommend to the Board remuneration payable to the Directors, Key Managerial Personnel and Senior Management.

4. DUTIES & RESPONSIBILITIES OF THE COMMITTEE

A. Identification of persons qualified to become Directors or occupy senior management positions and devising a policy on Board diversity:

While appointing new director(s) on the Company's Board, Key Managerial Personnel and Senior management the Committee shall implement a process to identify and evaluate suitable candidates in line based on the following guidelines;

- a. Well considered Organogram of the Company must be made and reviewed from time to time so that the vacancy slots, seniority and position in the Company are well defined and clear before the selection process is initiated.
- b. The incumbents must have qualifications and experience in the field that has relevance to the Company's functions and working. The incumbents should have personal attributes such as personality, seniority, articulation, decision making, team building, management skills, leadership skills and ability to participate in meetings with peers and seniors.

GAN

Builders to the Nation

- c. Such appointments may be made after considering recommendations from reliable and knowledgeable sources and/or outcome of a selection process which could be based on Head Hunters' short listings or direct recruitment and advertisements, and/or promotions of the present cadre of managerial personnel.
- d. There should be a proper mix of technical skills, financial acumen and expertise such as in the fields of HR and commercial laws fairly represented at the Board level.
- e. The Managing Director shall report to the Board. The Key Managerial Personnel other than the Managing Director shall report to the Managing Director on day to day operations. However on all the matters, which in the opinion of the Key Managerial Personnel are important and critical or are required to be reported to the Board to comply with the prevailing laws and statutes, the Key Managerial Personnel shall report to the Board.

B. Fixing Remuneration of the Directors and Key Managerial personnel and Senior management

- a. The level and composition of the remuneration should be reasonable and sufficient to attract, retain and motivate the incumbent.
- b. The Committee shall ensure that amount of remuneration is commensurate with the roles assigned to the Directors, Key Managerial Personnel and Senior Management and that the relationship between remuneration and performance is clear and meets appropriate performance benchmarks.
- c. Committee's recommendations to the Board or the Management, as the case may be, must include remuneration based on age, experience and qualification of the incumbent.
- d. Remuneration should have two components, one Fixed and the other Variable. The Fixed Component should be well defined and Variable Component, as far as feasible, should be based on factors such as growth and performance of the Company without considering exceptional items, interest and depreciation and or as my be advised by NRC and decided by the Board. The Board should have full discretion in the matter. Such Variable Component should be based either on the performance of the incumbent and/or the performance/growth of the Company. Contracts should be made in a manner that a deterrent clause is included to restrict employees leaving the organization from joining a competitor.
- e. The balance between the Fixed and Variable component can vary from time to time and from office to office.
- f. Independent Directors and non-Independent Directors may be paid sitting fees for attending meetings of Board and Committee Meetings of which they may be members and commission, if any, within regulatary limits as recommended by the Nomination and Remuneration Committee and approved by the Board.

They may also be entitled to all reasonable expenses incurred for attending Committee, Board and General Meetings.

C. Renewal of Contracts and evaluation of Directors and Senior Personnel

Evaluation process must precede renewal of contracts. Self-evaluation is not recommended. Directors' performance, including that of independent Directors, must be evaluated by the Chairman of the Board who may seek advice from other Board members before making a recommendation.

D. Other duties & responsibilities

The Committee's duties and responsibilities will, inter alia, include the following:

- to make recommendations to the Board concerning any matters relating to the Appointment and Removal of any Director at any time including the suspension or termination of services of an Executive Director as an employee of the Company subject to the provision of the law and their service contract;
- to recommend to the Board the appointment and removal of Senior Management employee based on the criteria mentioned in this Policy.
- □ to recommend a succession plan for the Board and to regularly review the plan;
- □ to review this policy atleast periodically to make suitable changes required either pursuant to any applicable laws or by virtue of any other changes within the Company.

5. COMPOSITION

inge-

- (a) The Committee shall consists of a minimum of three (3) non-executive directors with a majority of them being independent.
- (b) Minimum two (2) members shall constitute a quorum for the Committee meeting.
- (c) Membership of the Committee shall be disclosed in the Annual Report.
- (d) The term of the Committee shall continue unless terminated by the Board.

6. CHAIRMAN

The Chairman of the Committee shall be an Independent Director. In the absence of the Chairman, the Committee members present may nominate any one amongst them as the Chairman of the meeting.

7. COMMITTEE MEETINGS

- (a) The meeting of the Committee shall be held at such regular intervals as may be required.
- (b) The Chairman of the Committee will report to the Board (at the next Board meeting) on the proceedings of each Committee meeting, bringing forward all Committee recommendations requiring Board approval.

8. COMMITTEE MEMBERS' CONFLICT OF INTEREST

A member of the Committee is not entitled to be present when his or her own remuneration is discussed at a meeting or when his or her performance is being evaluated.

9. DUTIES OF THE COMPANY SECRETARY

The Company Secretary shall:

- (a) in coordination with the Chairman of the Committee finalize agenda and arrange for the Committee meetings;
- (b) provide agenda and supporting documents to Committee members sufficiently in advance so as to enable the Committee members to prepare for the meeting;
- (c) circulate minutes of each meeting to Committee members; and
- (d) circulate copies of the minutes of the Committee meeting to the remaining Board members upon request.

Annexure – "F"

FORM NO. AOC-2

(Pursuant to clause (h) of sub-section (3) of section 134 of the Act and Rule 8(2) of the Companies (Accounts) Rules, 2014)

Form for disclosure of particulars of contracts/arrangements entered into by the company with Related parties referred to in sub-section (1) of section 188 of the Companies Act, 2013 including certain arms length transactions under third proviso thereto

1. Details of contracts or arrangements or transactions not at arm's length basis : Nil

Annexure "G" COPORATE SOCIAL RESPONSIBILITY POLICY (CSR) POLICY

1. INTRODUCTION

inger.

Pursuant to the provisions of Section 135 of Companies Act, 2013, the Corporate Social Responsibility (CSR) Rules, 2014 the CSR Committee of Gammon India Limited ("the Company") was constituted by the Board of Directors of the Company at their meeting held on 3rd April, 2014.

The Committee comprises of four directors viz., Mr. Abhijit Rajan , Chairman and Managing Director along with Mr. Chandrahas Dayal, Mr. Naval Choudhary and Ms. Urvashi Saxena, Independent Directors as the members of the Committee. Mr. Chandrahas Dayal is the Chairman of the CSR Committee. However, the Board has power to re-constitute the Committee as and when required from time to time.

2. OBJECTIVE

This Policy has been framed in compliance with Section 135 of the Companies Act, 2013 read along with the applicable rules thereto.

3. CSR VISION

The company's CSR philosophy is to strive towards well being of society and being socially responsible for undertaking various activities including those specified in Schedule VII of the Companies Act, 2013. The Organization functions in society and receives all the resources including manpower from the society itself. Hence it is necessary to give back to the society and become responsible towards the society where it operates. The Company aims at contributing in best possible way towards society and has positive approach for sustainable development of society.

4. SCOPE

This Policy shall apply to all CSR projects/programmes/activities undertaken by the Company in India as per Schedule VII of the Act.

5. DEFINITIONS:

- 1. Corporate Social Responsibility (CSR) means and includes but is not limited to Projects or programs relating to activities specified in Schedule VII to the Companies Act, 2013 ('Act').
- 2. CSR Committee means the Corporate Social Responsibility Committee of the Board referred to in Section 135 of the Act.
- 3. CSR Policy relates to the activities to be undertaken by the Company as specified in Schedule VII to the Act and the expenditure thereon, excluding activities undertaken in normal course of business.
- 4. Net Profit means the net profit of the Company as per its financial statement prepared in accordance with applicable provisions of the Act, but shall not include the following viz; (i) Any profit arising from any overseas branch or branches of the Company, whether operated as a separate company or otherwise and (ii) Any dividend received from other companies in India, which are covered under and complying with the provisions of Section 135 of the Act. Provided that net profit in respect of a financial year for which the relevant financial statements were prepared in accordance with the provisions of the Companies Act, 1956 shall not be required to be re-calculated in accordance with the provisions of the Act.

6. ROLE OF THE CSR COMMITTEE

- a. Formulate and recommend to the Board, a Corporate Social Responsibility Policy in compliance with Section 135 of the Companies Act, 2013.
- b. Identify the activities to be undertaken as per Schedule VII of the Companies Act, 2013.
- c. Institute a transparent monitoring mechanism for implementation of the CSR projects or programs or activities undertaken by the Company.
- d. Recommend the amount of CSR expenditure to be incurred on the earmarked CSR activities.
- e. Monitor the implementation of the CSR Policy from time to time.
- f. Such other functions as the Board may deem fit.

7. ROLE OF THE BOARD

a. After taking into account the recommendations made by the CSR Committee, approve the CSR Policy for the Company

GAM

Builders to the Nation

- b. Ensure that the CSR activities included in this Corporate Social Responsibility Policy are undertaken by the Company.
- c. The Board of the Company may decide to undertake its CSR activities approved by the CSR Committee, through a registered trust or a registered society or a Company established under section 8 of the Act by the company, either singly or along with its holding or subsidiary or associate company, or along with any other company or holding or subsidiary or associate company of such other company, or otherwise provided that –

If such trust, society or company is not established by the company, either singly or along with its holding or subsidiary or associate company, or along with any other company or holding or subsidiary or associate company of such other company, it shall have an established track record of three years in undertaking similar programs or projects/activities;

- d. Ensure that in each financial year the Company spends at least 2% of the average net profits of the company made during the three immediate preceding financial years, calculated in accordance with Section 198 of the Act, in pursuance of its CSR policy.
- e. If the Company fails to spend such amount the Board shall, in its report shall specify the reasons for not spending such amount
- f. Further, while spending the amount earmarked for CSR activities, preference should be given to local areas and areas around the Company where it operates,
- g. As per Section 135 of the Act, specify the reasons for under spending the CSR amount in the Board's Report.

8. CSR ACTIVITIES FOR IMPLEMENTATION:

The CSR Activities would be in accordance with the provisions of Section 135 read together with Schedule VII of the Companies Act, 2013 as below :-

- (a) eradicating hunger, poverty and malnutrition, promoting preventive health care and sanitation [including contribution to the Swach Bharat Kosh promoted by Central Government for promotion of sanitation] and making available safe drinking water:
- (b) promoting education, including special education and employment enhancing vocation skills especially among children, women, elderly, and the differently abled and livelihood enhancement projects;
- (c) promoting gender equality, empowering women, setting up homes and hostels for women and orphans; setting up old age homes, day care centres and such other facilities for senior citizens and measures for reducing inequalities faced by socially and economically backward groups;
- (d) ensuring environmental sustainability, ecological balance, protection of flora and fauna, animal welfare, agroforestry, conservation of natural resources and maintaining quality of soil, air and water;[including clean Ganga fund set-up by the Central Government for rejuvenation of river Ganga]
- (e) protection of national heritage, alt and culture including restoration of buildings and sites of historical importance and works of art; setting up public libraries; promotion and development of traditional arts and handicrafts:
- (f) measures for the benefit of armed forces veterans, war widows and their dependents;
- (g) training to promote rural sports, nationally recognised sports, paralympic sports and Olympic sports;
- (h) contribution to the Prime Minister's National Relief Fund or any other fund set up by the Central Government for socio-economic development and relief and welfare of the Scheduled Caste, the Scheduled Tribes, other backward classes, minorities and women;
- (i) contributions or funds provided to technology incubators located within academic institutions which are approved by the Central Government
- (j) rural development projects.
- (k) slum area development

Apart from the above activities, the Company shall undertake activities as may be specified by the Ministry of Corporate Affairs (MCA) from time to time through any amendments, circulars, notifications, rules thereof

9. CSR MONITORING AND REPORTING FRAMEWORK

In compliance with the Act and to ensure funds spent on CSR Activities are creating the desired impact on the ground a comprehensive Monitoring and Reporting framework has been put in place.

The CSR Committee shall monitor the implementation of the CSR Policy through periodic reviews of the CSR activities.

The Board Report shall consist a section of Annual Report on CSR as per the format prescribed under the Rules

The CSR Policy shall also be displayed on the website of the Company

10.CSR EXPENDITURE

inger.

The CSR activities undertaken in India only shall amount to CSR Expenditure. CSR Expenditure shall include all expenditure including contribution to corpus for CSR activities approved by the Board on the recommendation of the CSR Committee but does not include any expenditure on an item not in conformity or not in line with activities which fall within the purview of Schedule VII of the Act.

11.DISCLOSURE OF THE POLICY

The CSR policy recommended by the CSR Committee and approved by the Board shall be displayed on the Company's website and shall be disclosed in the Board's report as well.

12.CSR REPORTING

The Board Report of a Company shall include an Annual Report on CSR containing particulars specified in Annexure to the CSR Rules as per the prescribed format.

13.FREQUENCY OF MEETINGS

The meetings of the Committee could be held at such periodic intervals as may be required.

14. QUORUM

The quorum of the meetings shall be two members.

15.CHAIRMAN

In the absence of the Chairman, the members of the Committee present at the meeting shall choose one amongst them to act as Chairman.

16.SECRETARY

The Company Secretary of the Company shall act as Secretary of the Committee.

17.MINUTES OF THE COMMITTEE MEETING

Proceedings of all meetings must be prepared and signed by the Chairman of the Committee and tabled at the subsequent Board and Committee meeting.

18.MISCELLEANOUS

This policy shall be updated from time to time, by the Company in accordance with the amendments, if any, to the Companies Act, 2013, rules made thereunder or any other applicable enactment for the time being in force.

Annexure "H" ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY ("CSR") ACTIVITIES

1. A brief outline of the Company's CSR policy, including overview of the projects or programs proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programs

The Company's CSR policy is framed in such a manner to provide a contribution for the betterment of society where it operates, identify and implement the programmes mentioned in the Schedule VII of the Companies Act, 2013. The Policy also defines a monitoring mechanism and delegate powers to the CSR Committee and the Board of Directors for effective implementation of the CSR activities. However, during the 18 months period ended 31st March, 2016, the Company has not undertaken any CSR projects/ programs since the average net profits of the Company stood negative. 2. Composition of the CSR Committee:

The CSR Committee comprises of Mr. Chandrahas Dayal – Non-Executive and Independent Director (Chairman), Mr Abhijit Rajan, Chairman and Managing Director (Member) Mr. Naval Choudhary - Non-Executive and Independent Director (Member) and Ms. Urvashi Saxena - Non-Executive and Independent Director (Member).

3. Average net profit of the Company for the last three financial years:

(₹ in Crore)

| Year | Profit/(loss) |
|--|---------------|
| 1 st January, 2014 to 30 th September, 2014 (9 Months) | 67.80 |
| 1 st April, 2013 to 31 st December, 2013 (9 Months) | (765.91) |
| 2012-13 (12 months) | (445.67) |
| TOTAL | (1143.78) |
| Average | (381.26) |

4. Prescribed CSR Expenditure (two percent, of the amount as in item 3 above): Since the average net profit for the last three financial years stood negative, the Company has not spent any amount on CSR activities for the period from 1st October, 2014 to 31st March, 2016.

5. Details of CSR spent during the financial year

- a. Total amount to be spent for the financial year Not applicable
- b. Amount unspent, if any Not applicable
- c. Manner in which the amount was spent during the financial year:

| (1) | (2) | (3) | (4) | (5) | (6) | (7) | (8) |
|----------|--|--|---|--|---|--|--|
| S. No | CSR Project or activity identified | Sector in which the project is covered | Project or programs (1) Local area or other (2) Specify the state and district where projects or programs were undertaken | Amount outlay (budget) project or programs wise | Amount spent on the projects or programs Subheads (1) Direct expenditure on projects or programs. (2) Overheads | Cumulative expenditure upto the reporting period | Amount spent : Direct or through implementing agency |

*Give details of implementing agency

6. In case Company has failed to spend two percent of the average net profit of the last three financial years or any part thereof, the Company shall provide reasons for not spending such amount:

Not applicable.

Annexure "I" DISCLOSURES PURSUANT TO SECTION 197 OF THE COMPANIES ACT, 2013 READ WITH RULE 5 OF COMPANIES (APPOINTMENT AND REMUNERATION OF MANAGERIAL PERSONNEL), RULES, 2014

1) Ratio of remuneration of each director to median remuneration of employees for the financial period ended 31st March, 2016

| S.No | Name of the Director | Designation | Ratio of Directors remuneration to Median remuneration |
|------|------------------------|---|--|
| 1 | Mr Abhijt Rajan | Chairman and Managing Director | 1:138 |
| 2 | Mr. Digambar Bagde | Deputy Managing Director – T&D Business | 1:29 |
| 3 | Mr Rajul Bhansali | Executive Director – International Operations | 1:18 |
| 4 | Mr Ajit B. Desai | Executive Director & CEO | 1:18 |
| 5 | Mr Chandrahas C. Dayal | Non-Executive and Independent Director | 1:1.3 |
| 6 | Mr.Naval Chouodhary | Non-Executive and Independent Director | 1:1.1 |
| 7 | Mrs. Urvashi Saxena | Non-Executive and Independent Director | 1:1.4 |
| 8 | Mr Jagdish Sheth | Non-Executive and Independent Director | 1:0.5 |
| 9 | Mr. Atul Kumar Shukla | Non-Executive and Independent Director | 1:1.3 |
| 10 | Mr Atul Dayal | Non-Executive and Independent Director | 1:0.1 |

 Percentage increase in remuneration of each director, CFO, CEO, CS and Manager There is no increase in remuneration of Directors and KMP's during the financial period ended 31st March, 2016.

- Percentage increase in median remuneration of employees There was no increase in remuneration of employees during the financial period ended 31st March, 2016.
- No. of permanent employees on rolls of the Company There are 2885 employees as on 31st March 2016 on the rolls of the Company.
- 5) Average percentile increase already made in salaries of employees other than managerial personnel in last financial year and its comparison with the percentile increase in the managerial remuneration Not applicable. Since there is no increase in remuneration of employees during the financial period ended 31st March, 2016.

The Directors Report alongwith the accounts is being sent to the members excluding the aforesaid Annexure. In terms of Section 136 of the Companies Act, 2013 the Annexure is open for inspection at the Registered office of the Company and shareholders interested in obtaining copy of the same may write to the Company Secretary.

Annexure"J" conservation of energy, technology absorption and foreign exchange earnings and outgo

A. Conservation of Energy:

Energy management & conservation is a topic of global concern today. With advancements in technology, it has become lot easier to conserve and manage available energy effectively. Along with previously proposed measures, Company has widened its scope in conserving energy in every possible way by initiating following measures:

- a. Proposing the use of LED Lighting system in place of conventional lighting system in Gammon House.
- b. Installation of occupancy sensors in conference & rest rooms.
- c. Installation of energy efficient equipment (Use of APFC control panels & VFD systems).
- d. Use of Auto Load Sharing System in D.G. plants.
- e. Video-conferencing for training & other purposes at sites & workshops.

B. Technology Absorption:

1. Efforts made towards technology absorption and adaption:

- a. Curved Hoist: The Company has successfully adopted the use of Rack and Pinion Curved Passenger Hoist at our Natural Draft Cooling Tower (NDCT) project. It is the safest one as it is a Positive drive mechanism.
- b. Pile Anchoring of Well at Signature Bridge: The Company has successfully used Reverse Circulation Drill (RCD) mechanism for Pile Anchoring of the well at Signature Bridge project, Delhi. The Company has also used BUMA 1820 RCD to drill Ø1200 mm pile of around 43m depth including 8m in hard rock to anchor the well.
- c. Tunnel Muck Loading: The Company has successfully adopted the technology of Tunnel Mucking system by Tunnel Loader to reduce the mucking time cycle by increasing the productivity. Two numbers of ITC Schaeff 312-H3 Tunnel Loader have been deployed for use at the Bajoli Holi project in the two longest phases, which will help to compress the project schedule substantially.
- d. Tunnel Version of Excavator for small Tunnel excavation: The Company has adopted and used the Tunnel version of Hyd. Excavator for mucking inside HRT. The Company is the first one to use Komatsu PC 130 Tunnel version of excavator with short Boom and Stick for mucking inside HRT of Ø6200mm, at Bajoli Holi HEP.
- e. Tower Crane Anchoring: Flexible Anchoring by Guy Rope arrangement with ground has been successfully done for the Terex Comedil CTT 331 HD23 Tower crane to increase the Free-standing height to 115 m at ISCON, Mayapur project.
- f. Fabrication of Tunnel Formwork: We have successfully fabricated the Steel Formwork of Ø6000 mm Full Round Telescopic type with 12m of Tunnel Shutter with Traveler. It has a special provision for the free movement of locos through the formwork, so that mucking and concreting can be done simultaneously.
- g. Galvanising of Permanent Structure: We have successfully done the In-house Galvanising of the Head Structure Assembly for the Intake well at Vizac Thermal Project.
- h. Passenger & Material Hoist: We have adopted the technology of High speed Man & Material shift for high-rises. We have installed Passenger & Material Hoist with 60 m/min speed for fast men & material shifting.
- i. Luffing Jib Tower Crane: We have adopted the technology of Luffing Jib Tower crane for High-rises and have successfully installed two numbers of 16.0 Ton capacity Luffing Jib Tower crane at Nathani Height, Mumbai.
- j. Re-floating and Grounding of Caisson: We have successfully implemented the principle of Air-Lift De-watering system to refloat the Caisson at Intake Jetty of Vizac Thermal Power project. The Caisson has been successfully lifted up to the required height from sea bed by the above said technique and towed to the desired location for grounding the same.
- k. High strength mass concrete: Successfully designed high strength mass concrete for vertical pumping upto 170m while controlling the max. core temperature of concrete.
- I. To design and fabricate single side climbing formwork for parabolic dome having 54-20 m dia: On completion of SS lining of huge parabolic dome with 54m base dia. and 30m height we require to cover it with 200mm thick RC concrete from outer face. To construct the shell we require to develop a mechanism which can provide construction ease and safety for workmen. We have developed our own concept to meet the requirement of construction. MS Strong back with self-occupied working platform and mason platform was designed to concrete 1.2m lift. Climbing formwork has been anchored to earlier set RCC by using retrievable anchor cone.

2. Benefits derived as a result of the above efforts

- 1. Reduction in cost and better quality product
- 2. Faster progress implying earlier completion of projects
- 3. Efficiency improved
- 4. Enhancement of quality

3. Innovation

Through efforts in innovation, Company has focused on following ideas:

- 1. Cost reduction through value engineering
- 2. Adopting new concepts for construction
- 3. Improving self-reliance through indigenous designs
- 4. Faster progress of projects.

C. Research and Development (R & D):

Increasing focus on developing infrastructure in the country has opened up many opportunities for the construction companies. To rise up to the challenge of completing huge quantum of work in a short time, we have to back up the onsite teams with continual improvement in construction technology.

In the continued difficult economic conditions, cost reductions and early completion of projects remains high on the agenda. The opportunities for economizing structural designs, improving productivity, reducing wastage and adopting better construction practices are the main areas of focus for research and technology this year. Focus on optimizing cement content by improving the quality standards and use of supplementary cementitious material with an aim of improving durability and reducing carbon footprint is the prime area of current research.

The ultimate aim of the R&D undertaken is to achieve reduction in cost and time of construction.

Current R&D projects undertaken are:

- a. Use of Iron & Copper Slag as replacement of sand in concrete
- b. Design low cost Self compacting concrete upto M35 grade
- c. To design concrete with high durability
- d. To design and fabricate single side climbing formwork for parabolic dome having 54-20 media.
- e. To design and fabricate step frame and cantilever trusses for construction of 4.5 m cantilever floor at height of 120 m

D. Foreign Exchange earnings and outgo:

Total foreign exchange used and earned during the year.

(₹ in Crore)

| | Current Period | Previous Period |
|---------------------------|----------------|-----------------|
| Foreign Exchange Earnings | 327.48 | 145.97 |
| Foreign Exchange Outgo | 115.25 | 113.04 |

CORPORATE GOVERNANCE REPORT

In compliance with Clause 49 of the Listing Agreement and Regulation 34 (3) and Part C of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), we furnish below the Corporate Governance Report for the 18 months period ended 31st March, 2016.

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

The Company's philosophy on Corporate Governance envisages accountability, responsibility and transparency in the conduct of the Company's business and its affairs and accordingly lays great emphasis on regulatory compliances. The Company firmly believes that Corporate Governance is a powerful tool to sub-serve the long term growth of the Company and continues to give priority to the principles and practices of Corporate Governance and has accordingly benchmarked its practices with the existing guidelines of Corporate Governance as laid down in the Listing Agreement and SEBI Listing Regulations.

2. BOARD OF DIRECTORS ('Board')

(a) Composition

The Company has an optimum combination of Executive and Non-Executive Directors including one Woman Director and is in conformity with the provisions of the Companies Act, 2013 and Regulation 17 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, to maintain the independence of the Board and to separate the Board functions of governance and management.

As on 31st March, 2016, the Board of Directors comprises of 10 (ten) directors which includes a Chairman and Managing Director (Executive), 3 (three) Executive Directors and 6 (six) Non-Executive Independent Directors including one Woman Director. All the members of the Board are persons with considerable experience and expertise in industry, finance, management and law.

The Chairman and Managing Director provides leadership to the Board and to the Management in strategising and realising business objectives and is supported by the Executive Directors. The Independent Directors contribute by giving their valuable guidance and inputs with their independent judgment on the overall business strategies and performance.

None of the Directors on the Board is a Member of more than 10 (ten) Committees and Chairman of more than 5 (five) Committees (as specified in Regulation 26 (1) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, across all the Companies in which he / she is a Director as per the disclosures made by all the Directors.

None of the Independent Directors on the Board serve as an Independent Director in more than 7 (seven) listed companies and none of the Whole time Directors on the Board serve as an Independent Director in more than 3 (three) listed companies.

(b) Changes in Board Composition

During the period 1st October, 2014 to 31st March, 2016, Mr. Rajul Bhansali was re-appointed as an Executive Director -International Operations with effect from 30th March, 2015 and Mr. Ajit B. Desai was appointed as Executive Director and CEO effective from 18th December, 2014.

(c) Board Meetings

The Board meets at least once in each quarter *inter-alia*, to review the quarterly financial results. The gap between two consecutive meetings is less than 120 days. In addition, the Board also meets whenever necessary. The Board periodically reviews compliance reports of all laws applicable to the Company. Steps are taken by the Company to rectify instances of non-compliances.

During the 18 (eighteen) months period under review, the Company held 16 (sixteen) Board Meetings on 5th December, 2014, 18th December, 2014, 11th February, 2015, 13th February, 2015, 27th April, 2015, 14th May, 2015, 25th June, 2015, 14th August, 2015, 27th August, 2015, 27th October, 2015, 17th November, 2015, 17th December, 2015, 18th December, 20th December, 20th December, 20th December, 20th De

(d) Directors' Attendance Record and Directorships held

The names and categories of the Directors on the Board, their attendance at Board Meetings during the 18 (eighteen) months period and at the last Annual General Meeting, also the number of directorships and committee memberships held by them in other Companies are given below:

* Chairmanship / Membership of Audit Committee and Stakeholders Relationship Committee has been considered.

** Excludes Private Limited companies, Foreign Companies and Companies registered under Section 8 of Companies Act, 2013.

Mr. Chandrahas C. Dayal and Mr. Atul Dayal are related to each other.

(e) Information to the Board

The Board meetings are held at the registered office of the Company. Agenda of the business to be transacted at each meeting is given to the Board in advance together with relevant information and explanations. The Board deliberates on every matter placed before it before arriving at a decision / approving matters placed before it. The Company Secretary conveys the decisions of the Board to the Senior Management to initiate action. The information as required under Part A of Schedule II of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 is being made available to the Board. The Company did not have any pecuniary relationship or transactions with Non-Executive Directors during the period under review.

(f) Familiarization Program for the Independent Directors

The Company has in place a system to familiarize its Independent Directors with the operations of the Company, their roles, rights, responsibilities in the Company, nature of the industry in which the Company operates, business model of the Company, etc. No new Independent Director was appointed during the period.

All the Independent Directors are updated about the ongoing events and developments relating to the Company from time to time either through presentations at board or committee meetings or through inhouse journals.

Several sessions and programs were conducted for the Independent Directors where the senior management team of the Company updated the Directors on the industry scenario, project updates and systems and processes within the Company. Details of the familiarization programmes are available on the Company's website on <u>www.gammonindia.com</u> under the Investors Section.

3. BOARD COMMITTEES

In compliance with the requirements of the Companies Act, 2013, the Listing Agreement and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board constituted / reconstituted the following committees:

(i) Audit Committee (ii) Stakeholders Relationship Committee (iii) Nomination & Remuneration Committee (iv) Corporate Social Responsibility Committee (v) Review Committee of Independent Directors (vi) Securities Allotment Committee.

The Board determines the constitution of the committees and the terms of reference for committee members including their roles and responsibilities.

(A) Mandatory Committees

(i) Audit Committee

Composition

(1) Mr. Chandrahas C. Dayal (Chairman), (2) Ms. Urvashi Saxena, (3) Mr. Naval Choudhary and (4) Mr. Atul Kumar Shukla.

All the members of the Audit Committee are financially literate and have accounting related / financial management expertise.

Ms. Gita G. Bade - Company Secretary acts as Secretary to the Committee.

Terms of reference

The terms of reference of the Audit Committee which are consistent with Section 177 of the Companies Act, 2013 and Regulation 18 read with Part C of Schedule II of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 are broadly as follows:

- a) Overseeing of the Company's financial reporting process and the disclosure of its financial information to ensure that the financial statement is correct, sufficient and credible.
- b) Recommending to the Board the appointment, re-appointment and removal of statutory auditors, cost auditors, branch auditors, secretarial auditors and fixation of their remuneration.
- c) Approving the payments to statutory auditors for any other services rendered by them.
- d) Reviewing with management the annual financial statements and auditor's report before submission to the Board for approval, focusing primarily on:
 - Matters required to be included in the Director's Responsibility statement to be included in the Board Report in terms of clause (c) of sub-section 3 of Section 134 of the Companies Act, 2013;
 - Any changes in accounting policies and practices and reasons for the same;
 - Major accounting entries involving estimates based on exercise of judgments by management;
 - modified opinion(s) in draft audit report;
 - Significant adjustments made in the financial statements arising out of audit;
 - The going concern assumption;
 - Compliance with accounting standards;
 - Compliance with listing and legal requirements concerning financial statements;
 - All related party transactions i.e., transactions of the Company of material nature, with promoters or the management, their subsidiaries or relatives etc.
- e) Reviewing with the management, statutory and internal auditors, internal financial controls and risk management system.
- f) Reviewing with the management, the statement of uses / application of funds raised through an issue (public issue, rights issue, preferential issue, etc.), the statement of funds utilized for purposes other than those stated in the offer document/prospectus / notice and the report submitted by the monitoring agency for monitoring the utilization of proceeds of a public or rights issue, and making appropriate recommendations to the Board.
- g) Reviewing with the management the quarterly and half yearly financial results before submission to the Board for approval.
- h) Reviewing the adequacy of internal audit functions, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit.

- i) Scrutinizing of the inter corporate loans & investments.
- j) Discussion with Internal Auditors, any significant findings and follow up thereon.
- k) Reviewing the findings of any internal investigations by the Internal Auditors into matters where there is suspected fraud or irregularity or a failure of internal control systems of a material nature and reporting the matter to the Board.
- I) Approval or any subsequent modification of transactions of the Company with related parties.
- m) To look into reasons for substantial defaults in the payment to the depositors, debenture holders, shareholders (in case of nonpayment of declared dividends) and creditors.
- n) Review and monitor the auditor's independence and performance and effectiveness of audit processes.
- o) To review the functioning of the Whistle Blower and Vigil mechanism.
- p) Valuation of undertaking or assets of the Company where ever it is necessary.
- q) Approval of appointment of CFO (i.e. the whole-time Finance Director or any other person heading the finance function or discharging that function) after assessing the qualifications, experience and background, etc. of the candidate.
- r) All such other functions as may be specified from time to time.

The aforesaid resolution was passed with requisite majority on 18th December, 2015.

Mr. V. V. Chakradeo of M/s. V. V. Chakradeo & Co., Company Secretaries was appointed as the Scrutinizer for conducting the Postal Ballot process.

Procedure for Conducting Postal Ballot

After receiving the approval of the Board of Directors and consent of the scrutinizer, notice of the Postal Ballot containing text of the Resolution and Explanatory Statement to be passed through postal ballot, Postal ballot Form and self-addressed postage pre-paid envelopes are sent to the shareholders to enable them to consider and vote for or against the proposal within a period of 30 days from the date of dispatch. The Company also provides e-voting facility to enable the shareholders to cast their vote by electronic means. A notice is also published in the newspapers regarding dispatch of Postal Ballot notices. After the last date of receipt of ballots, the Scrutinizer, after due verification, submits the results to the Chairman / Executive Director. Thereafter, the Chairman / Executive Director declares the result of the postal ballot. The same along with the Scrutinizer's Report is submitted to the Stock Exchanges and also displayed on the website of the Company and Depository participant.

6. OTHER DISCLOSURES

i. Other than transactions entered into in the normal course of business for which necessary approvals are taken and disclosures made, the Company has not entered into any materially significant related party transactions i.e. transactions of material nature,

with its Promoters, Directors or the Management, their subsidiaries or relatives etc. that may have potential conflict with the interest of the Company at large. However the Company has annexed to the accounts a list of all related parties as per the Companies Act, 2013 and Accounting Standard 18 and the transactions entered into with them.

ii. The Stock Exchanges (i.e. NSE & BSE) levied and the Company paid penalties as follows for non- compliance with the provisions of Clause 41 of the Listing Agreement and Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

| | | · · · · · · · · · · · · · · · · · · · |
|---|-----------|---------------------------------------|
| Financial Year | NSE | BSE |
| During the 9 (nine) months period 1 st April, 2013 to 31 st December, 2013. | 75,000 | 84,270 |
| During the 9 (nine) months period 1 st January, 2014 to 30 th September, 2014. | 20,000 | Nil |
| During the 18 (eighteen) months period 1 st October, 2014 to 31 st March, 2016. | 12,70,995 | 12,55,779 |
| Total | 13,65,995 | 13,40,049 |

Save as mentioned above no other penalties / strictures have been imposed on the Company by SEBI or any other Statutory Authority on any matter related to capital markets, during the last three years.

- iii) A qualified practicing Company Secretary conducts Share Capital Reconciliation Audit to reconcile the total admitted capital with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) along with shares held in physical form and the total issued and listed capital. The Share Capital Reconciliation Audit Report confirms that the total issued/ paid-up capital is in agreement with the total number of shares in physical form and the total number of dematerialized shares held with NSDL and CDSL.
- iv. The Chairman and Managing Director and the Chief Financial Officer have certified to the Board in accordance with Regulation 17 (8) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 pertaining to CEO / CFO Certification for the period ended 31st March, 2016.
- v. The Company has structured a Risk Management policy in terms of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015. The risk framework covers the management's approach and initiatives taken to mitigate a host of business and industry risk by identifying such risks and redefining processes, decision making authorities, authorisation levels, risk and control documentation etc. and reviewing these periodically and details of the same are set out in the MDA which forms part of the Annual Report.
- vi. Pursuant to the SEBI (Prohibition of Insider Trading), Regulations, 2015 for curbing insider trading in securities by insiders of the Company, the Board in its meeting held on 14th May, 2015 adopted the Insider Trading Code for Regulating, Monitoring and Reporting of Trading by Directors, Officers and Specified Persons. The Company Secretary Ms. Gita G Bade is the Compliance Officer for ensuring compliance with the provisions of the Code.
- vii. The Company is striving to adopt the discretionary requirements set out in Part E of Schedule II of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 to enhance Corporate Governance.

7. MEANS OF COMMUNICATION

- (a) Financial Results: As required under the Listing Agreement and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, Quarterly and Half-Yearly Results of the Company and the Annual Audited accounts are published within the prescribed time. The financial results are published in two newspapers viz. Free Press Journal and Navshakti and also uploaded on the Company's website.
- (b) News Releases, Presentations etc.: Official news releases, and all communications to Stock Exchanges are displayed on the Company's website viz. <u>www.gammonindia.com</u>. Official announcements are sent to the Stock Exchanges through online portals.
- (c) Website: The Company's corporate website <u>www.gammonindia.com</u> provides information about the Company's business.

(Amount.in ₹)

(d) Annual Report: Annual Report containing, *inter alia*, Audited Annual Accounts, Consolidated Financial Statements, Directors' Report, Auditors' Report and other important information including Corporate Governance Report and the Management Discussion and Analysis (MD&A) Report which forms part of the Annual Report is circulated to the members and uploaded on the Company's website.

8. MANDATORY REQUIREMENTS

The Company has complied with the mandatory requirements of Regulation 27 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 relating to Corporate Governance.

9. NON-MANDATORY REQUIREMENTS

Subsidiary Monitoring Framework

All Subsidiaries of the Company are managed with their Boards having the rights and obligations to manage such Companies in the best interest of their stakeholders. As a majority shareholder, the Company has nominated its representatives on the Boards of Subsidiary Companies and also one Independent Director on the Board of each of its material unlisted subsidiaries to monitor the performance of such Companies, *inter alia*, by means of taking Consolidated Accounts and including all items of the subsidiaries as required under Section 129 of the Companies Act, 2013, except the items which are exempted by the Ministry of Corporate Affairs.

18. DISCLOSURE REGARDING COMPLIANCE WITH CORPORATE GOVERNANCE

The disclosures regarding compliance with Corporate Governance requirements as specified in Regulations 17 to 27 and clauses (b) to (i) of sub-regulation (2) of the Regulation 46 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 have been made in the Corporate Governance Report. Company has obtained Certificate from M/s. V. V. Chakradeo & Co. Practising Company Secretary (COP - 1705) regarding compliance with the conditions of Corporate Governance and which is annexed to this Report.

DECLARATION BY THE CEO UNDER REGULATION 26(3) READ WITH SCHEDULE V OF THE SECURITIES AND EXCHANGE BOARD OF INDIA (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015.

I, Mr. Ajit B. Desai - Executive Director and CEO of Gammon India Limited, hereby declare that the Board of Directors and Senior Management Personnel have affirmed compliance with the Code of Conduct of the Company applicable to them for the 18 (eighteen) months period ended 31st March, 2016.

For **GAMMON INDIA LIMITED**

Mumbai, July 21, 2016

AJIT B. DESAI EXECUTIVE DIRECTOR & CHIEF EXECUTIVE OFFICER

CERTIFICATE OF PRACTICING COMPANY SECRETARY ON CORPORATE GOVERNANCE

To, The Members of Gammon India Ltd.

We have examined the compliance of conditions of Corporate Governance by Gammon India Ltd. ('the Company'), for the 18 (Eighteen) months period ended on 31st March, 2016, as stipulated in Clause 49 of the Listing Agreement entered in to by the Company with the Stock Exchanges and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination has been limited to a review of the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of Corporate Governance. It is neither an audit nor an expression of an opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Clause 49 of the Listing Agreement and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

For V. V. Chakradeo & Co., Company Secretary

> V. V. Chakradeo COP 1705

Mumbai, July 21, 2016

INDEPENDENT AUDITORS' REPORT

To The members of **Gammon India Limited**

1000

1. Report on Financial Statements

We have audited the accompanying Financial Statements of Gammon India Limited ("the Company"), which comprises of the Balance sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the period October 01, 2014 to March 31, 2016 ("Period"), and a summary of significant accounting policies and other explanatory notes.

We did not audit the financial statement of Gammon India Limited – Nagpur Branch that incorporates the financial results of the overseas branches at Algeria, Nigeria, Bhutan, Afghanistan, Ethiopia, Rwanda, Yemen & Italy. The financial statements of the Nagpur Branch include total assets of Rs. 1118.29 crores and total revenues of Rs. 1277.63 crores for the eighteen-month period ended 31st March 2016. The financial information of the aforesaid branch has been audited by the Branch Auditors whose report has been received by us. Our conclusion so far as transactions of the said Branches are concerned, is based solely on the Auditors' Report of the Branch Auditor.

2. Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control . An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

4. Basis of Qualified Opinion

a. We invite attention to note no 33(c) relating to one of the subsidiaries M/s Franco Tosi Meccanica S.p.A (FTM). As described in the note, the control of the operating/core asset of the said FTM has been transferred to the successful bidder and the Company is entitled only to the surplus arising out of disposal of non-core assets of FTM after paying off all other creditors/liabilities of FTM. The funded and non-funded exposure of the Company to FTM is Rs. 892.19 crores as at 31st March 2016 including towards the corporate guarantees issued towards the bank guarantees issued in favour of the said FTM. The management as detailed in the said note is awaiting the details of the surplus arising out of the surplus will be adequate to cover the exposure however in the absence

of any indication of the value of the non-core assets or the surplus we are unable to quantify the possible provision towards the exposure of the Company and therefore also the effect on the loss/profit of the Company for the quarter and the period ended 31st March 2016.

- b. We invite attention to note no 32, detailing the recognition of claims during the year ended 31st March 2016 in respect of ongoing, completed and/or terminated contracts aggregating to Rs. 1343.97 crores including a further claim of Rs. 300 crores during the quarter ended 31st March 2016 but excluding amounts recognised in quarters before September 2015 of Rs. 313.25 based on management estimates of reasonable realisation which were subject matter of our emphasis of matter in our earlier reports. These additional claims are recognised only on the basis of opinion of an expert in the field of claims and arbitration as part of the requirement of the Strategic Debt Restructuring scheme with the lenders. In view of the above-mentioned circumstances and facts we are unable to comment upon the amounts recognised, its realisation and the consequent effect on the financial results of the quarter ended 31st March 2016 and the eighteen-month period ended 31st March 2016.
- c. We invite attention to note no 33(e), As reported by the branch auditors, the exposure of the Company through the Branch in SAE Powerlines Srl, Italy ("SAE"), a subsidiary of the Company and ATSL BV, Netherlands, the holding company of SAE, towards investments, loans, including guarantees towards the acquisition loan taken by the SPV are Rs. 196.84 crores. The Branch has made provision for impairment of investments and Loan aggregating to Rs. 62.52 crores and provision of Rs. 88.29 crores for risk and contingencies for corporate guarantees for acquisition loan of the SPV and thus, the net exposure of the Branch is Rs. 46.03 crores. The Branch has a further net exposure of Rs. 139.48 crores after provision of Rs. 65.57 crores towards receivables due from SAE, which are outstanding for a long time. The Company had carried out a valuation of the business of SAE by an independent valuer in September, 2014, who determined an enterprise value of Rs. 71.34 crores, which however is not updated to cover the present financial position. In the absence of a fresh valuation of the business of SAE and in the absence of audited financial Statements of SAE for the period ended 31st December 2015, we are unable to comment whether further impairment provision is required with respect to the total net exposure of the Branch of Rs. 185.51 crores in respect of loans, investment and receivables.
- d. The Company's Application for managerial remuneration aggregating to Rs. 26.29 crores for the Chairman and Managing Director has been rejected for the accounting years 2012-13 and 9-month period ended December 2013 and 30th September 2014 and for the current eighteen months ended 31st March 2016 for want of NOC from the CDR lenders. The MCA has directed to recover the excess remuneration or make an application for waiver. The Company had once again made applications to the Ministry for the aforementioned periods on obtaining the NOC from the CDR Lenders. The Board however on the recommendation of the Nomination and Remuneration Committee has, subject to shareholders approval, decided to seek approval from the Central Government for waiver of excess remuneration paid. Pending the same no adjustments have been made for the amount of Rs. 26.29 crores. In the absence of the final decision of the MCA pursuant to the application being made by the Company we are unable to ascertain the impact on profits on this account for the eighteen-month period ended 31st March 2016 (Refer Note 23(a)).
- e. Trade receivables and loans and advances includes an amount of Rs 355.56 crores in respect of disputes in six projects of the Company and/or its SPVs. The Company is pursuing legal recourse/ negotiations for addressing the disputes in favour of the Company. Pending the conclusion of the matters we are unable to state whether any provisions would be required against the Company's exposure (refer Note 35(iv)).
- f. The Company has given unsecured loans of Rs. 19.83 crores to its joint ventures as a lead partner for which it does not have any prior approval of the members (refer Note 12(vi)).
- g. We invite attention to note no 11A(f) relating to the decision for sale of 30% interest of Gammon Infrastructure Projects Limited (GIPL) held through two wholly owned subsidiaries and its consequent classification and valuation in these financial statements. The carrying value of the equity interest in GIPL is Rs. 884.41 crores held through the two wholly owned subsidiaries. The current market value based on the traded price as on March 31, 2016 is Rs. 270.25 crores. The management contends that the market price is not indicative of the intrinsic value of GIPL considering that the same is a strategic Investment. However in the absence of a detailed valuation of the intrinsic value of GIPL being carried out by the Management we are unable to comment whether any provision for diminution or impairment in the carrying amount of the equity interest is required.

5. Qualified Opinion

Except for the possible effects of the matter mentioned hereinabove in the basis of qualified opinion, in our opinion and to the best of our information and according to the explanations given to us, the standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, its profit and its cash flows for the period October 01, 2014 to March 31, 2016.

6. Emphasis of Matter:

10 G 61 -

Without qualifying our opinion, we draw attention to the following matters:

- (a) We draw attention to Note no 35(i), 35(ii) and 35(iii) of the Statement relating to recoverability of an amount of Rs.135.75 crores as at 31st March 2016 under trade receivables in respect of contract revenue where the Company has received arbitration awards in its favour in respect of which the client has preferred an appeal for setting aside the said arbitration awards, recognition of claims while evaluating the jobs of Rs. 153.29 crores and Rs. 155.03 crores where the Company is confident of recovery based on advanced stage of negotiation and discussion. The recoverability is dependent upon the final outcome of the appeals & negotiations getting resolved in favour of the company.
- (b) Note no 36 detailing that the lenders have invoked Strategic Debt Restructuring and have converted part of their principal and interest outstanding into equity shares and as part of the SDR scheme is in the process of approving the restructuring scheme, which includes carving out the EPC business, and the T & D business into separate entities wherein new investors would be invited to take control as detailed in the Note. Pending the same due to the liquidity situation and the continuing losses the Company is unable to meet its various liabilities on time. These conditions, along with other matters as set forth in the Note, indicate the existence of a significant uncertainty as to timing and realisation of cash flow to support the going concern assumption and operations of the Company.
- (c) The Company as detailed in Note 33(b) has exposure of Rs. 887.82 crores towards the combined stake of 67.50 %, which includes 35% stake which is under process of being transferred in favour of M/s Gammon Holding Mauritius Limited, wholly owned subsidiary of the Company, that is pending from a long time. Considering the combined stake held through two separate SPVs, the Company's exposure does not require any impairment which is supported by the order book position and valuation made by an independent valuer.
- (d) Note no 33(g) the accounts of a subsidiary M/s Campo Puma Oriente S.A. have not been audited since December 2012, due to certain disputes with the partner in the project. The exposure of the Company in the said subsidiary is Rs. 411.67 crores net of provisions made. The company has received a valuation report for \$ 60 Million approximately from an independent merchant banker for its share. On the basis of this report and the other matters detailed in the note the management is confident that there will be no provision required for impairment
- (e) (e) Note no 12(v) G&B Contracting LLC where the management has made assertions about the investment and reasons why the same does not require any provision towards diminution in the value of investment and loans provided. Relying on the assertions no adjustments have been made in the financials towards possible impairment.

7. Report on Other Legal and Regulatory Requirements

- A. As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters Specified in paragraphs 3 and 4 of the said Order.
- B. As required by section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from branches not visited by us. As stated above we have received the audit report of the branches not visited by us from the branch auditors.
 - (c) The report on the accounts of the branch office of the company not audited by us but audited under sub-section 143(8) by the branch auditor has been received by us under the proviso to that sub-section and the same has been properly dealt with it in preparing our report.
 - (d) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (e) In our opinion, except for the possible effect of the matters mentioned in the basis of qualified opinion paragraph, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

GAN

Builders to the Nation

- (f) The matters mentioned in the basis of qualified opinion paragraph and the matters mentioned in paragraph (b) of the emphasis of matter paragraph, relating to the matter of significant uncertainty in the timing and realisation of cash flows, may have an adverse impact on the functioning of the Company.
- (g) On the basis of written representations received from the directors as on March 31, 2016 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016 from being appointed as a director in terms of section 164(2) of the Act.
- (h) The possible effects of matters mentioned in the basis for qualified opinion paragraph may have an adverse effect on the maintenance of the records of the Company.
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements Refer Note 41 to the financial statements.
 - ii. The Company has provided for all material foreseeable losses arising out of long-term contracts including derivative contracts..
 - iii. The Company has to transfer amount of Rs. 0.33 Crore to the Investor Education and Protection Fund during the year.

ANNEXURE REFERRED TO IN PARAGRAPH 1 OF REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS OF OUR REPORT OF EVEN DATE

10 G 61 -

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) Fixed assets have been physically verified by the management during the period at reasonable intervals and no material discrepancies were identified on such verification except assets at some of their terminated sites where the access to the assets are presently prohibited and the matter is under dispute. The total value of assets at such sites is Rs. 23.56 crores (Net WDV).
- (ii) (a) Inventories, being project materials have been physically verified by the management at reasonable intervals during the year. In our opinion, the frequency of such verification is reasonable.
 - (b) In our opinion and according to the information and explanations given to us, the procedure of physical verification of stock followed by the management is reasonable and adequate in relation to the size of the Company and the nature of its business.
 - (c) The discrepancies noticed between the physical stocks and books stocks were not material and the valuation of stock has been done on the basis of physically verified quantity. Therefore Shortage / Excess automatically get adjusted and the same is properly dealt in the books of accounts.
- (iii) According to the information and explanation given to us, the Company has granted unsecured loan to 5 parties covered in the register maintained u/s 189 of the Companies Act 2013. In respect of such loans;
 - (a) Loans granted during the year amounts to Rs. 889.48 crores and the amount outstanding as at the end of the year is Rs.907.17 crores. As per the terms of the loan the same is given for long term and hence the repayment of interest and loan is not due as at Balance sheet date.
 - (b) Since repayment of aforesaid loans is not due, there is no overdue amounts for more than Rs one lakhs from parties covered under section 189 and therefore the requirements of clause 4(iii)(b) of the Companies (Auditors Report) Order, 2015 are not applicable.
- (iv) In our opinion and according to the information and explanations given to us, the implementation of the internal control procedure and assessment of risks in respect of the sub-contract and other site expenditure, material reconciliations, purchases needs strengthening to make it commensurate with the size and nature of its operations. In respect of the purchase of fixed assets and sale of goods and services the internal control procedures are commensurate with the size of the Company and the nature of its business. The weakness with respect to the adherence to the Internal control procedures for above referred activities are still continuing as at the Balance Sheet date which were reported upon in the previous audit reports.
- (v) The Company has not accepted any deposits from the public pursuant to sections 73 to 76 or any other relevant provisions of the Companies Act 2013 and rules framed thereunder. Therefore, the provisions of clause 3(v) of the Companies (Auditors Report) Order 2015 are not applicable to the Company. As informed to us, there is no order that has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal in respect of the said sections.
- (vi) As informed to us the maintenance of the cost records under the sub-section (1) of section 148 of the Companies Act, 2013 has been prescribed and we are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however, carried out a detailed examination of the records to ascertain whether they are accurate or complete.
- (vii) (a) The company has several instances of delay in depositing undisputed statutory dues including Provident Fund, Professional Tax, Employees State Insurance, works contract tax, Service tax/VAT, Cess and sales tax dues with the appropriate authorities observed on a test check basis. On the basis of the audit procedures followed, test checks of the transaction and the representation from the Management there are arrears amounting to Rs 11.45 crores in case of Income Tax, Rs 1.62 crores in case of Provident Fund, Rs. 1.90 crores in case of Works contract tax, Rs.0.61 crores in case of Entry tax, Rs. 0.04 crores in case of Value added tax, Rs.0.34 crores in case of Professional tax, Rs. 0.01 crores in case of labour welfare fund, Rs 0.01 crores in case of Health Contribution Bhutan, Rs.0.26 crores in case of Employee's State Insurance Scheme, Rs 1.23 crores in case of Royalty and Rs.0.49 crores in case of Road tax which were outstanding as at the last day of the financial year for a period of more than six months from the date they became payable.

GAM

Builders to the Nation

- (b) According to the information and explanation given to us, the details of Sales tax, Income Tax, Service Tax and Excise duty that have not been deposited on account of dispute are stated in the Statement of statutory dues outstanding attached herewith.
- (c) The amounts to be transferred to the investor education and protection fund in accordance with the relevant provisions of the Companies Act, 1956 (1 of 1956) and rules made thereunder has been transferred to such fund within time except for Rs 0.33 crores which is required to be transferred to Investor Education and protection funds.
- (viii) The Company has accumulated losses at the end of the financial period which is more than 50% of its networth. However, except for the possible effect of the matters mentioned in our basis of qualified opinion, the Company has not incurred cash losses during the current financial period and in the immediately preceding financial period.
- (ix) According to information and explanations given to us, the company has defaulted in servicing interest and principal repayment due to debenture holders, financial institutions and banks. The amounts of delays in interest servicing in respect of Rupee Term Loan, FITL, Priority Loan, Working capital term Ioan, Short term Loan, NCD, NCD FITL, CC and OD were Rs 646.61 Crores for a period ranging from 1 to 366 days. And Principal for the said facility amounts to Rs 231.98 Crores ranging from 16 to 366 days The amounts of default on account of overdrawn of Cash credit facility was Rs.150.58 Crores as at March 2016. The amounts include the continuing defaults at balance sheet on repayment of interest and principal which is annexed to the financial statements.
- (x) According to the information and explanations given to us and the records examined by us, the terms and conditions of guarantee given by the Company for loan taken by its wholly owned subsidiary from bank are not prima facie prejudicial to the interest of the Company.
- (xi) Based on information and explanations given to us by the management, no fresh term loans were taken during the year except availing of working capital term loan which were applied for the business. Therefore the requirements of clause 4(xi) of the Companies (Auditors Report) Order, 2015 are not applicable.
- (xii) According to the information and explanations given to us and to the best of our knowledge and belief no fraud on or by the Company has been noticed or reported during the current eighteen month period.

SIGNIFICANT ACCOUNTING POLICIES AND EXPLANATORY NOTES

A. Significant Accounting Policies :

1 Basis of preparation of Financial Statements :

- (a) The financial statements have been prepared to comply in all material respects with the notified accounting standards by the Companies Accounting Standards Rules, 2006 (which are deemed to be applicable as per section 133 of the Companies Act, 2013 read with rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention, on an accrual basis of accounting.
- (b) The classification of assets and liabilities of the Company is done into current and non-current based on the operating cycle of the business of the Company. The operating cycle of the business of the Company is less than twelve months and therefore all current and non-current classifications are done based on the status of reliability and expected settlement of the respective asset and liability within a period of twelve months from the reporting date as required by Schedule III to the Companies Act, 2013.
- (c) The accounting policies discussed more fully below, are consistent with those used in the previous year.

2 Use of Estimates :

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known.

3 Revenue Recognition :

(a) On Construction Contracts :

Long term contracts including Joint Ventures are progressively evaluated at the end of each accounting period. On contracts under execution which have reasonably progressed, profit is recognised by evaluation of the percentage of work completed at the end of the accounting period, whereas, foreseeable losses are fully provided for in the respective accounting period. The percentage of work completed is determined by the expenditure incurred on the job till each review date to total expected expenditure of the job.

Additional claims (including for escalation), which in the opinion of the management are recoverable on the contract, are recognised at the time of evaluating the job.

- (b) On supply of materials related to the transmission towers, revenue is recognised upon the delivery of goods to the client in accordance with the terms of contract. Sales include Excise Duty and other receivable from the customers but exclude VAT, wherever applicable.
- (c) Insurance claims are accounted for on cash basis.
- (d) Interest income is recognised on time proportion method basis taking into account the amounts outstanding and the rate applicable.
- (e) Dividend Income is accounted when the right to receive the same is established.

4 Turnover :

Turnover represents work certified upto and after taking into consideration the actual cost incurred and profit evaluated by adopting the percentage of the work completion method of accounting.

Turnover also includes the revenue from the supply of material in the transmission tower contracts in accordance with the terms of contract.

5 Joint Venture :

- (a) Joint Venture Contracts under Consortium are accounted as independent contracts to the extent of work completion.
- (b) In Joint Venture Contracts under Profit Sharing Arrangement, services rendered to Joint Ventures are accounted as income on accrual basis, profit or loss is accounted as and when determined by the Joint Venture and net investment in Joint Venture is reflected as investments or loans and advances or current liabilities.

6 Research and Development Expenses :

All expenditure of revenue nature is charged to the Statement of Profit and Loss of the period. All expenditure of capital nature is capitalised and depreciation provided thereon, at the rates as applied to Other Assets of similar nature.

7 Employee Retirement Benefits :

inge-

Retirement benefits in the form of provident fund and superannuation is a defined contribution scheme and contributions are charged to the Statement of Profit and Loss for the year / period when the contributions are due.

Gratuity a defined benefit obligation is provided on the basis of an actuarial valuation made at the end of each year / period on projected Unit Credit Method.

Leave encashment is recognised on the basis of an actuarial valuation made at the end of each year on projected Unit Credit Method.

Actuarial gains / losses are immediately taken to Statement of Profit and Loss and are not deferred.

8 Fixed Assets and Depreciation :

Fixed Assets are valued and stated at cost of acquisition less accumulated depreciation thereon. Revalued Assets are stated at the revalued amount. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition of its intended use.

Depreciation for the accounting period is provided on :

- (a) Straight Line Method, for assets purchased after 2nd April, 1987, at the rates specified in Schedule II to the Companies Act, 2013 based on useful life of Assets
- (b) Written Down Value Method, for assets acquired on or prior to 2nd April, 1987, at the rates specified in Schedule II to the Companies Act, 2013 based on useful life of Assets
- (c) Depreciation on revalued component of the assets is charged to Profit and Loss Account.
- (d) Depreciation on assets used for construction has been treated as period cost.
- (e) Depreciation on assets situated in countries outside India are accounted at the rates of depreciation prescribed as per the relevant local laws of such countries which are as follows :

| Assets Category | Ethiopia | Kenya | Nigeria | Rwanda |
|------------------------|----------|-------|---------|--------|
| Computers | 25% | 30% | - | 50% |
| Computers Software | 25% | - | - | - |
| Furniture and Fittings | 20% | 13% | 10% | 25% |
| Plant and Machineries | - | - | 15% | - |
| Office Equipments | 20% | - | 15% | 50% |
| Electrical fittings | - | - | 15% | - |
| SPC Tools | 20% | - | - | - |
| Vehicles | 20% | - | - | - |
| Building / Store Cabin | - | - | - | - |

| Assets Category | Algeria | Bhutan | Yeman | Afghanistan |
|------------------------|---------|--------|-------|-------------|
| Computers | 15% | 15% | 20% | - |
| Computers Software | - | - | - | - |
| Furniture and Fittings | 15% | 15% | 20% | 40% |
| Plant and Machineries | 15% | 0.15 | - | - |
| Office Equipments | 15% | 15% | 0.2 | - |
| Electrical fittings | - | 0.15 | - | - |
| SPC Tools | 15% | - | - | - |
| Vehicles | 20% | 15% | - | - |
| Building / Store Cabin | 5% | 0.15 | - | - |

(f) Intangible Assets are amortised uniformly over three years.

9 Impairment of Assets :

On annual basis the Company makes an assessment of any indicator that may lead to impairment of assets. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. Recoverable amount is higher of an asset's net selling

GAMM

Builders to the Nation

price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

10 Investments :

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of long term investments.

11 Cash and Cash Equivalents :

Cash and Cash Equivalents in the Balance Sheet comprise cash at bank and in hand and short term investments with an original maturity of three months or less.

12 Inventories :

- (a) Raw materials are valued at cost, net of Excise Duty and Value Added Tax, wherever applicable. Stores and Spares, loose tools are valued at cost except unserviceable and obsolete items that are valued at estimated realisable value thereof. Costs are determined on Weighted Average Method.
- (b) Stores and Spares and material at construction site are valued and stated at lower of cost or net realisable value. The Weighted Average Method of inventory valuation is used to determine the cost.
- (c) Work In Progress on construction contracts reflects value of material inputs and expenses incurred on contracts including estimated profits in evaluated jobs.
- (d) Work In Progress from manufacturing operation is valued at cost and costs are determined on Weighted Average Method.
- (e) Finished Goods are valued at cost or net realisable value, whichever is lower. Costs are determined on Weighted Average Method.

13 Foreign Currency Translation :

- (a) Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transactions.
- (b) Current Assets and Current Liabilities are translated at the year end rate or forward contract rate.
- (c) Any gain or loss on account of exchange difference either on settlement or translation is recognised in the Statement of Profit and Loss.
- (d) Fixed Assets acquired in foreign currencies are translated at the rate prevailing on the date of Bill of Lading.
- (e) The transactions of branches at Kenya, Nigeria, Algeria, Bhutan and Italy are accounted as integral operation.
- (f) The exchange gain / loss on long term loans to non integral operations being subsidiaries are restated to Foreign Exchange Translation Reserve Account and will be transferred to the Statement of Profit and Loss in the year when the disposal or otherwise transfer of the operations are done.

14 Borrowing Cost

Borrowing costs directly attributable to the acquisition or construction of qualifying assets are capitalised. Other borrowing costs are recognised as expenses in the period in which they are incurred. In determining the amount of borrowing costs eligible for capitalisation during a period, any income earned on the temporary investment of those borrowings is deducted from the borrowing costs incurred.

15 Employee Stock Option Scheme :

Employee stock options are evaluated and accounted on intrinsic value method as per the accounting treatment prescribed under Guidance Note on "Accounting for Employee Share-Based Payments" issued by the ICAI read with SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 issued by Securities and Exchange Board of India. Accordingly the excess of market value of the stock options as on the date of grant over the exercise price of the options is recognised as deferred employee compensation and is charged to Statement of Profit and Loss on graded vesting basis over the vesting period of the options. The un-amortised portion of the deferred employee compensation is reduced from Employee Stock Option Outstanding which is shown under Reserves and Surplus.

16 Taxation :

1000

Tax expense comprises current and Deferred Tax. Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards issued by the Central Board of Direct Taxes and tax laws prevailing in the respective tax jurisdictions where the Group operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current Income Tax relating to items recognised directly in equity is recognised in equity and not in the Statement of Profit and Loss.

Deferred Income Taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred Tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred Tax Assets and Deferred Tax Liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the Deferred Tax Assets and the Deferred Tax Liabilities related to the taxes on income levied by same governing taxation laws. Deferred Tax Assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such Deferred Tax Assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all Deferred Tax Assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each Balance Sheet date the Company re-assesses unrecognised Deferred Tax Assets. It recognises unrecognised Deferred Tax Assets to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such Deferred Tax Assets can be realised.

The carrying amount of Deferred Tax Assets are reviewed at each Balance Sheet date. The Company writes down the carrying amount of a Deferred Tax Asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which Deferred Tax Asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

17 Sales Tax / Cenvat Credit / VAT / WCT :

Sales Tax / VAT / Works Contract Tax on construction contracts are accounted on payment basis. The Cost of Material (inputs) is accounted at purchase cost net of Excise Duty and Value Added Tax, wherever applicable. The Excise Duty elements of materials (inputs) is debited to "Modvat Credit Receivable A/c" and Value Added Tax element of materials (inputs) is debited to "VAT Credit Receivable A/c", under the head "Loans and Advances". The Excise Duty and Value Added Tax payable on dispatch of goods are credited to "Modvat Credit Receivable A/c" and "VAT Credit Receivable A/c" by debiting the same to Excise Duty and Value Added Tax (Sales Tax), respectively in Statement of Profit and Loss.

18 Provision, Contingent Liabilities and Contingent Assets :

Provisions involving substantial degree of estimation in measurement are recognised when an enterprise has a present obligation as a result of past event. it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent Liabilities are not recognised but are disclosed in the notes to accounts. Disputed demands in respect of Central Excise, Customs, Income Tax and Sales Tax are disclosed as Contingent Liabilities. Payment in respect of such demands, if any, is shown as advance, till the final outcome of the matter.

Contingent Assets are neither recognised nor disclosed in the financial statements.

19 Earning Per Share :

Basic and Diluted earning per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of Equity Shares outstanding during the period.

For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to equity shareholders and weighted average number of Equity Shares outstanding during the period is adjusted for the effects of all dilutive potential Equity Shares.

20 Prior Period Items :

Prior period items are included in the respective head of accounts and material items are disclosed by way of notes to accounts.

(a) The Company's Corporate Debt Restructuring (CDR) package was approved by the CDR Empowered Group (EG) in its meeting held on 24th June, 2013 and communicated to the Company vide its letter of approval dated 29th June, 2013. The Company executed the Master Restructuring Agreement (MRA) with the CDR lenders on 24th September, 2013. Substantial securities have been created in favour of the CDR lenders.

Key features of the CDR proposal are as follows :

- Reschedulement of Short Term Loans and Rupee Term Loans (RTL) and NCD payable over a period of ten years.
- Repayment of Rupee Term Loans (RTL) after moratorium of 27 months from cut off date being 1st January, 2013 in structured quarterly installments commencing from April 2015.
- Conversion of various irregular / outstanding / devolved financial facilities into Working Capital Term Loan (WCTL).
- Repayment of WCTL after moratorium of 27 Months from cut off date in structured quarterly installments commencing from April 2015, subject to mandatory prepayment obligation on realization of proceeds from certain asset sale and capital infusion.
- Restructuring of existing and fresh fund based and non fund based financial facilities, subject to renewal and reassessment every year.
- Interest accrued but not paid on certain financial facilities till March 2014 is converted into Funded Interest Term Loan (FITL).
- Waiver of existing events of defaults, penal interest and charges etc. in accordance with MRA.

- Right of Recompense to CDR Lenders for the relief and sacrifice extended, subject to provisions of CDR Guidelines and MRA.
- Contribution of ₹100 Crore in the Company by Promoters, in lieu of bank sacrifice, in the form of Promoters Contribution, which can be converted to equity.

(b) Securities for Term Loans and NCD :

Rupee Term Loan (RTL) - 1 and FITL thereon -

- 1st pari-passu charge on the entire Fixed Assets (movable and immovable), both present and future of the Company, including the pari-passu security with Non Convertible Debenture but excluding the exclusive security for Non Convertible Debenture and the Gammon House.
- 2) 2nd pari-passu charge on the Gammon House, entire Current Assets, Loans and Advances, Long Term Trade Receivables and Other Assets of the Company.

Rupee Term Loan (RTL) - 2 and FITL thereon -

- 1) 1st pari-passu charge on Gammon House.
- 2) 2nd pari-passu charge on the entire Fixed Assets (movable and immovable), both present and future of the Company, including the pari-passu security with Non Convertible Debenture but excluding the exclusive security for Non Convertible Debenture and the Gammon House.
- 3) 2nd pari-passu charge on entire Current Assets, Loans and Advances, Long Term Trade Receivables and Other Assets of the Company.

Rupee Term Loan (RTL) - 3 and FITL thereon -

- 1) 3rd pari-passu charge over the entire Fixed Assets (movable and immovable) and Current Assets of the Company excluding the Gammon House.
- 2) 3rd pari-passu charge on the Gammon House.

Working Capital Term Loan (WCTL) -

- 1) 1st pari-passu charge on the entire Fixed Assets (movable and immovable), both present and future of the Company, including the pari-passu security with Non Convertible Debenture but excluding the exclusive security for Non Convertible Debenture and the Gammon House.
- 2nd pari-passu charge on the Gammon House, entire Current Assets, Loans and Advances, Long Term Trade Receivables and Other Assets of the Company.

Priority Loan -

- 1st pari-passu charge on the entire Fixed Assets (movable and immovable), both present and future of the Company, including the pari-passu security with Non Convertible Debenture but excluding the exclusive security for Non Convertible Debenture and the Gammon House.
- 2) 2nd pari-passu charge on the Gammon House, entire Current Assets, Loans and Advances, Long Term Trade Receivables and Other Assets of the Company.

Non Convertible Debentures (NCD) and FITL thereon -

- 1) 1st pari-passu charge by mortgage of Gujarat Property and hypothecation over the pari-passu security with the Non Convertible Debentures.
- 2) 3rd pari-passu charge over the entire Fixed Assets (movable and immovable) and Current Assets of the Company excluding the Gammon House.
- 3) 3rd pari-passu charge on the Gammon House.
- 4) In case of 9.95% NCD of ₹ 50 Crore, being not part of CDR scheme, interest is not converted in to FITL. This redeemable NCD is secured by hypothecation of specific Plant and Machinery with pari-passu charge by mortgage of immovable property in Gujarat.

| 6 - 10 years | 922.04 | 1,763.56 |
| TOTAL | 3,209.18 | 3,576.20 |

(h) For details of continuing defaults as at 31st March, 2016 and 30th September, 2014, Refer Annexure 1.

(i) The Company had pursuant to the Shareholders approval in May, 2015, issued Unsecured Zero Coupon Compulsorily Convertible Debentures ("CCD's") of upto ₹ 100 Crore to the Promoters against their contribution made to the Company's Corporate Debt Restructuring ("CDR") package. However no allotment was made, since the in-principle approval for allotment was awaited from BSE Limited On 26th April, 2016, BSE has directed the Company to modify the "relevant date" adopted by the Company for the pricing of the CCD's and seek shareholders approval afresh. The amount contributed by the Promoters continues to remain as debt in the Company.

The Joint Lender's Forum ("JLF") meeting convened on 17th November, 2015 and 16th December, 2015 and CDR EG meeting held on 23rd November, 2015 and 22nd January, 2016 approved the adoption of the Strategic Debt Restructuring scheme of the Company which interalia entailed a carve out of Transmission and Distribution (T&D) Business with the entry of strategic investors. Pursuant to the same the Company, with effect from 1st January 2016, through a business transfer agreement, as detailed in discontinuing Note, transferred borrowings aggregating to ₹ 200.13 Crore to Transrail Lighting Limited ("TLL"). The Company also proposes to file with the Hon'ble High Court of Bombay a scheme of arrangement for transfer of the retained T&D facility as detailed in Note 49 whereunder borrowings aggregating to ₹ 93.21 Crore would be transferred to TLL. Pending approval of the scheme of arrangement the borrowings are continued in the books of the Company.

3) Note :

- (a) Pursuant to the Scheme of Amalgamation, the Company owns 58,04,620 Equity Shares of itself through Gammon India Trust which was allotted the shares against the Company's holding in erstwhile ATSL in terms of the order of the Hon'ble High Court of Mumbai and Gujarat.
- (b) During the previous year the Company has pledged the Equity Shares of the following Companies -
 - 1,20,00,000 Ansaldocaldaie Boilers India Private Limited
 - 2,300 Deepmala Infrastructure Private Limited
 - 50,49,940 Gactel Turnkey Projects Limited
 - 3,09,99,940 Transrail Lighting Limited
- (c) In accordance with the Business Transfer Agreement as detailed in Note 49 the company has been allotted 2,75,000 Unsecured Zero Coupon Optionally Fully Convertible Debentures ("OFCD") of ₹ 159 each amounting to ₹ 4,37,25,000 of Transrail Lighting Limited. Each OFCD is convertible in to 1 equity share of the company at the option of the OFCD holder upon one month of consummation of the scheme of Arrangement or 18 months from the execution of BTA, whichever is later. If the scheme of arrangement as detailed in Note 49 is not approved and the investor opts for redemption of OFCD to be issued to them, the said OFCD's shall be redeemed with a 11% yield on the subscribed amount.
- (d) In the opinion of the Management, diminution in the value of Investment in share of Associated Transrail Structure Limited, Nigeria is considered to be temporary and, therefore, no provision has been made for the same.
- (e) The details of Beneficial and Contractual Interest acquired and transferred in favour of it's subsidiary M/s Gammon Infrastructure Projects Limited is detailed herein below -

| ACQUIRED | | | | (₹ in Crore) |

| TOTAL | | 26.43 | | 70.91 |

In respect of these shares where the voting rights and beneficial rights are so transferred the holder continues to be the original allotted as per the record of the respective company.

(f) The Board of Directors in their meeting held on 17th June, 2016 has decided to defer the decision to sell the stake in Gammon Infrastructure Projects Limited upto 30% and pursue negotiation with the banks in connection therewith. Therefore the said shares held though the wholly owned subsidiary has been considered as strategic non-current investments. Further the carrying value of the equity interest in Gammon Infrastructure Projects Limited is ₹ 884.41 Crore held through two wholly owned subsidiaries Gammon Power Limited and Gactel Turnkey Projects Limited. The current market value based on the traded price as on 31st March, 2016 is ₹ 270.25 Crore. The market price is not indicative of the intrinsic value of Gammon Infrastructure Projects Limited considering that the same is a Strategic Investment and being held for a long period of time. The diminution in the value is temporary in nature and does not require any provision for the same.

(iv) The balances of the project advances are subject to confirmation and consequent reconciliation, if any.

(v) The Company has invested an amount of ₹ 49.75 Crore by way of loans and investments in Gactel Turnkeys Projects Limited (Gactel) having a negative networth as on 31st March, 2016. Considering the intrinsic value of the assets and the business of Gactel, the net worth of Gactel does not represent its true market value. The diminution is of temporary nature and the loans together with interest accrued thereon are good and recoverable.

- (vi) The Company has exposure to Gammon and Billimoria Limited, a subsidiary of the Company, which has equity interest in the Company G & B Contracting LLC, Dubai. Although the said G & B Contracting LLC has a negative net worth it has bagged orders, which are under execution, and based on the projections and the business plans of the said G & B Contracting LLC, no provision is required against the exposure of the Company of ₹ 30.63 Crore to Gammon and Billimoria Limited.
- (vii) The Company has granted unsecured loans to its Joint Ventures, aggregating to ₹ 19.83 Crore including the facility provided by the bankers for the purposes of business operation out of the limits of the Company. This loan facility is in excess of the limits specified under section 186 of the Companies Act, 2013. The Company will obtain the shareholders consent in the next General Meeting.

(viii) Disclosures u/s 186 (4) of The Companies Act, 2013:

| | TOTAL | 1,209.91 | 1,722.51 |

(i) Valuation Methodology :

| Raw Material | Raw materials are valued at cost, net of Excise Duty and Value Added Tax, wherever applicable. Stores and Spares, loose tools are valued at cost except unserviceable and obsolete items that are valued at estimated realisable value thereof. Costs are determined on Weighted Average Method. |
|---|--|
| Work In Progress | Work In Progress on construction contracts reflects value of material inputs and expenses incurred on contracts including estimated profits in evaluated jobs. Work In Progress from manufacturing operation is valued at cost. Costs are determined on Weighted Average Method. |
| Finished Goods | Finished Goods are valued at lower of cost and net realisable value. Costs are determined on Weighted Average Method. |
| Stores and Spares Materials of Construction Site | Stores and Construction Materials are valued and stated at lower of cost and net realisable value. The Weighted Average Method of inventory valuation is used to determine the cost. |
| Work In Progress - Real Estate | Work In Progress on construction contracts reflects value of land, material inputs and project expenses. |
| Other Scrap Material | At net realisable value. |

(a) The Ministry of Corporate Affairs vide its letter dated 5th February, 2016 has directed the Company to either recover remuneration paid to Mr Abhijit Rajan – Chairman and Managing Director for the period from 1st April, 2012 to 30th September, 2014 or to file application for waiver of remuneration paid. The Board on the recommendation of the Nomination and Remuneration Committee has, subject to shareholders approval, decided to seek approval from the Central Government for waiver of excess remuneration paid. The remuneration paid/provided for the period from 1st October, 2014 to 31st March, 2016 is ₹ 9.11 Crore. The total amount of excess remuneration till 31st March, 2016 is ₹ 26.29 Crore which is pending for either approval for waiver of recovery or approval for payment of excess. Similarly the Company is applying for waiver of recovery of remuneration paid to its erstwhile Executive Director Mr Himanshu Parikh for an aggregate amount of ₹ 0.60 Crore. In view of the above facts, no adjustments are made in these financials.

(b) Pursuant to the retrospective amendment to the Payment of Bonus Act, the Company was required to make provision for differential bonus for the year 2014-15 as per the amendment. However, various High Courts have granted interim stay to the applicability of the amendment for the year 2014-15. The Company has therefore not made provision for differential bonus for the year 2014-15. Provision for Bonus for the current year is made as per the amendment.

32 The Company, as part of its restructuring scheme in which it is carving out the EPC and T&D Business into separate entities with residual non-core assets and some claims remaining in the main Company, had during the eighteen month period evaluated its existing claims in respect of on-going, completed and / or terminated contracts with the help of an independent expert in the field

of claims and arbitration to assess the likely amount of claims being settled in favour of the Company. The expert had reviewed the claims and had opined that an amount aggregating to ₹1,657.22 will be reasonably certain to be settled in favour of the Company.

Based on the above opinion, the Company has during the year recognised claims of an aggregate amount of ₹ 1,343.97 Crore including a further claim of ₹ 300 Crore during the quarter ended 31st March, 2016 excluding amounts recognised earlier of ₹ 313.25 Crore based on management estimates of reasonable realisation. These claims have been accounted as unbilled revenue and the management expects 25% of such claims other than on terminated projects to be realised within the operating cycle. Accordingly unbilled revenue has been disclosed as current and non-current in the Balance Sheet. The effects in the Statement of Profit and Loss are dependent upon the percentage of completion of the project.

33 Foreign and Domestic Venture

- (a) The Company through its Special Purpose Investment Vehicle holds the following stakes :
 - Sofinter S.p.A, Italy
 - Franco Tosi Mecannica S.p.A, Italy (FTM)
 - Sadelmi S.p.A, Italy
 - SAE Power Line S.r.l, Italy
- (b) Pursuant to the put option exercised, one of the Subsidiaries of the Company had paid USD 32 Million for acquisition of further 35% stake in Sofinter Group. The transferor has created pledge in favour of the lenders of the transferee company. The process of transferring the ownership in favour of the transferee company is expected to be completed by 31st July, 2016. Considering the proposed holding of 67.5% in Sofinter Group, the order book position, the valuation carried out of the said Sofinter Group by an independent valuer and the current financials of Sofinter, the Management is of the view that no impairment is required in the exposure of the Company towards its combined exposure of ₹ 887.82 Crore in Sofinter Group.
- (c) The Company's funded and non-funded exposure towards Franco Tosi Mecannica S.p.A (FTM) group is ₹ 892.19 Crore (net of provisions already made) Crore as at 31st March, 2016 including Investments and guarantees towards the acquisition loan taken by the SPV. This also includes the corporate guarantee given.

The Commissioner in charge of the Extraordinary Administration of Franco Tosi Meccanica S.p.A. has already concluded the sale of the operating business of FTM to the successful bidder and has commenced the disposal of the non-core assets (i.e. those assets which were not part of the sale of operating business), which includes 60 acres of land in Legnano, Italy. The Commissioner has not started the actual disposal of the property. The valuation pegged by the Commissioner is based on the valuation of land in adjoining premises which is also under administration. However the liabilities to be discharged against the surplus on disposal (net of tax) has not been made available by the Commissioner. Despite these factors the management expects that the surplus available to the equity shareholder will be adequate to cover the exposure of the Company towards FTM and no provision for impairment is accordingly made.

The Commissioner or the said FTM has not released any financials since 31st December, 2011 and therefore no further effects have been taken in respect of the said FTM in these financials.

(d) The Company through its step down subsidiary P. Van Eerd Beheersmaatschappij B.V., Netherlands (PVAN) held a 50% shareholding in Sadelmi S.p.A for EUR 7.50 Million, Italy (Sadelmi) with the remaining 50% held by Busi Impianti S.p.A, Italy since April 2008. Due to the economic conditions prevailing in different parts of the world where Sadelmi was present some of the projects under execution encountered serious contractual problems. Sadelmi therefore sought creditors' protection through a Court in Italy and simultaneously, as part of scheme, applied for transferring the remaining projects and leased all references standing in its name since inception to a new company Busi Power S.r.l wholly held by Busi Group.

The above procedure however has not yet been completed as the decision in the Court is still awaited. The delay is on account of objections raised by some creditors among other reasons.

In view of the uncertainties prevailing in Europe and the delay in the outcome of the Court process in respect of the creditors' protection sought by M/s Sadelmi in its application in connection therewith, the Company has, on prudent basis, made full provision towards its funded exposures in connection with the Investment in Sadelmi of ₹ 25.72 Crore and has charged the same as an exceptional item. The Company has exposure in respect of Corporate Guarantee for acquisition loan by its SPV.

The Company has made provision as risks and contingencies aggregating to ₹77.54 Crore towards the guarantees issued to the banker of its wholly owned SPV PVAN, in respect of loans taken by the said subsidiary for making investment into Sadelmi, in accordance with AS-29 Provisions, Contingent Liabilities and Contingent Assets considering the net worth and operations of the said Sadelmi.

- (e) The exposure of the Branch in SAE Powerlines S.r.I, Italy ("SAE"), a subsidiary of the Company and ATSL BV, Netherlands, the holding company of SAE, towards investments, Ioans, including guarantees towards the acquisition Ioan taken by the SPV is ₹ 196.84 Crore. The Branch has made provision for impairment of investments and Loan aggregating to ₹ 62.52 Crore and provision of ₹ 88.29 Crore for risk and contingencies for Corporate Guarantees for acquisition Ioan of the SPV and thus, the net exposure of the Branch is ₹ 46.03 Crore. The Branch has a further exposure of ₹ 139.48 Crore net of provision of ₹ 65.57 Crore towards receivables due from SAE which are outstanding for a long time. The Company had carried out a valuation of the business of SAE by an independent valuer in September, 2014, who determined an enterprise value of ₹ 71.34 Crore, which however is not updated to cover the present financial position. The Management is of the opinion that considering the order book position and adequate references and strengths in international markets especially the African and European Markets, the provision made by it for impairment of its investment, Ioan and trade receivable is adequate.
- (f) During the year, a further amount of ₹ 18.82 Crore has been debited to the said ACBI on account of the encashment of Bank Guarantee. Considering that the Company has initatited arbitration proceedings and based on legal advice that it has a sound case against the wrongful encashment and therefore no further provision is required against the increased exposure of ₹ 32.61 Crore as on 31st March, 2016.
- (g) The accounts of a subsidiary M/s Campo Puma Oriente S.A. have not been audited since December 2012, due to certain disputes with the partner in the project. The exposure of the Company in the said subsidiary is ₹ 411.67 Crore net of provisions made. The Company has received a valuation report for USD 60 Million approximately from an independent merchant banker for its share. Furthermore, the Company is in the process of enhancing its output of oil field from the current level, which is expected to further improve the value. Further the disputes between the partners are expected to be resolved within a short time after which the financial statements will be signed and released. In light of the same the management is confident that there will be no provision required for impairment.

34 ESOP Scheme

The erstwhile Associated Transrail Structures Limited("ATSL"), had instituted an ESOP Scheme during the Financial Year 2006-07 which was approved by the shareholders vide their resolution dated 27th March, 2007. The Board of Directors of ATSL granted 1,06,300 stock options to its employees on 27th March, 2007 pursuant to the ESOP Scheme. Each option entitled an Employee to subscribe to one equity share of ATSL at an exercise price of ₹ 80 per share.

The following options vest in a graded manner over a period of four years and are exercisable during a period of three years from the date of vesting thereof as described hereinafter :-

| Vesting Date | No of Options | Exercise Period | Intrinsic Value on the date of grant of <u>options</u> ₹ | Fair Value of options as on date of grant of option ₹ |
|-------------------|---------------|--------------------------|---|--|
| 28 September 2008 | 21,260 | 28.09.2008 to 27.09.2011 | 250.00 | 677.65 |
| 28 September 2009 | 26,575 | 28.09.2009 to 27.09.2012 | 250.00 | 677.65 |
| 28 March 2010 | 26,575 | 28.03.2010 to 27.03.2013 | 250.00 | 677.65 |
| 28 March 2011 | 31,890 | 28.03.2011 to 27.03.2014 | 250.00 | 677.65 |
| | 1,06,300 | | | |

Options Granted on 27th March, 2007 :

The Intrinsic value was determined by independent valuer by following price to Net Assets Value (NAV) method, The fair value of options has been determined, using the Black-Scholes Option Pricing Model, by independent valuer as on 31st March, 2008.

Under this method, compensation expense, equivalent to the intrinsic value of the options granted, is amortised equally over the vesting period of the option following straight-line method. The intrinsic value is the excess of the value of the underlying stock as determined by the independent valuer over the exercise price at the measurement date, which typically is the grant date.

The fair value of 1,06,300 options, granted on 27th March, 2007 was determined using the Black-Scholes Option Pricing Model with the following assumptions:

| Risk Free Interest Rate | 7.50% |
|------------------------------------|---------|
| Expected Dividend Yield | 0.39% |
| Expected Life of the Option | 3 Years |
| Expected Volatility of Share Price | 52.64% |

The status of employees stock options for the year ended 31st March, 2016 is as under :

| Particulars | Oct 2014 - Mar 2016 | Jan 2014 - Sep 2014 |
|--|---------------------|---------------------|
| Option Shares Outstanding at the beginning of the year | - | 8,700 |
| Option Exercised during the year | - | - |
| Option Shares Granted during the year | - | - |
| Option Shares Lapsed during the year | - | 8,700 |
| Option Shares Outstanding at the end of the year | - | - |

NIL (*Previous Period NIL*) options were exercised by the employees during the year. NIL (*Previous Period 8,700*) options were lapsed during the year on account of cessation of employment / lapse of exercise period of option. None of the options granted have been forfeited during the year.

All the above options have an exercise price of ₹ 80 per share and have a weighted average remaining contractual life of 4 years.

Pursuant to the amalgamation of Associated Transrail Structures Limited (ATSL) with the Company, the outstanding options of the employees of the erstwhile ATSL outstanding as on 1st April, 2008, have been taken up as an obligation of the Company in accordance with the scheme approved by the Court, Accordingly, the Company has accounted for the grant of 1,06,300 options to such employees at an exercise price of ₹ 80 per share. The Company will issue two Equity Shares against each option in terms of the scheme of amalgamation approved by the Courts.

Since the assets and liabilities of the erstwhile ATSL have been accounted at the book value, the accounting effect in the accounts is continued at the same.

Had compensation cost been determined in accordance with the Fair Value Method described in the Guidance Note, the T&D Business net loss for the year ended 31st March, 2016 as reported would have changed to amounts indicated below

| | | (₹ in Crore) |
|--|---------------------|---------------------|
| Particulars | Oct 2014 - Mar 2016 | Jan 2014 - Sep 2014 |
| Net Profit After Tax and Prior Period Adjustments | (209.15) | (105.20) |
| Add: Stock based compensation expense included in the reported income | - | - |
| Less: Stock based compensation expenses determined using fair value of | - | - |
| options | | |
| Net profit (adjusted) | (209.15) | (105.20) |
| Basic earnings per share as reported | - | - |
| Basic earnings per share (adjusted) | - | - |
| Diluted earnings per share as reported | - | - |
| Diluted earnings per share (adjusted) | - | - |
| Weighted average number of shares considered for diluted earnings per share (adjusted) | - | - |

35 In respect of the projects undertaken by the Company

- i) The Company in evaluating its jobs has considered an amount of ₹153.29 Crore arising out of claims for work done on account of cost overruns arising due to client delays, changes of scope, escalation claims, variation orders, deviation in design and other charges recoverable from the client which are pending acceptance or certification by the client or referred the matter to the dispute resolution board / arbitration panel.
- ii) In furtherance to the recommendation of the Dispute Resolution Board (DRB) and Arbitration Awards in the Company's favour, the Company has recognised income to the extent of ₹ 135.75 Crore which is part of Long Term Trade Receivable. The Company contends that such awards have reached finality for the determination of the amounts of such claims and are reasonably confident of recovery of such claims although the client has moved the Court to set aside the awards. Considering the fact that the Company has received favourable awards from the DRB and the Arbitration Tribunal, the management is reasonably certain that the claims will get favourable verdict from the Courts.
- iii) Trade Receivables includes ₹ 155.03 Crore in respect of two of its project based on advanced negotiation and discussion with the client and is confident of realising the same, pending the final revision in contract value.
- iv) There are disputes in six projects of the Company. The total exposure against these projects is ₹ 355.56 Crore. The Company is pursuing legal recourse / negotiations for addressing the disputes in favour of the Company and is of the opinion that it has a good case in the matter hence does not require any provision considering the claims of the Company against the Clients.

v) The Company, as part of its restructuring scheme in which it is carving out the EPC and T&D Business into separate entities with residual non-core assets and some claims remaining in the main Company, had during the eighteen month period evaluated its existing claims in respect of on-going, completed and / or terminated contracts with the help of an independent expert in the field of claims and arbitration to assess the likely amount of claims being settled in favour of the Company. The expert had reviewed the claims and had opined that an amount aggregating to ₹1,657.22 will be reasonably certain to be settled in favour of the Company.

Based on the above opinion, the Company has during the year recognised claims of an aggregate amount of ₹ 1,343.97 Crore including a further claim of ₹ 300 Crore during the quarter ended 31st March, 2016 excluding amounts recognised earlier of ₹ 313.25 Crore based on management estimates of reasonable realisation. These claims have been accounted as unbilled revenue and the management expects 25% of such claims other than on terminated projects to be realised within the operating cycle. Accordingly unbilled revenue has been disclosed as current and non-current in the Balance Sheet. The effects in the Statement of Profit and Loss are dependent upon the percentage of completion of the project.

36 The Company's operating result have been affected in the last few years by various factors including liquidity crunch, unavailability of resources on timely basis, delays in execution of projects, delays in land acquisition, approval of design etc. by client, scarcity in availability of labour and materials, operational issues etc. Company's overseas operations are characterized due to weak order booking, paucity of working capital and uncertain business environment. This has also resulted in various winding up claims filed against the Company. The Company is exploring several options for overcoming the liquidity crisis. The Group is in the process of development of its land parcel as well as monetising its overseas investments and to divest some of its businesses, recovery towards final bills, retention money, settlement of non-routine collection including claims, arbitration awards etc. to meet the working capital needs. The Company is also in discussion with client for overcoming bottlenecks in timely executing the existing projects and to increase the order book. The Company is having a good order book in hand as on March 2016 of ₹ 11,000 Crore.

The Company continues to negotiate with vendors for settlement, improved commercial terms and better credit facility and is in process of arranging additional working capital finance to improve short term liquidity position. The Company is evaluating and exploring various courses of action for raising funds for Company's operations, including options for strategic restructuring.

However due to the continuing stress and the inability of the Promoters to infuse fresh funds into the Company and the continuing losses, The Corporate Debt Restructuring Empowered Group in its meeting held on 23rd November, 2015 has discussed and noted the proposal of the CDR Lenders for invocation of Strategic Debt Restructuring ("SDR") in the Company and carve out of the Civil Engineering, Procurement and Construction and the Transmission and Distribution Businesses with change of management. The "Reference date" for the purpose of the SDR is 17th November, 2015. The lenders have invoked SDR and the requisite majority for approval of the SDR scheme in value and numbers had already been received and the CDR lenders have converted part of their loans and interest by taking a 62.65% stake in the Company upto the period ended 31st March, 2016. The Company has also as part of the SDR formulated a detailed restructuring package, which is detailed in a later paragraph.

Based on various developments including SDR by lenders resulting in lenders having majority stake and restructuring of businesses, the management is of the view that the Company will remain as going concern for future on the basis of existing order book, restructuring proposal, monetisation of the various non-core assets, future business potential, pre-qualifications for project bidding and previous track record

37 Strategic Debt Restructuring

The lenders invoked SDR with reference date of 17th November, 2015. CDR EG noted the same in their meeting held on 23rd November, 2015 and approved by Joint Lenders Forum in its meeting held on 23rd November, 2015. As per the SDR proposal lenders can convert their debt into equity upto ₹ 300 Crore. As on date lenders have converted ₹ 272.22 Crore of the debt into equity representing 62.77 % of equity capital.

The Company as part of its revival plan has decided to carve out the Civil EPC and Transmission and Distribution (T&D) Businesses into separate companies through the process of BTA and Scheme of arrangement. This will help in getting new investors in the respective companies

T&D Business :

As part of the plan the Business Transfer Agreement (BTA) and the Court Scheme for transfer of the T&D Business in favour of Transrail Lighting Limited, a wholly owned subsidiary has been finalised. The BTA has been executed in October 2015 and the Court scheme is finalized and is pending approval of the Regulator. The Investor has been identified as Bilav Software Private Limited and the shareholder agreement is already signed with Bilav Software Private Limited for the T&D Businesses wherein they have acquired 75% stake in TLL at a cost of ₹ 2.33 Crore from GIL. They will also invest another ₹ 47.67 Crore approximately in TLL. As part of the carve out proposal of T&D Business ₹ 505 Crore funded and ₹ 3,350 Crore non-funded exposure will be transferred to TLL.

Civil EPC :

inger.

Company is in process of transfer its Civil EPC Business to its WOS through BTA and Scheme of arrangement. Company has signed BTA with its WOS. An investor GP Group of Thailand has given proposal to invest ₹ 250 Crore in Civil EPC Business.

Non-Core Assets:

Companies will develop / monetise its investments in India and also outside India in coming years to repay the loans remaining in the Company.

Conversion of Loan in to Equity:

Under SDR the lenders has converted overdue principal and interest of ₹ 272.22 Crore in to equity at ₹ 11.89 per share.

38 Disclosure of Discontinuing O perations as per AS 24

As part of its restructuring of its business in order to create sector focused companies and to invite investments by strategic investors the Company decided to carve out its Transmission and Distribution Business into Transrail Lighting Limited. The Company entered into shareholders agreement with M/s Bilav Software Private Limited to divest 75% of its stake in Transrail Lighting limited. The Restructuring plan contemplated carving out of a portion of business vide a Business Transfer Agreement and the balance portion of the T&D Business by way of a scheme of arrangement of the retained T&D Business in GIL through a Court process. Accordingly the businesses transferred under the BTA and proposed to be transferred under the Court scheme are treated as discontinuing operations.

Similarly, the EPC Business is proposed to be transferred out into a wholly owned subsidiary either through a BTA or a Scheme or a mix of both. The Board of Directors vide its meeting dated 12th February, 2016 have approved the restructuring plan. Attention is invited to note no 37 where the identification of the investor and other terms of the same are detailed. The said EPC Business proposed to be carved out are also included in as discontinuing operations.

The Statements of Profit and Loss , Balance Sheet and Cashflow relating to the discontinuing operations is given in Annexure 3

39 Earning Per Share

Earnings Per Share (EPS) = Net Profit attributable to Shareholders / Weighted Number of Shares Outstanding

| Particulars | Oct 2014 - Mar 2016 | Jan 2014 - Sep 2014 |
|--|---------------------|---------------------|
| Net Profit attributable to the Equity Share holders (₹ in Crore) | 14.64 | 67.80 |
| Outstanding Number of Equity Shares at the end of the year | 36,47,22,809 | 13,57,74,668 |
| Weighted Number of Shares during the period – Basic | 16,47,77,040 | 13,57,74,668 |
| Weighted Number of Shares during the period – Diluted | 16,55,02,840 | 13,65,00,468 |
| Earning Per Share – Basic (₹) | 0.89 | 4.99 |
| Earning Per Share – Diluted (₹) | 0.89 | 4.97 |

Since the options granted are anti dilutive hence diluted EPS is not computed.

Reconciliation of weighted number of outstanding during the year :

| Particulars | Oct 2014 - Mar 2016 | Jan 2014 - Sep 2014 |
|--|---------------------|---------------------|
| Nominal Value of Equity Shares ('₹' Per Share) | 2.00 | 2.00 |
| For Basic EPS : | | |
| Number of Equity Shares at the beginning | 13,57,74,668 | 13,57,74,668 |
| Add : Issue of shares | 22,89,48,141 | - |
| Number of Equity Shares at the end | 36,47,22,809 | 13,57,74,668 |
| Weighted Average of Equity Shares at the end | 16,47,77,040 | 13,57,74,668 |
| For Dilutive EPS : | | |
| Weighted Average no. of shares in calculating Basic EPS | 16,47,77,040 | 13,57,74,668 |
| Add : Shares kept in abeyance | 7,25,800 | 725,800 |
| Add : On grant of stock option under ESOP | - | - |
| Weighted Average no. of shares in calculating Dilutive EPS | 16,55,02,840 | 13,65,00,468 |

(Previous Period figures are in brackets)

Based on Management Accounts.

The Company has entered into a Joint Venture ("JV") with M/s First Capital Energy and Power Industries Limited, Nigeria. The Company has not yet received Financial Statements of the JV and therefore, the Company's share of profit / loss for the year ended 31st March, 2016 in the said JV has not been accounted for.

- **46** Disclosure of transactions with Related Parties, as required by Accounting Standard 18 "Related Party Disclosures" has been set out in a separate Annexure 2.
- **47** The current period is from 1st October, 2014 to 31st March, 2016. The comparative figures for the Previous period are for the period from 1st January, 2014 to 30th September, 2014. The figures for both these periods are therefore not strictly comparable.
- **48** In the opinion of the Management, Current Assets and Non-Current Assets other than Fixed Assets and Non-Current Investments have a value on realisation in the ordinary course of business at least equal to the amount at which they are stated in the Balance Sheet.
- **49** The Company has during the year, with effect from 1st January, 2015 has extended the terms of the supports by way of loans to the overseas Special Purpose Vehicles which hold the Company's equity investment in overseas subsidiaries and Joint Ventures by treating the loans as long term loan repayable at the end of 5 years. Since these SPV's are in the nature of non integral operation of the Company, exchange gain / loss on restatement of such loan are carried in the Foreign Exchange Translation Reserves in accordance with AS -11 "The Effects of changes in Foreign Exchange Rates" issued under the Companies (Accounting Standard) Rules, 2006.
- **50** Balances of Trade Receivables, Trade Payables, Loans and Advances are as per the Books of Accounts are subject to confirmation and reconciliation.
- **51** Previous period figures are regrouped and rearranged with those of the current period.

52 Details of Rounded Off Amounts

The Financial Statements are represented in Rupees Crore. Those items which were not represented in the financial statement due to rounding off to the nearest Rupees Crore are given below :

| | | | (₹ in Crore) |
|-------|--|-------------------|-------------------|
| | Particulars | As at 31 Mar 2016 | As at 30 Sep 2014 |
| (i) | Non Current Investment | | |

INDEPENDENT AUDITORS' REPORT

To The Members Of Gammon India Limited

10 G 61 -

1. Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Gammon India Limited (hereinafter referred to as "the Holding Company") and its subsidiaries and jointly controlled entities (the Holding Company, its subsidiaries and jointly controlled entities together referred to as "the Group"), its associates, (as defined in the Companies (Accounting Standards) Rules, 2006) comprising of the Consolidated Balance Sheet as at March 31, 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the period October 01, 2014 to March 31, 2016, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

2. Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act")that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associates and Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

The respective Governing Bodies of the entities included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters, which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

4. Basis for qualified opinion

a. The accounts of one of the Subsidiaries M/s Franco Tosi Meccanica S.p.A, Italy (FTM) have not been audited since December 2011 for reasons mentioned in note 1 (a.)(ii) which inter-alia covers the application for pre-insolvency composition agreement with creditors in Italian court, partial completion of the composition agreement where the control of the operating/core asset of the said FTM has been transferred to the successful bidder and the Company is entitled only to the surplus arising out of disposal of non-core assets of FTM after paying off all other creditors/liabilities of FTM. In the light of the on-going procedure the Commissioner in charge of the restructuring procedure has not released any financials. The said Subsidiary has not been consolidated in accordance with para 11.b of AS-21-Consolidated Financial Statements as the management contends that considering the status as detailed in

the above referred note the Subsidiary operates under severe restrictions, which significantly impairs its ability to transfer funds to its parent. The said Subsidiary has therefore been accounted as per AS-13 – Accounting for Investments. The funded and non-funded exposure of the group to FTM net of eliminations is Rs. 383.09 Crores as at 31st March 2016 including towards the corporate guarantees issued towards the bank guarantees issued in favour of the said FTM. Against this the Company has appropriated the prior losses and provision for impairment of goodwill made when the said FTM was being consolidated as provision for diminution in the value of investment in the previous period of Rs. 322. 93 Crores. The management as detailed in the said note is awaiting the details of the surplus arising out of the disposal of the non-core assets and the recovery of the liabilities therefrom. The management expects that the surplus will be adequate to cover the exposure however in the absence of any indication of the value of the non-core assets or the surplus and we are unable to quantify the possible further provision towards the exposure of the Group and therefore also the effect on the consolidated loss/ of the Group for the eighteen month period ended 31st March 2016.

- b. The Company's Application for managerial remuneration aggregating to Rs. 26.29 Crores for the Chairman and Managing Director has been rejected for the accounting years 2012-13 and 9-month period ended December 2013 and 30th September 2014 and for the current eighteen months ended 31st March 2016 for want of NOC from the CDR lenders. The MCA has directed to recover the excess remuneration or make an application for waiver. The Company had once again made applications to the Ministry for the aforementioned periods on obtaining the NOC from the CDR Lenders. The Board however on the recommendation of the Nomination and Remuneration Committee has, subject to shareholders approval, decided to seek approval from the Central Government for waiver of excess remuneration paid.Pending the same no adjustments have been made for the amount of Rs. 26.29 Crores. In the absence of the final decision of the MCA pursuant to the application being made by the Company we are unable to ascertain the impact on profits on this account for the eighteen-month period ended 31st March 2016 (Refer Note 24(i)). Similarly the audit report of Gammon Infrastructure Projects Limited (GIPL) is also qualified for the payment of Rs. 2.04 Crores for the previous period and Rs.1.84 Crores for the current period to the Managing Director of GIPL, which is in excess of the limits, specified u/s 197 of the Companies Act 2013 read with Schedule V to the Companies Act. The said GIPL proposes to make an application for the waiver for recovery for the same to the ministry of corporate affairs. Subject to the outcome of the application we are unable to ascertain the impact on profits on this account for the eighteen months period ended 31st March 2016 (Refer Note 24(ii)).
- c. Trade receivables and loans and advances includes an amount of Rs. 355.56 Crores in respect of disputes in six projects of the Company and/or its SPVs. The Company is pursuing legal recourse/ negotiations for addressing the disputes in favour of the Company. Pending the conclusion of the matters we are unable to state whether any provisions would be required against the Company's exposure (refer Note 16(v)).
- d. We invite attention to note No. 1(c)(i(d)) relating to the going concern assumption of the Sofinter S.p.A, group, in the unaudited financial statements for the 12 month period ended 31st December 2015. The management of sofinter has not evaluated the going concern assumption while preparing the financials of Sofinter group. The Gammon Group management has represented on the same saying that the going concern assumption is valid for the reasons mentioned in note no 1(c)(i)(d). In the absence of any definitive agreements for the identification of the investor and the terms of the agreement we are unable to comment upon the appropriateness of the going concern assumption in the preparation of the financial statements of Sofinter.
- e. We invite attention to note no 11C (ii) relating to the carrying value of the Goodwill of the equity interest in GIPL of Rs. 58.00 Crores. The market value based on the traded price as on March 31, 2016 is Rs. 270.25 Crores as against the carrying value in the two wholly owned subsidiary of Rs. 884.41 Crores. The management contends that the market price is not indicative of the intrinsic value of GIPL considering that the same is a strategic Investment. However in the absence of a detailed valuation of the intrinsic value of GIPL being carried out by the Management we are unable to comment whether any provision for diminution or impairment in the carrying amount of the goodwill relating to the equity interest of GIPL is required.
- f. We invite attention to note no 18(g), detailing the recognition of claims during the year ended 31st March 2016 in respect of ongoing, completed and/or terminated contracts aggregating to Rs. 1343.97 Crores but excluding amounts recognised in quarters before September 2015 of Rs. 313.25 based on management estimates of reasonable realisation which were subject matter of our emphasis of matter in our earlier reports. These additional claims are recognised only on the basis of opinion of an expert in the field of claims and arbitration as part of the requirement of the Strategic Debt Restructuring scheme with the lenders. In view of the abovementioned circumstances and facts we are unable to comment upon the amounts recognised, its realisation and the consequent effect on the financial results of the eighteen-month period ended 31st March 2016.
- g. The financial statements of the following material Associate, Subsidiaries and Joint Ventures are based on un-audited management prepared financial statements and have been accounted as such and on which no further audit procedures have been carried out by us as follows.
 - i. M/s Sofinter S.p.A, Italy, a material Associate whose consolidated financial statements reflect the group's share of loss being Rs. 55.43Crores,

- ii. M/s Campo Puma Oriente S.A, Panama, a Subsidiary of the Company whose financial statements reflect Total Assets of Rs. 361.03 Crores, Revenue of Rs. 53.27 Crores for the period ended 31st December 2015. These financials are signed by one of the Director representing GIL on account of differences between the Group Company and the other Shareholder. There are no audited financial statements after 31st December 2011.
- iii. M/s Ansaldocaldaie Boilers (India) Private Limited a Subsidiary of the Company whose financial statements reflect Total Assets of Rs. 107.24 Crores, Revenue of Rs. 16.38 Crores for the eighteen-month period ended 31st March 2016.
- iv. M/s Gammon Holdings (Mauritius) Limited a Subsidiary of the Company whose financial statements reflect Total Assets of Rs. 212.27 Crores, Revenue of Rs. Nil for eighteen month period ended 31st March 2016.
- v. M/s Ansaldocaldie GB Engineering Private Limited, a Joint Venture of the group whose financial statements reflect Total Assets of ₹61.15 Crores, Revenue of ₹4.57 Crores and Net Cash Flows of Rs. NIL, the groups share in the Total Assets being 30.58 Crores, Revenue being 2.28 Crores and Net Cash Flow of Rs. NIL.
- vi. M/s Gammon OJSC Mosmetrostroy, a Joint Venture of the group whose financial statements reflect Total Assets of Rs. 213.04 Crores, Revenue of Rs. 239.63 Crores and Net Cash outflow of Rs. 1.68 Crores for the eighteen-month ended 31st March 2016, the groups share in the Total Assets being 108.65 Crores, Revenue being 122.21 Crores and Net Cash outflow of Rs. 0.85 Crores.

Since the Subsidiaries, Joint Ventures and Associates mentioned above are material, the Assets, Revenue and Cash Flow represented in those financial statements are subject to audit and consequent effect, if any.

h. The auditors of one of the Subsidiaries M/s Gammon & Billimoria LLC, Dubai have qualified their audit opinion for the eighteen month period ended 31st March 2016 regarding receivables of AED 2.70 Million (Rs. 4.86 Crore) which is due to the Company as a sub-contractor. Since the said Company has back to back terms with the main contractor, the recoverability of the said amounts is dependent on successful outcome of the main contractor's dispute with the client, the auditors are of the opinion that substantial portion of the same should be considered as impaired (Refer Note 16(iv)).

5. Qualified Opinion

Except for the possible effect of the matter mentioned hereinabove in the basis of qualified opinion, in our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates and jointly controlled entities as at March 31, 2016, and their consolidated loss and their consolidated cash flows for the period October 01, 2014 to March 31, 2016.

6. Emphasis of Matter:

Without qualifying our opinion, we report the following matters which were also referred to in our audit report issued for the nine months period ended September 30, 2014:

- a. Note no 31 detailing that the lenders have invoked Strategic Debt Restructuring and have converted part of their principal and interest outstanding into equity shares and as part of the SDR scheme is in the process of approving the restructuring scheme, which includes carving out the EPC business, and the T & D business into separate entities wherein new investors would be invited to take control as detailed in the Note. Pending the same due to the liquidity situation and the continuing losses the Company is unable to meet its various liabilities on time. These conditions, along with other matters as set forth in the note, indicate the existence of a significant uncertainty as to timing and realisation of cash flow to support the going concern assumption and operations of the Company.
- b. The Company as detailed in Note 1(c)(i) has exposure of Rs. 317.05 Crores towards the combined stake of 67.50 %, which includes 35% stake which is under process of being transferred in favour of M/s Gammon Holding Mauritius Limited, wholly owned subsidiary of the Company, that is pending from a long time. Considering the combined stake held through two separate SPVs, the Company's exposure does not require any impairment which is supported by the order book position and valuation made by an independent valuer. The said Sofinter is accounted as an associate in view of the fact that the Group does not control the majority of the voting powers pending the transfer of the 35% as aforesaid.
- c. We draw attention to Note no 16(i),16(ii) and 16(iii) of the Statement relating to recoverability of an amount of Rs.135.75 Crores as at 31st March 2016 under trade receivables in respect of contract revenue where the Company has received arbitration awards in its favour in respect of which the client has preferred an appeal for setting aside the said arbitration awards, recognition of claims while evaluating the jobs of Rs. 153.29 Crores and Rs. 155.03 Crores where the Company is confident of recovery based on advanced stage of negotiation and discussion. The recoverability is dependent upon the final outcome of the appeals & negotiations getting resolved in favour of the company.

- d. The auditors of subsidiary Gammon Infrastructure Projects Limited have made the following emphasis of matter
 - i. Regarding unilateral termination and closure of Concessions in a bridge project, which is subject to pending litigations/ arbitrations at various forums, which may impact the carrying values of investments and loans and advances given to a subsidiary. The Group exposure towards the said project (funded and non-funded) is Rs. 26.30 Crores. Pending conclusion on these legal matters, no adjustments have been made in these financial results.
 - ii. Regarding intention to exit one of the hydro power projects at Himachal Pradesh and seeking a claim of an amount against the amount spent on the project. The Company's subsidiary has cited reasons for non-continuance on account of reasons beyond its control. The subsidiary is negotiating with its client for an amicable settlement on beneficial terms. The group exposure towards the said project is Rs. 67.85 Crores. Pending conclusion between the parties, no adjustments have been made in these financial results.
 - iii. Regarding the container terminal project in Mumbai where the group exposure is an amount of Rs. 356.14 Crores (funded and non-funded). The only project of the JV Company has been delayed resulting in the company incurring losses and consequent default in repayment of its debt obligation culminating in the bank facility being designated as NPA. Considering the MbPT permission to allow RORO operations on a trial basis and based on the management assessment and plans to address these issues, no provision is considered necessary against the aforesaid amounts.
 - iv. Regarding a tolling bridge project in Andhra Pradesh, where the monthly toll collections are not sufficient to pay the interest and the resultant defaults in the loan repayment resulting in the facility being marked NPA, considering the steps the management proposes to take to replace the high cost debts and the terms of the concession agreement in which the Company is eligible for revenue shortfall loans, no provision is considered necessary against the group exposure of Rs. 1063.80 Crores.
 - v. Regarding the going concern status where the Company has stated that as of that date the Company's current liabilities exceeded current assets despite the sale of some of the SPVs. These conditions, along with other matters as set forth in their Note in the financial Statement, indicate the existence of an uncertainty as to timing and realization of cash flow.

7. Other Matters

- a) The consolidated results of the Group include results of
 - i. 36 subsidiaries, whose financial statements reflect total assets of Rs. 4196.13 Crores as at March 31, 2016, total revenues of Rs. 409.28 Crores and net cash out flows amounting to Rs. 67.64 Crores for the eighteen months period ended on that date,
 - ii. 3 Jointly controlled entities, whose financial statements reflect total assets of Rs. 194.82 Crores as at March 31, 2016, total revenues of Rs. 255.02 Crores and net cash out flows amounting to Rs. 10.97 Crores for the eighteen months period ended on that date, Group's share of total assets, total revenue and net cash out flows in respect of two joint venture amounting to Rs. 118.29 Crores, Rs. 149.54 Crores and Rs. 6.58 Crores respectively.
 - iii. 2 Associates, whose financial statements reflect Group's share of net profit of Rs. 1.06 Crores for the eighteen months period ended on that date in respect of one associate,

whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiaries, jointly controlled entities and associates in India, is based solely on the reports of the other auditors.

b) We did not audit the financial statements of 9 subsidiaries whose financial statements reflect total assets of Rs. 2425.12 Crores, total revenue of Rs. 219.91 Crores and net cash out flow of Rs. 1.82 Crores, 8 joint ventures whose financial statements reflect total assets of Rs. 1152.34 Crores, total revenue of Rs. 319.51 Crores and net cash inflow of Rs. 4.60 Crores the group's share of total assets, total revenue and net cash flows of which is Rs. 581.00 Crores, Rs. 162.22 Crores and Rs. 2.25 Crores, two associate whose group's share of net loss of Rs. 55.43 Crores respectively and which are considered in the preparation of these consolidated financial statements. These financial statements are unaudited and have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these joint ventures, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid joint ventures, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the management, these financial statements are not material to the Group.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

8. Report on Other Legal and Regulatory Requirements

inger-

- A. As required by the Companies (Auditor's Report) Order, 2015 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, based on the comments in the auditors' reports of the Holding company, subsidiary companies, associate companies and jointly controlled companies incorporated in India to whom the Order is applicable and further subject to our comments in respect of companies which are not material and not audited, stated in clause (b) of Other Matters paragraph, and for which we have not received audit report, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- B. As required by sub-section (3) of Section143 of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, except for the possible effects matters specified in the basis for qualified opinion in paragraph 4 above, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account and working / records maintained for the purpose of preparation of the consolidated financial statements.
 - (d) Except for the possible effects of the matter mentioned in the basis of qualified opinion above, in our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) The matters mentioned in the basis of qualified opinion paragraph and the matters mentioned in paragraph 6(a) of the emphasis of matter paragraph, relating to the matter of significant uncertainty in the timing and realisation of cash flows, may have an adverse impact on the functioning of the Company.
 - (f) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2016 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company incorporated in India, none of the directors of the Group companies incorporated in India are disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group– Refer Note 34 to the consolidated financial statements.
 - ii. The Group has provided for all material foreseeable losses on long-term contracts including derivative contracts.
 - iii. The Holding Company has to transfer amount of Rs. 0.33 Crores to Investor Education and Protection Fund during the period. No dues were payable to Investor Eductaion and Protection fund by any of the subsidiary companies incorporated in India.

ANNEXURE REFERRED TO IN PARAGRAPH 1 OF REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS OF OUR REPORT OF EVEN DATE

With respect to Gammon India Limited ("Holding Company") and its subsidiary jointly controlled entities incorporated in India to whom the provisions of the Order apply (together referred as "Covered Entities" in this report). Refer Statement 1 for the list of Covered entities. Our reporting, hereunder, in so far as it relates to the aforesaid subsidiaries, jointly controlled entities and associates, not audited by us, is based solely on the reports of the other auditors who audited the financial statements / financial information of these subsidiaries, jointly controlled entities and associates.

 (i) (a) The Holding Company and the 16 Covered Entities as reported by the auditors who audited the financial Statements/ financial information of the Covered Entities have maintained proper records showing full particulars, including quantitative details and situation of fixed assets,

In case of 26 Covered entities as reported by the auditors who audited the financial Statements/ financial information of these Covered Entities there were no Fixed Assets and therefore the requirements of clause 4(i)(a) of the Companies (Auditors Report) Order, 2015 are not applicable to these Covered Entities.

(b) In case of Holding Company fixed assets have been physically verified by the management during the period at reasonable intervals and no material discrepancies were identified on such verification except assets at some of their terminated sites where the access to the assets are presently prohibited and the matter is under dispute. The total value of assets at such sites is Rs. 23.56 Crores (Net WDV).

In case of 16 Covered Entities as reported by the auditors who audited the financial Statements/ financial information of the Covered Entities all fixed assets have been physically verified during the year by the management and no material discrepancies were noticed on such verification.

In case of 26 Covered entities as reported by the auditors who audited the financial Statements/ financial information of these Covered Entities there were no Fixed Assets and therefore the requirements of clause 4(i)(b) of the Companies (Auditors Report) Order, 2015 are not applicable to these Covered Entities.

 (ii) (a) In case of Holding Company, Inventories being project materials have been physically verified by the management at reasonable intervals during the year. In our opinion, the frequency of such verification is reasonable. Also, as reported by the auditors who audited the financial Statements/ financial information of the 7 Covered Entities, the managements of these Covered Entities have conducted physical verification of inventory at reasonable intervals during the year and the frequency of such verification is reasonable.

In case of 35 Covered entities as reported by the auditors who audited the financial Statements/ financial information of these Covered Entities there were no Inventories and therefore the requirements of clause 4(ii)(a) of the Companies (Auditors Report) Order, 2015 are not applicable to these Covered Entities.

(b) In our opinion and according to the information and explanations given to us and as reported by the auditors who audited the financial Statements / financial information of the 7 Covered Entities, the procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Covered Entities and the nature of their businesses.

In case of 35 Covered entities as reported by the auditors who audited the financial Statements/ financial information of these Covered Entities there were no Inventories and therefore the requirements of clause 4(ii)(b) of the Companies (Auditors Report) Order, 2015 are not applicable to these Covered Entities.

(c) In case of Holding Company the discrepancies noticed between the physical stocks and books stocks were not material and the valuation of stock has been done on the basis of physically verified quantity. Therefore Shortage / Excess automatically get adjusted and the same is properly dealt in the books of accounts.

In our opinion and according to the information and explanations given to us and as reported by the auditors who audited the financial Statements/ financial information of the 7 Covered Entities, the Covered Entities are maintaining proper records of inventory and no material discrepancies were noticed on physical verification.

In case of 35 Covered entities as reported by the auditors who audited the financial Statements/ financial information of these Covered Entities there were no Inventories and therefore the requirements of clause 4(ii)(c) of the Companies (Auditors Report) Order, 2015 are not applicable to these Covered Entities.

- (iii) According to the information and explanation given to us, the Holding Company has granted unsecured loan to 5 parties covered in the register maintained u/s 189 of the Companies Act 2013. In respect of such loans;
 - (a) Loans granted during the year amounts to Rs. 889.48 Crores and the amount outstanding as at the end of the year is Rs. 907.17 Crores. As per the terms of the loan the same is given for long term and hence the repayment of interest and loan is not due as at Balance sheet date.

(b) Since repayment of aforesaid loans is not due, there is no overdue amounts for more than Rs. one lakhs from parties covered under section 189 and therefore the requirements of clause 4(iii)(b) of the Companies (Auditors Report) Order, 2015 are not applicable.

In case of 8 covered entities as reported by the other auditors who audited the financial statements / financial information of these Covered entities, have granted ₹ 78.27 Crores loans to companies, firms or other parties covered in the register maintained under section 189 of the Act. These loans are repayable on demand and therefore the question of overdue amounts does not arise in these covered entities.

In case of 34 Covered entities as reported by the auditors who audited the financial Statements/ financial information of these Covered Entities there were no loans granted during the year and therefore the requirements of clause 4(iii) of the Companies (Auditors Report) Order, 2015 are not applicable to these Covered Entities.

(iv) In our opinion and according to the information and explanations given to us, in case of Holding Company the implementation of the internal control procedure and assessment of risks in respect of the sub-contract and other site expenditure, material reconciliations, purchases needs strengthening to make it commensurate with the size and nature of its operations. In respect of the purchase of fixed assets and sale of goods and services the internal control procedures are commensurate with the size of the company and the nature of its business. The weakness with respect to the adherence to the Internal control procedures for above referred activities are still continuing as at the balance sheet date which were reported upon in the previous audit reports.

In case of Covered Entities as reported by the auditors who audited the financial Statements/ financial information of the Covered Entities, there is an adequate internal control system commensurate with the size of the Holding Company and the Covered Entities and the nature of their businesses, for the purchase of inventory and fixed assets and for the sale of goods and services. As reported by the auditors who audited the financial Statements/ financial information of the Covered Entities, no major weakness or continuing failure to correct any major weakness in the internal control system was observed in respect of these areas.

- (v) According to the information and explanation given to us and as reported by the auditors who audited the financial Statements/ financial information of the Covered Entities, neither these Covered Entities nor Holding Company have accepted any deposits from the public pursuant to sections 73 to 76 or any other relevant provisions of the Companies Act 2013 and rules framed there under. Therefore, the provisions of clause 3(v) of the Companies (Auditors Report) Order 2015 are not applicable to the Holding Company and the Covered Entity. As informed to us, there is no order that has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal in respect of the said sections against either the Holding Company or the covered entities, except in case of one covered entity where the Company has accepted a term loan of Rs. 0.24 Crores from the relatives of its director during the year. The Outstanding balance of loan taken from such parties is Rs. 10.96 Crores as on balance sheet date. The said Covered Entity has not complied with the deposit rules which include credit rating, issuing circular, creating deposit repayment reserve account etc as stated under section 73 of the Companies Act 2013.
- (vi) As informed to us the maintenance of the cost records under the sub-section (1) of section 148 of the Companies Act, 2013 has been prescribed in case if Holding Company and 6 of the Covered Entity, and we and other auditors who have audited such entity are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however, carried out a detailed examination of the records to ascertain whether they are accurate or complete.

As reported by the other auditors who audited the financial statements / financial information of 36 Covered entities, the Central Government has not specified the maintenance of cost records under clause 148(1) of the Act, for the product/ services of these entities.

(vii) (a) The Holding Company has several instances of delay in depositing undisputed statutory dues including Provident Fund, Professional Tax, Employees State Insurance, works contract tax, Service tax/VAT, Cess and sales tax dues with the appropriate authorities observed on a test check basis. On the basis of the audit procedures followed, test checks of the transaction and the representation from the Management there are arrears amounting to Rs. 11.45 crores in case of Income Tax, Rs. 1.62 crores in case of Provident Fund, Rs. 1.90 crores in case of Works contract tax, Rs. 0.61 crores in case of Entry tax, Rs. 0.04 crores in case of Value added tax, Rs. 0.34 crores in case of Professional tax Rs. 0.01 crores in case of labour welfare fund, Rs. 0.01 crores in case of Health Contribution Bhutan, Rs. 0.26 crores in case of Employee's State Insurance Scheme, Rs. 1.23 crores in case of Royalty and Rs. 0.49 crores in case of Road tax which were outstanding as at the last day of the financial year for a period of more than six months from the date they became payable.

In case of Covered Entities as reported by the auditors who audited the financial Statements / financial information of the Covered Entities, the Covered Entities are generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, wealth-tax, service tax, cess and other material statutory dues with the appropriate authorities during the period. Except in case of 1 entity where there was delay in payment of Profession Tax Rs. 0.01 Crores, Service Tax- Rs. 0.58 Crores, TDS - Rs. 0.28 Crores, PF- Rs. 0.1 Crores, Labour Welfare fund - Rs. 0.001 Crores , VAT - Rs. 0.05 Crores, ESIC-Rs. 0.001 Crores.

(b) In respect of Holding Company, according to the information and explanation given to us, the details of Sales tax, Income Tax, Service Tax and Excise duty that have not been deposited on account of dispute are annexed in the Statement 2.

Based on the reports of the auditors who audited the financial Statements/ financial information of the 38 Covered Entities, there are no disputed dues of Income Tax or Sales Tax or Wealth Tax or Service Tax or duty of Customs or duty of Excise or Value Added Tax or Cess that has not been deposited.

In case of four Covered Entities dues of Income Tax or Sales Tax or Wealth Tax or Service Tax or Custom duty or Excise Duty or Value Added Tax or Cess that have not been deposited on account of any dispute except as given in the statement 2.

(c) In case of Holding company the amounts to be transferred to the investor education and protection fund in accordance with the relevant provisions of the Companies Act, 1956 (1 of 1956) and rules made thereunder has been transferred to such fund within time except for Rs. 0.33 Crores which is required to be transferred to Investor Education and protection funds.

In case of 1 Covered Entity the amount required to be transferred to Investor Education and Protection fund was paid within due date.

Based on the reports of the auditors who audited the financial Statements/ financial information of the covered entities there is no amount to be transferred to the said fund by any of the Covered Entities (40 entities)

(viii) The Holding Company has accumulated losses at the end of the financial period which is more than 50% of its net worth. However, except for the possible effect of the matters mentioned in our basis of qualified opinion, the Company has not incurred cash losses during the current financial period and in the immediately preceding financial period.

According to the records of the Covered Entities and as reported by auditors of the Covered Entities, we report that;

- a) 3 Covered entities have been incorporated for less than five years and hence auditors of these entities have not commented upon the requirements of clause (viii) of the Order;
- b) 5 Covered entities do not have accumulated losses;
- c) 6 Covered entities have accumulated losses are less than fifty percent of their respective net worth while the 18 Covered entities have accumulated losses more than fifty percent of their respective net worth;
- d) 4 Covered entities have not incurred cash losses both in the current and immediately preceding financial years while 19 Covered entities have incurred cash losses both in the current and immediately preceding financial years;
- e) 6 Covered entities have incurred cash losses in either the current year or in the immediately preceding financial year.
- (ix) According to information and explanations given to us, the company has defaulted in servicing interest and principal repayment due to debenture holders, financial institutions and banks. The amounts of delays in interest servicing in respect of Rupee Term Loan, FITL, Priority Loan, Working capital term Ioan, Short term Loan, NCD, NCD FITL, CC and OD were Rs. 646.61 Crores for a period ranging from 1 to 366 days. And Principal for the said facility amounts to Rs. 231.98 Crores ranging from 16 to 366 days. The amounts of default on account of overdrawn of Cash credit facility was Rs. 150.58 Crores as at March 2016. The amounts include the continuing defaults at balance sheet on repayment of interest and principal which is annexed to the financial statements.

Based on the audit reports of the auditors who audited the financial Statements/ financial information of Covered Entities, there are no defaults in repayment of Principal and interest to Bank, Financial Institution and debenture holders except in case of 7 Covered Entities where delays in payment of Interest and Instalment to banks, financial institutions and debenture holders

- i) Principal and interest default of Rs. 454.98 Crores ranging from 1-275 days
- ii) Repayment of debenture amounting to Rs. 175 Crores o/s since March 2015 and interest there on of Rs. 21.96 Crores o/s since May 2015.
- (x) According to the information and explanations given to us and the records examined by us in case of Holding Company and One of the covered entity, the terms and conditions of guarantee given by the Company for loan taken by its wholly owned subsidiary from bank are not prima facie prejudicial to the interest of the Company.

On the basis of the report of auditors who audited the financial Statements/ financial information of the Covered Entities, no guarantee is given for loans taken by others from banks and financial institutions by the Covered Entities.

(xi) According to the information and explanations given to us by the management in case of Holding Company, no fresh term loans were taken during the year except availing of working capital term loan which were applied for the business. Therefore the requirements of clause 4(xi) of the Companies (Auditors Report) Order, 2015 are not applicable.

On the basis of the information and explanations given to us by the management and reports of auditors who audited the financial Statements/ financial information of Covered Entities, 34 Covered entities has not obtained any term loans during the period and hence provision of clause 3(xi) of the Companies (Auditor's Report) Order, 2015 are not applicable to the Company.

However in case of 7 Covered Entities term loans taken during the year were applied for the purpose for which the loans were obtained.

(xii) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the consolidated financial statements and as per the information and explanations given by the management and reports of auditors who audited the financial Statements/ financial information of Covered Entities, we report that no fraud on or by the Holding Company and the Covered Entities has been noticed or reported during the year.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

A. SIGNIFICANT ACCOUNTING POLICIES :

1 Basis of preparation of Financial Statements :

The Consolidated Financial Statements have been prepared to comply in all material respects with the notified accounting standards by the Companies Accounting Standards Rules, 2006 and the relevant provisions of the Companies Act, 2013. The Consolidated Financial Statements have been prepared under the historical cost convention, on an accrual basis of accounting. The Consolidated Financial Statements comprise the financial statements of GAMMON INDIA LTD. ("the Company") and its Subsidiary companies (the Company and its Subsidiaries are hereinafter referred to as 'the Group'), Associates and Joint Ventures in the form of jointly controlled entities. The Consolidated Financial Statement has been prepared on the following basis:

(a) Interests in Subsidiaries

The Financial Statements of the Company and its subsidiary companies have been combined on a line by line basis by adding the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions resulting in unrealized profits or losses as per Accounting Standard - 21 "Consolidated Financial Statements" of Company's Accounting Standard Rules, 2006.

The Consolidated Financial Statements have been prepared using uniform policies for like transactions and other events in similar circumstances and are presented to the extent possible in the same manner as the Company's separate financial statements.

The excess of cost of investments of the Company over its share of equity in the Subsidiary is recognised as goodwill. The excess of share of equity of Subsidiary over the cost of investments is recognised as capital reserve.

The revenue related to construction services in respect of the BOT contracts, which are governed by Service concession agreements with government authorities (grantor), is considered as exchanged with the grantor against toll collection rights/ annuities receivable, profit from such contracts is considered as realized. Accordingly, BOT contracts awarded where work is subcontracted within the group, the inter group transactions on BOT contracts and the profits arising thereon are taken as realised and not eliminated.

(b) Interests in Joint Ventures

The Company's interests in Joint Ventures in the nature of Jointly controlled entities are included in these Consolidated Financial Statements using the proportionate consolidation method as per the Accounting Standard – 27 "Financial Reporting of Interests in Joint Ventures" of Company's Accounting Standard Rules, 2006. The group combines its share of each of the assets, liabilities, income and expenses of the joint venture with similar items, on a line by line basis.

(c) Investment in Associates

Investments in Associate Companies are accounted under the equity method as per the Accounting Standard – 23 "Accounting for Investments in Associates in Consolidated Financial Statements" of Company's Accounting Standard Rules, 2006.

Under the equity method, the investment in associates is carried in the Balance Sheet at cost plus post acquisition changes in the Group's share of net assets of the associate. The income statement reflects the Group's share of the results of operations of the associates.

The excess of the Company's cost of investment over its share of net assets in the associate on the date of acquisition of investment is accounted for as goodwill. The excess of the Company's share of net assets in the associate over the cost of its investment is accounted for as capital reserve.

Goodwill / Capital Reserve is included/adjusted in the carrying amount of the investment.

2 Use of Estimates :

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions to be made that affect the reported amount of assets and liabilities and disclosure of contingent liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known.

3 Revenue Recognition :

(a) On Construction Contracts :

Long-term contracts including Joint Ventures are progressively evaluated at the end of each accounting period. On

contracts under execution which have reasonably progressed, profit is recognised by evaluation of the percentage of work completed at the end of the accounting period, whereas, foreseeable losses are fully provided for in the respective accounting period. The percentage of work completed is determined by the expenditure incurred on the job till each review date to total expected expenditure of the job.

Additional claims (including for escalation), which in the opinion of the Management are recoverable on the contract, are recognised at the time of evaluating the job.

- (b) In case of certain high end boilers the milestones method is used for the measurement of the stage of completion, so as to ensure greater compliance of the valuation in the financial statements with respect to the effective stage of completion of the activities
- (c) On supply of materials related to the transmission towers, revenue is recognized upon the delivery of goods to the client in accordance with the terms of contract. Sales include excise duty and other receivable from the customers but exclude Value Added Tax, wherever applicable.
- (d) Revenue from providing services are recognized in income statement at the moment said services are completed. As for works in progress, they are measured based on the status of completion of work. Whenever the results of the agreement cannot be reliably evaluated, revenues are recognized only to the extent that costs are deemed to be recoverable.
- (e) Insurance claims are accounted for on cash basis.
- (f) On Infrastructure Development Business :
 - (i) Annuity and Toll Receipts :

Toll revenue from operations of tollable roads is recognised on usage and recovery of the usage charge thereon.

The cash compensation due on account of multiple entries of cars has been accounted on accrual basis as per the order of Government of Kerala for which Supplementary Concession Agreement is being worked out between the Government of Kerala, Greater Cochin Development Authority and Cochin Bridge Infrastructure Company Limited (a subsidiary of the Company).

The annuity income earned from Build, Operate, Transfer ('BOT') projects is recognised on a time basis over the period during which the annuity is earned. Revenues from bonus and other claims are recognised upon acceptance from customer/counterparty.

(ii) Berth Operations :

Revenue by way of berth hire charges, dust suppression charges, cargo handling charges, plot rent, wharf age, barge freight, other charges etc. are recognised on an accrual basis and is billed as per the terms of the contract with the customers at the rates approved by Tariff Authority for Marine Ports (TAMP) as the related services are performed.

Other operating income is recognised on an accrual basis.

(g) Cargo freight income :

Cargo freight income is recognized at the time of booking of the consignment and is being accounted net of rebates, discounts and booking commission.

- (h) Revenue on developer fees is reconised on an accrual basis.
- (i) Interest income is recognised on time proportion method basis taking into account the amounts outstanding and the rate applicable.
- (j) Dividend is recognised when the shareholders' right to receive payment is established by the Balance Sheet date.

4 Turnover :

Turnover represents work certified upto and after taking into consideration the actual cost incurred and profit evaluated by adopting the percentage of the work completion method of accounting.

Turnover in respect of the BOT contracts, governed by Service concession agreements with government authorities (grantor), is considered as exchanged with the grantor against toll collection rights/annuities receivable and not eliminated.

Turnover also includes the revenue from the supply of material in the transmission tower contracts in accordance with the terms of contract and revenues in respect of the infrastructure development business.

5 Research and Development Expenses :

The Costs of research are charged at the moment they are borne.

The Costs for development in relation to a specific project are capitalized only when the Company is able to show the technical possibility of carrying out the intangible asset in order to make it available for use and sale, its intention to make it available for use and sale, the modalities the activity can provide for future economic benefits, the availability of technical, financial, as well as any other kind of resources in order to carry out development and its capacity to reliably assess the cost attributable to the activity during its development.

After the original recognition, the costs of development are assessed net of the corresponding quotas of amortization and of the impairment loss. Further capitalized costs for development are amortized with reference to the period of time where it is expected that the project thereof will produce revenue for the Company.

6 Joint Venture :

- (a) Joint Venture Contracts under Consortium are accounted as independent contracts to the extent of work completion.
- (b) In Joint Venture Contracts under Profit Sharing Arrangement, services rendered to Joint Ventures are accounted as income on accrual basis, profit or loss is accounted as and when determined by the Joint Venture and net Investment in Joint Venture is reflected as investments or loans and advances or current liabilities.

7 Employee Retirement Benefits :

The Companies of the Group have both defined contribution plans and defined benefit plans.

Retirement benefits in the form of provident fund and superannuation is a defined contribution scheme and contributions are charged to the Profit and Loss Account for the year/period when the contributions are due.

Gratuity a defined benefit obligation is provided on the basis of an actuarial valuation made at the end of each year/period on projected Unit Credit Method.

Leave encashment is recognised on the basis of an actuarial valuation made at the end of each year on projected Unit Credit Method.

Actuarial gains/losses are immediately taken to profit and loss account and are not deferred.

In case of certain Subsidiaries and a Joint Venture the entitlement of employee's retirement benefit is based upon the employee's final salary and length of service, subject to the completion of a minimum service period based on the laws of the respective country. The expected costs of these benefits are accrued over the period of employment. The terminal benefits are paid to employees' on their termination or leaving employment. Accordingly, the Company does not expect settlement against terminal benefit obligation in the near future.

8 Fixed Assets

Fixed Assets are valued and stated at cost of acquisition less accumulated depreciation thereon. Revalued assets are stated at the revalued amount. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition of its intended use. Borrowing costs relating to acquisition of fixed assets which take a substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Assets held by virtue of financial lease agreements, through which the risks and benefits associated with ownership thereof are essentially transferred to the Group, are recognised as Group assets and accounted for at their current value or, if lower, the current value of the minimum payments due for the leasing, including any sum to be paid for exercising the purchase option. The corresponding liability to the lessor is represented in the accounts under financial payables.

Capital work in progress represents the costs incurred on project activity till completion of the project. It includes all direct material, labour and sub-contracting costs and those indirect costs related to constructions that are identifiable with or allocable to the project including borrowing costs.

Depreciation and Amortization :

Indian Operations

Depreciation for the accounting period is provided on :

(a) Straight Line Method, for assets purchased after 2nd April, 1987, at the rates specified in Schedule II to the Companies Act, 2013 based on useful life of Assets.

- (b) Written Down Value Method, for assets acquired on or prior to 2nd April, 1987, at the rates specified in Schedule II to the Companies Act, 2013 based on useful life of Assets.
- (c) Depreciation on revalued component of the assets is charged to Profit and Loss account.
- (d) The depreciation on assets used for construction has been treated as period cost.
- (e) The Infrastructure Projects Assets are amortized over a period of the rights given under the various Concession Agreements to which they relate.
- (f) Expenses incurred by the Company on periodic maintenance (required to be incurred by it in the 5th, 10th and 15th year as per the Contract with NHAI) are capitalised on the completion of said activity as the same enhances the useful life of the project. These costs are amortised over the period up to which the next periodic maintenance is due. The periodic maintenance of 15th year is written off over the balance concession period.

Overseas Operations

Depreciation is charged on a straight line basis over the useful life of the assets or as prescribed as per the relevant local laws of such country. Where the asset being depreciated is made up of distinctly identifiable elements, whose useful life significantly differs from that of the other parts the deprecation is provided separately in accordance with the component approach.

The percentage of depreciation considering the estimated useful lives of the assets are as follows:

| Asset | Percentage |
|------------------------|------------|
| Building | 12.50% |
| Plant and Machinery | 15.00% |
| Computer | 20.00% |
| Furniture and Fixtures | 12.00% |
| Office Equipment | 40.00% |
| Motor Vehicles | 25.00% |

Intangible Assets :

Intangible assets are amortised over the period of the useful life of the rights and it begins when the asset is available for use. Intangible assets of infinite useful lives are not amortized but subject to impairment test, on an annual basis.

Intangible assets are represented by non-monetary elements, identifiable and lacking physical consistency, controllable and capable of generating future economic benefits. These elements are recorded at purchase and/or production cost, inclusive of any directly attributable expenses for preparing the asset for use, net of accumulated amortisation and any impairment losses.

Intangible assets also represents the concession rights in relation to toll roads to collect toll fees for improvement, operations and maintenance, rehabilitation and strengthening of existing 2 lane road and widening to 4 lane divided carriageway from Km. 539.500 to Km. 440.000 (Vadape-Gonde Section) of NH-3 on Build, Operate and Transfer (BOT) basis in the State of Maharashtra. Such costs include all construction costs including sub-contract costs and other costs attributable to the said project asset including borrowing costs and the proportionate cash payout (negative grant) at the end of concession period to NHAI.

Hitherto the amortisation of intangible assets arising out of service concession agreements was based on units of usage method i.e. on the number of vehicles expected to use the project facility over the concession period as estimated by the management. During the year, based on notification dated 17th April, 2012 issued by the Ministry of Corporate Affairs, the Company has changed the method of amortisation of intangible assets arising out of service concession agreement prospectively. Effective 1st April, 2012 the amortisation is in proportion to the revenue earned for the period to the total estimated toll and annuity revenue i.e. expected to be collected over the balance concession period. Had the Company followed the earlier method, the amortisation would have been higher by ₹ 1.85 Crore.

9 Impairment of Assets :

On annual basis company makes an assessment of any indicator that may lead to impairment of assets. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

10 Investments :

Investments are classified as current and long term investments. Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of long term investments.

Investments in associates are accounted under Equity Method as per Accounting Standard - 23 "Accounting for Investments in Associates in Consolidated Financial Statements" of Company's Accounting Standard Rules, 2006.

Amortisation of Oil Assets in overseas operations:

The amortisation realised during the year is based on the Accounting regulations for service contracts and to the reforms of the Regulations of Internal Tax regime law of Panama.

11 Inventories :

- (a) In case of the Indian Operations, the Stores and Construction Materials are valued and stated at lower of cost or net realisable value. The Weighted Average method of inventory valuation is used to determine the cost. Raw materials are valued at cost, net of Excise duty and Value Added Tax, wherever applicable. Stores and spares, loose tools are valued at cost except unserviceable and obsolete items that are valued at estimated realizable value thereof.
- (b) Work In Progress on construction contracts reflects value of material inputs and expenses incurred on contracts including estimated profit in evaluated jobs.
- (c) Work In Progress from manufacturing operation is valued at cost and Costs are determined on Weighted Average method.
- (d) Finished Goods are valued at cost or net realizable value, whichever is lower. Costs are determined on Weighted Average method except in case of overseas operations and an Indian subsidiary where the finished goods are valued on Weighted Average Cost basis.
- (e) In case of the overseas Operations and an Indian subsidiary, the Stores and spares and Construction materials are valued at Weighted Average Cost basis.
- (f) Works In Progress for service contracts are measured based on the status of completion of work. Whenever the results of the agreement cannot be reliably evaluated, revenues are recognized only to the extent that costs are deemed to be recoverable. The costs for purchasing goods and services are recognized in the income statement on accrual basis and develop into decreases in economic benefits, which occur in the form of cash outflows, or of impairment of assets or incurring liabilities.

12 Foreign Currency Translation :

Initial Recognition

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transactions. Fixed Assets acquired in foreign currencies are translated at the rate prevailing on the date of Bill of Lading.

Conversion

Current Assets and Current Liabilities are translated at the yearend rate or forward contract rate.

Exchange Differences

- (a) Any Gain or Loss on account of exchange difference either on settlement or translation is recognized in the Profit and Loss Account.
- (b) The exchange gain / loss on long term loans to non integral operations being Subsidiaries are restated to Foreign Exchange Translation Reserve Account and will be transferred to the Profit and Loss Account in the year when the disposal of or otherwise transfer of the operations are done.

Translation

- (a) The transactions of Oman branch are accounted as a non-integral operation. The related exchange difference on conversion is accounted under Foreign Currency Translation Reserve Account.
- (b) The transactions of branches at Kenya, Nigeria, Bhutan and Algeria are accounted as integral operation.

- (c) The conversion of component financial statements expressed in foreign currency are as follows:
 - 1) the assets and liabilities are converted using the exchange rates in effect as of the Balance Sheet date;
 - 2) the income and expenditure are converted using the average exchange rate for the period/year;
 - 3) the "Foreign Exchange Translation Reserve" comprises both the exchange differences generated by the conversion of the economic quantities using a rate other than the closing one and those generated by the conversion of the opening shareholders' equities at an exchange rate other than the closing one for the reporting period;
 - 4) goodwill and adjustments deriving from the fair value linked to the acquisition of a foreign entity are treated as assets and liabilities of the foreign entity and converted using the period end exchange rate.
- (d) In line with notification of the Companies (Accounting Standards) Amendment Rules 2011 issued by Ministry of Corporate Affairs on 31st March, 2011 amending Accounting Standard - 11 (AS - 11) The Effects of Changes in Foreign Exchange Rates (revised 2003), the Company has chosen to exercise the option under para 46 inserted in the standard by the notification. Accordingly, exchange differences on all long term monetary items, with retrospective effect from 1st April, 2007, are:
 - 1) To the extent such items are used for the acquisition of a depreciable capital asset are added to / deducted from the cost of the asset and depreciated over the balance life of the asset.
 - 2) In other cases accumulated in the "Foreign Currency Monetary Item Translation Difference Account" and amortised to the Profit and Loss Account over the balance life of the long term monetary item but not beyond 31st March, 2012

13 Borrowing Cost :

1000

Borrowing costs directly attributable to the acquisition or construction of qualifying assets are capitalized. Other borrowing costs are recognized as expenses in the period in which they are incurred. In determining the amount of borrowing costs eligible for capitalization during a period, any income earned on the temporary investment of those borrowings is deducted from the borrowing costs incurred.

14 Employee Stock Option Scheme :

Employee stock options are evaluated and accounted on intrinsic value method as per the accounting treatment prescribed under Guidance Note on "Accounting for Employee Share-based payments" issued by the ICAI read with SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 issued by Securities and Exchange Board of India. Accordingly the excess of market value of the stock options as on the date of grant over the exercise price of the options is recognized as deferred employee compensation and is charged to profit and loss account on graded vesting basis over the vesting period of the options. The un-amortized portion of the deferred employee compensation is reduced from Employee Stock Option Outstanding which is shown under Reserves and Surplus.

15 Taxation:

Tax expense comprises current and deferred tax. Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 and the Income Computation and Disclosure Standards issued by the Central Board of Direct Taxes and tax laws prevailing in the respective tax jurisdictions where the Group operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current Income Tax relating to items recognised directly in equity is recognised in equity and not in the Statement of Profit and Loss.

Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred Tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred Tax Assets and Deferred Tax liabilities are offset, if a legally enforceable right exists to set-off Current Tax Assets against Current Tax Liabilities and the Deferred Tax Assets and the Deferred Tax Assets and the Deferred Tax Assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all Deferred Tax Assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each Balance Sheet date the Company re-assesses unrecognised Deferred Tax Dssets. It recognises unrecognised Deferred Tax Assets to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such Deferred Tax Assets can be realised.

Few Subsidiaries are eligible for 100% tax holiday under section 80-IA of the Income Tax Act, 1961. As a result, timing differences arising and reversing during the tax holiday period are not recognized by the Company.

Minimum Alternative Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the profit and loss account and shown as MAT Credit Entitlement. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

The carrying amount of Deferred Tax Assets are reviewed at each Balance Sheet date. The Company writes down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

In case of overseas Subsidiaries and Joint Ventures, current taxes are calculated on the basis of the taxable income for the year, applying the tax rate in force, in those countries, as of the Balance Sheet date.

16 Provision, Contingent Liabilities and Contingent Assets :

Provisions involving substantial degree of estimation in measurement are recognised when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Provisions for risks and charges are recognized for losses and liabilities whose existence is certain or probable but the timing or amount of the obligation is uncertain as of the financial year end date.

Contingent Liabilities are not recognized but are disclosed in the notes to accounts. Disputed demands in respect of Central Excise, Customs, Income tax and Sales Tax are disclosed as Contingent Liabilities. Payment in respect of such demands, if any, is shown as advance, till the final outcome of the matter.

Contingent Assets are neither recognized nor disclosed in the financial statements.

17 Earnings per share :

Basic and diluted earning per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events of share split.

For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to equity shareholders and weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

18 Operating Lease :

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term are classified as operating leases. Operating lease payments are recognized as an expense in the Profit and Loss Account on a straight line basis over the lease term.

19 Derivatives :

As of the date the contract is entered into, the derivative instruments are recorded at fair value and, if the derivative instruments do not qualify for being recorded as hedging instruments, the changes in the fair value recorded after initial statement as handled as components of the operating result for the year if they relate to forward transactions (sales or purchases) and the financial result for the year if relating to interest rate swaps. If instead the derivative instruments satisfy the requirements for being classified as hedging instruments, the subsequent changes in the fair value are recorded following the specific criteria indicated below. With regard to each financial derivative qualified for recording as a hedging instrument, its relationship with the hedged item is documented, along with the risk management objectives, the hedging strategy and the methods for checking the effectiveness.

The effectiveness of each hedge is checked both at the time of initiating each derivative instrument, and over its duration. As a rule, a hedge is considered highly effective if, both at the start and over its duration, the changes in the fair value in the event of a fair value hedge or in the cash flows expected in the future in the event of a cash flow hedge of the hedged element, are essentially offset by the changes in the fair value of the cash flows of the hedging instrument.

When the hedge concerns the fair value changes of assets or liabilities recorded in the financial statements (fair value hedge), both the changes in the fair value of the hedging instruments and the changes in the hedged item are charged to the income statement. If the hedge is not perfectly effective, or differences are noted between the aforementioned changes, the "ineffective" part represents financial expense/income recorded among the negative/positive components of the profit for the year.

In the event of hedging aimed at neutralising the risk of the changes in cash flows originated by the future execution of obligations contractually defined at the Balance Sheet date (cash flow hedge), the changes in the fair value of the derivative instrument registered after the initial statement are recorded, solely in relation to the effective part, under the item "Cash flow reserve" as part of the shareholders' equity. When the economic effects originated by the hedged item occur, the reserve is transferred to the income statement. If the hedge is not perfectly effective, the fair value change of the hedging instrument, referring to the ineffective portion of it is immediately recorded in the income statement. If, over the duration of a derivative instrument, the occurrence of the expected cash flows and the hedged item is no longer considered highly probable, the portion of the "cash flow reserve" relating to this instrument is immediately transferred to the income statement for the year. Vice versa, in the event that a derivative instrument is transferred or can no longer be qualified as an effective hedging instrument, the portion of the "Cash flow reserve" representative of the fair value changes of the instrument, recorded up to that moment, is maintained as a component of shareholders' equity and transferred to the income statement following the classification approach described above, at the same time as the manifestation of the transaction originally hedged.

The fair value of financial instruments listed on an active market is based on the market prices as of the Balance Sheet date. The fair value of instruments which are not listed on an organised market is determined by using valuation techniques based on a series of methods and assumptions linked to market conditions as of the Balance Sheet date. Other techniques, such as the estimation of the discounted cash flows, are used for the purpose of determining the fair value of the other financial instruments. The fair value of interest rate swaps is calculated using the average rate at maturity as of the Balance Sheet date.

Given the short-term characteristics of trade receivables and payables, it is deemed that the book values, net of any bad debts provisions for doubtful receivables, represent a good approximation of the fair value.

20 Grant :

Public Grants, in the presence of a formal allocation resolution, and in any event, when the right to their disbursement is considered definitive since reasonably certainty exists that the Group will observe the conditions envisaged for perception thereof and that the grants will be collected, are recorded on an accrual basis in direct correlation with the costs incurred. The public grants provided for investments are therefore booked against the purchase price or the production costs of the asset. Other operating grants are credited to the income statement under the item "Other revenues and income".

The SPV on receipt of grant as equity support from NHAI accounts the same under Shareholders funds under Reserves and Surplus, in accordance with the terms of the concession granted to the Company. The grant related to operations not forming part of equity support will be credited to the Profit and Loss account.

21 Deferred Payment Liability :

The deferred payment liability represents the cash payout (Negative grant) payable to the NHAI as per the terms of the Concession agreement at the end of the Concession period. The said deferred payment liability does not carry any interest thereon.

22 Minority Interest :

Minority interest comprises of amount of equity attributable to the minority shareholders at the date on which investments are made by the Company in the Subsidiaries and further movements in their share in the equity, subsequent to the date of the investments.

B. OTHER NOTES

1 The consolidated financial statements comprise the financial statements of **GAMMON INDIA LIMITED (GIL)** (the Holding Company), its Subsidiary Companies, Joint Ventures and Associates consolidated on the basis of the relevant accounting standards.

(a) Subsidiaries :

The following Subsidiary Companies have been consolidated in the financial statement as per AS-21 as on 31st March, 2016.

| | Country of | Mar 20 | 16 | Sep 2014 | | |

| 19 | Sofinter S.p.A | Associate |

(ii) The Board of Francotosi Mecanica S.p.A (FTM) filed on 30th May, 2013 with the court of Milan (and with the Companies Registry) a "preliminary" request for admission to the procedure of pre-insolvency composition agreement with creditors and restructuring debts ("concordato preventivo"), under Articles 161 Clause 6, Italian Government Publication dated 10th March, 1942 No 267 – further amended in September 2012 in light of acute financial stress being faced by the Company due to several extraneous reasons.

The said application was admitted by the Court on 7th June, 2013 and the court soon thereafter appointed a Judicial Commissioner to evaluate the possibility of FTM continuing its operations and, if this was established, to set out a procedure to continue and manage the Company for a period of at least two years. On 31st July, 2013, the presiding Judge of the Court of Milan having received confirmation of the possibility of continuity of FTM called for bids for the lease of the business of FTM. Four bidders had submitted compliant bids for the lease.

Thereafter The commissioner in charge of the Extraordinary Administration of Franco Tosi Meccanica S.p.A. has already concluded the sale of the operating business of FTM to the successful bidder and has commenced the disposal of the non-core assets (i.e. those assets which were not part of the sale of operating business), which includes 60 acres of land in Legnano, Italy. The commissioner has not started the actual disposal of the property. The valuation pegged by the commissioner is based on the valuation of land in adjoining premises which is also under administration. However the liabilities to be discharged against the surplus on disposal (net of tax) has not been made available by the commissioner.

However in light of the ongoing procedure the Commissioner has not released any financial statements of the Company to date and it is expected that this will not be released until the entire process is complete.

On account of the above facts and the absence of financial statements of the said FTM, FTM functions under serve long term restrictions which impair its ability to transfer funds to its parent. The Management of the Company and the Board of FTM have no say in the matter and have no access to records which are with the Commissioner. Therefore, as per para 11(b) of AS-21 Consolidated Financial statements of the Company (Accounting Standard) Rules, 2006, the said FTM was excluded from Consolidation from the period ended 30th September, 2014. Accordingly FTM has been accounted as per Accounting Standards AS-13, Accounting for Investments. The Company's funded and non funded exposure towards FTM is ₹ 582.09 Crore. The losses of the said FTM already accounted in the past, the provision for impairment of goodwill made and the provision for risks and contingencies already made aggregating to ₹ 322.93 Crore are considered as provision for diminution in the value of Investment.

Despite the factors stated above the management expects that the surplus available to the equity shareholder will be adequate to cover the exposure of the Company towards FTM and no further provision for diminution in the value required.

- (iii) Gammon & Billimoria Limited holds 49.00% of the equity of G&B Contracting LLC (previously known as Gammon & Billimoria LLC), a limited liability Company registered in Dubai hereafter referred as G&B LLC. Since the Management and Operational control of G&B LLC is with Gammon & Billimoria Limited, G&B LLC is being consolidated as a Subsidiary under Accounting Standard (AS) 21 of Companies Accounting Standard Rules 2006.
- (iv) During the period ended 31st March, 2016, the GIPL has transferred its entire holding including beneficial interest in favour of BIF India Holdings Pte Ltd for which it entered into a Share Purchase Agreement (SPA) for the following entities: AEL, AIIPL, GICL, KBICL, MNEL AND REL.

Further, the SPA with BIF India Holdings Pte Limited, covers sale of another 3 Subsidiaries, PREL, SHPVL and VGRPPL inrespect of which certain conditions precendent are in the process of being satisfied. Since the date of the Balance Sheet, the sale transaction's long stop date with respect to PREL's and SHVPL's for satisfaction of the conditions precedents have expired on 26th May, 2016 while that of VGRPPL is 26th August, 2016.

Further, GIPL has re-evaluated the fair value of PREL and SHPVL through external valuers. The fair value of these two Subsidiaries is higher than the invetsment value in these Subsidiaries. As a result the assets of these Subsidiaries were not impaired.

During the period ended 31st March, 2016, the GIPL has also divested its entire holding in three other Subsidiaries, MTL, PBHL and PHL.

(v) M/s Ansaldocaldaie Boilers India Private Limited, a subsidiary of the Company had received amounts as Share Application Money of ₹ 16.64 Crore for further allotment of shares which were to be issued on terms and conditions to be decided by the Board and in line with the extant regulation of the RBI. The Reserve Bank of India had on 29th January, 2014 directed the Company to refund the said amounts to Ansaldo Caldaie s.p.A. The Company has subsequently applied to RBI vide letter dated 28th February, 2014 to

convert the share application money as ECB Loan which has also been approved by the Board of Ansaldo Caldaie s.p.A. However on 25th June, 14 RBI had turned down the Companies request to convert the share application money in to loan and directed to allot the share or refund the money within one year. Since Ansaldo S.p.A was unable to increase its holding in the Company in the absence of equivalent contribution from the holding company, it has irrevocably waived its right to be allotted further equity shares and has also waived its right to received a refund of the advance share application money vide its letter dated 18th May, 2015. Till further documentation this amount is being shown as payable to Ansaldo S.p.A in the financial statements of ACBI.

(vi) The Company through its step down Subsidiary P. Van Eerd Beheersmaatschappij B. V, Netherlands (PVAN) held a 50.00% shareholding in Sadelmi S.p.A for Euro 7.50 Million., Italy (Sadelmi) with the remaining 50% held by Busi Impianti S.p.A, Italy since April 2008. Due to the economic conditions prevailing in different parts of the world where Sadelmi was present some of the projects under execution encountered serious contractual problems. Sadelmi therefore sought creditors' protection through a Court in Italy and simultaneously, as part of scheme, applied for transferring the remaining projects and leased all references standing in its name since inception to a new Company Busi Power S.r.L. wholly held by Busi Group. The above procedure however has not yet been completed as the decision in the Court is still awaited. The delay is on account of objections raised by some creditors among other reasons. In view of the uncertainties prevailing in Europe and the delay in the outcome of the Court process in respect of the creditors' protection sought by M/s Sadelmi in its application in connection therewith, the Company has, on prudent basis, made full provision towards the Investment in Sadelmi in FY 2012-13. While Commissioner has released the financials for the period ended December 2015 which showed heavy losses in excess of the equity infused by the said Company. The management is confident that no further commitment is required to be infused by the Company and all losses have been recorded. The exposure to the said Sadelmi is fully provided for in these consolidated statements.

b. Jointly Controlled Entities

and the

The following Jointly Controlled Entities have been considered applying AS-27 on the basis of audited accounts (except stated otherwise) for the year ended 31st March, 2016.

| Profit after Tax | 8.24 | (6.16) |

(F in Cuana)

- (ii) The above figures pertaining to the Joint Venture Companies are based on the audited accounts for the period ended 31st March, 2016 except for GEC, ACGB, GSEW and Gammon OJSC Mosmetrostroy JV which are based on the un-audited management accounts.
- (iii) A Joint Venture Company in the Group, which has executed a License Agreement with its client Mumbai Port Trust (MbPT) for developing a container terminal in Mumbai Port under the BOT scheme, could not commence operations till date due to the non-fulfilment of certain obligations by MbPT. The continuing delays for over 5 years has resulted in the account being classified by the lenders as a non performing asset. These conditions indicated existence of significant uncertainty and doubt regarding the Joint Venture's ability to continue as going concern and its ability to realise its assets and discharge its liabilities in the normal course. However, a process has been initiated by MbPT and the Joint Venture to revive the project by restructuring it from a single cargo terminal to a multi clean cargo terminal. This involves both MbPT and the joint venture to determine a mutually acceptable replacement cost of the facilities constructed by the Joint Venture. Thereafter MbPT will invite fresh bids for the project. In the interim the Joint Venture has been granted permission by MbPT to operate Roll On Roll Off vessels on trial basis for one year on a revenue share basis. The trial commercial operations have commenced since 21st July, 2015. The management believes that considering the process initiated by MbPT to revive the project, the financials of the joint venture has been prepared on going concern basis and as such no impairment of the asset is required.

c. Associates

The following Associates have been accounted for on one line basis applying the equity method in accordance with the Accounting Standard (AS) - 23 " Accounting for Investment in Associates in Consolidated Financial Statements".

* Based on the un-audited management accounts for the period ended 31st March, 2016.

**Marked Companies are Associates of Subsidiary GIPL.

(i) Sofinter

- a. The Group's exposure towards investment in Sofinter Group is ₹ 887.82 Crore including investments, loans and guarantees towards the acquisition loan taken by the SPV, M/s Gammon International B.V.
- b. The Company had in 2011, issued Guarantees, including Corporate Guarantees, for an amount of USD 35 Million on behalf of Gammon Holdings Mauritius Limited (GHML), a wholly owned Subsidiary, to Guarantee its contractual commitment under a Put Option Agreement with BT Global Investors Limited (BT) who was a holder of shares and convertible bonds (the Sofinter Securities) in Sofinter S.p.A. The Put was to be exercised within February 2014 and on all the Sofinter Securities. Consequent upon the conversion of the bonds into additional shares in Sofinter on 18th December, 2013, BT has become the holder of 35% shares in Sofinter, thereby diluting the holding of Gammon International B.V. in Sofinter to 32.5%. Prior to the date of this conversion, BT also exercised its Put Option on GHML for all the Sofinter securities, for an amount of USD 32 Million (₹ 212.26 Crore). The Put Option was duly honoured by GHML by drawing on debt raised from Export Import Bank of India Limited (Exim) for USD 18 Million (₹ 119.40 Crore) and balance against the funded exposure by the parent Company for ₹ 92.86 Crore.

The transferor has created pledae in favour of the lenders of the transferee company. The process of transferring the ownership in favour of the transferee company is expected to be completed by 30th September, 2016. Considering the proposed holding of 67.5% in Sofinter Group, the order book position, the valuation carried out of the said Sofinter Group by an independent valuer and the current financials of Sofinter, the Management is of the view that no impairment is required in the exposure of the group.

- c. Further pending the transfer of 35% in favour of GHML conferring it voting right right over Sofinter, the group has continued to account the said Sofinter as an 'Associate Company' to the extent of 32.50%.
- d. Notwithstanding it's strong order book position, the Bankers to Sofinter Group have made the renewal and enhancement of all its credit lines for a further period of three years conditional upon the infusion of fresh equity capital into the Company. None of the existing shareholders in Sofinter are in a position to commit to this increase.

Furthermore, Gammon Group as part of its restructuring activities has decided to divest all its non- core investments including its investment in Sofinter Group. As part of this process, an investor has shown interest in acquiring the entire 67.5% stake in Sofinter held by Gammon Group (including 35% to be transferred by BT Global Ltd in the name of Gammon Holdings Mauritius Ltd) while also expressing its willingness to invest fresh capital into the Company. The proposed investor has already completed due diligence and is in the process of negotiating a detailed Share Purchase Agreement with Gammon and a new Shareholder Agreement with the remaining Sofinter Shareholders, both of which are expected to be completed very soon. On completion of these transactions the Bankers to Sofinter Group will renew and enhance all its credit lines to ensure continuity of business of the Group and will also facilitate the Auditors of Sofinter Group to complete the Financial Statements for 2015 and issue their Going Concern Report. Since details of all the information in this regard are not available with the Sofinter Board due to confidentiality, it could not evaluate the 'Going Concern' aspect, and accordingly decided not to comment on it at the time of approving the Management Report for purpose of consolidation for Gammon FS for the 18 month period.

However, since Gammon has full information in its possession and is also driving the entire process, it has consolidated the results of Sofinter Group on a Going Concern basis.

(ii) During the year Transrail Lighting Limited (TLL) an Erstwhile Subsidiary was divested to the extent of 75% as part of restructuring exercise of the Company in favour of the investor as at 26th February, 2016. The said TLL has been consolidated as an associate since 26th February, 2016. The Profit on divestment includes reversal of losses parked in retained earning of earlier years and has been shown as exceptional Item (Refer Note 38)

- a) Pledge of entire unencumbered equity shares (present and future) of GIL held by Promoters subject to Section 19(2) and 19(3) of Banking Regulation Act including pledge of encumbered equity shares as and when such shares are released by the respective existing lenders.
- b) Personal guarantee of Mr. Abhijit Rajan, Chairman and Managing Director.
- c) Undertaking to create pledge over the resultant shares of Metropolitan Infrahousing Private Limited (MIPL) after signing the JV agreement with developer.
- d) Undertaking to create pledge over shares of Nikhita Estate Developers Private Limited (Promoter group company), as and when they are released in the future.
- e) Corporate guarantee provided by Nikhita Estate Developers Private Limited ("promoter entity")
- f) Pledge over the following shares -

23% of Deepmala Infrastructure Private Limited 100% of SEZ Adityapur Limited

24% of Ansaldocaldaie Boilers India Private Limited 100% of Gactel Turnkey Projects Limited

100% of Transrail Lighting Limited (out of which currently only 25% pledged with the CDR Lenders)

(g) The Company had pursuant to the Shareholders approval in May, 2015, issued Unsecured Zero Coupon Compulsorily Convertible Debentures ("CCD's") of upto ₹ 100 Crore to the promoters against their contribution made to the Company's Corporate Debt Restructuring ("CDR") package. However no allotment was made, since the in-principle approval for allotment was awaited from BSE Ltd.

On 26th April, 2016, BSE has directed the Company to modify the "relevant date" adopted by the Company for the pricing of the CCD's and seek shareholders approval afresh. The amount contributed by the Promoters continues to remain as debt in the Company.

(h) Transmission & Distribution (T&D) business:

The Joint Lender's Forum ("JLF") meeting convened on 17th November, 2015 and 16th December, 2015 and CDR EG meeting held on 23rd November, 2015 and 22nd January, 2016 approved the adoption of the Strategic Debt Restructuring scheme of the Company which interalia entailed a carve out of Transmission & Distribution (T&D) business with the entry of strategic investors. Pursuant to the same the Company, with effect from 1st January, 2016, through a business transfer agreement, as detailed in financial Statements, transferred borrowings aggregating to ₹ 200.13 Crore to Transmil Lighting Limited ("TLL"). The Company is proposing to file with the Hon. High Court of Bombay a scheme of arrangement for transfer of the retained T&D facility whereunder borrowings aggregating to ₹ 93.21 Crore would be transferred to TLL. Pending approval of the scheme of arrangement the borrowings are continued in the books of the Company.

(ii) Project loans - Public Private Partnership Projects

The term loans from banks and financial institutions are primarily taken by various project executing entities of the GIPL Group for the execution of the projects. These loans are secured by a first mortgage and charge on all the movable properties, immovable properties, tangible assets, intangible assets, future receivables and all bank accounts (including escrow bank accounts) save and except the project assets of each individual borrowing Company in the Group. Further in few of the SPVs a corporate guarantee of GIPL is given guaranteeing the repayment of the secured obligations in the event of termination of the Concession Agreement pursuant to occurrence of any Concessionaire Default during the construction period, which shall stand discharged upon occurrence of the CoD.

Loans from others are secured by a pledge of equity shares of a subsidiary and hypothecation of developer fees receivable from some of its SPVs. As the event of certain covenants related to underlying security has been breached the entire outstanding amount has been recalled by the lender and accordingly the outstanding sum due has been classified as current.

During the current period, a subsidiary of the Company enagaged in the design, construction, development, operation and maintenance of a road bridge on a Design, Build Finance, Operate and Transfer basis, in the state of Andhra Pradesh started commercial operations from 1st November, 2015. However, the commercial operations of the project were delayed on account of reasons not attributable to the subsidiary. These delays led to cost and time overruns for which the subsidiary was required to restructure the project loan availed from a consortium of lenders. As the subsidiary is not able to service its debt obligations the lenders have classifed the loan as a non performing asset. However, as the lenders have not recalled the loan, the subsidiary continues to disclose the same under non current liability.

As per the License Agreement signed by a Joint Venture company (JV) of the Group with its client Mumbai Port Trust (MbPT), certain obligations were required to be completed by MbPT at various sites of the project and hand over these partially developed sites to the JV for carrying out further development work. These included capital dredging at the berth pockets, approach channel and turning circle, filling of Princess and Victoria docks, etc. MbPT till date has not completed these activities. Due to this, there has been a long delay in commencing container operations by over 5 years. The continuing delays has resulted in the lenders classifying the asset as a non performing asset. These delays has resulted in defaults in payment of loan instalments by the JV. However, both the JV and MbPT have initiated discussions in reviving the project by restructuring the same. The entire process is likely to be completed by the end of the next financial year. In the interim, MbPT has granted permission to the JV to use its completed berths for commencing RORO operations for one year on trial basis. A part of the revenue earned from these operations is being used to meet the lenders obligations. Considering the steps initiated by the JV and MbPT and as the loans have not yet been recalled by the lenders the JV continues to disclose the loans under long term borrowings as a non current liability.

The above mentioned long-term loans carry an interest rate which is at a spread above/below the bank's base rate or bank prime lending rate or G-sec rate or at a negotiated rate. The spread ranges from 50 to 300 basis points. In case of a consortium of lenders the rate applicable is the highest rate charged by any one member of the consortium thereof.

Loans from others, carries interest rates in the range of 11% p.a. to 15% p.a.

The Loan is secured by charge over DSRA A/c of the Company. The Parent Company has also pledged its entire shareholding of the Company with the Bank and also provided Corporate Guarantee.

During the Previous Period Term Loan from ICICI Bank has been resheduled by which the same are to be repaid by 1st April, 2015 by sale of Investments. In case sale doesnot occur or the proceeds are insufficient, the same is repayable by the parent Company in quaterly installments from 1st April, 2015. The applicable interest rate is equal to 3 months LIBOR plus 275 bps for GIBV and PVAN, and 3 months LIBOR plus 250 bps for GHBV and ATSL B.V. Interest and installment is due and paid on Quaterly basis. The interest rate will increase by 100 bps for GIBV and PVAN while 125 bps for GHBV and ATSL B.V. if not repaid before 30th April, 2015 with retrospective effect from 1st October, 2012. Provision has been made for such additional amounts by the respective SPV's.

During the Previous Period Term Loan from ICICI Bank, UK PLC has been resheduled by which the same are to be repaid by 1st April, 2015 by sale of Investments. In case sale doesnot occur or the proceds are insufficient, the same is repayable by the parent Company in quaterly installments from 1st April, 2015. The applicable interest rate is equal to 3 months EUROLIBOR plus 360 bps for GIBV, Interest and installment is due and paid on Quaterly basis. The interest rate will increase by 100 bps if not repaid before 30th April, 2015 with retrospective effect from 1st October, 2012. Provision has been made for such additional amounts by the respective SPV's.

(iv) Others

inge-

(1) ACBI

Non shaded figures are for previous period ended 30th September, 2014

(viii) The Company had pursuant to the Shareholders approval in May, 2015, issued Unsecured Zero Coupon Compulsorily Convertible Debentures ("CCD's") of upto ₹ 100 Crore to the promoters against their contribution made to the Company's Corporate Debt Restructuring ("CDR") package. However no allotment was made, since the in-principle approval for allotment was awaited from BSE Ltd. On 26th April, 2016, BSE has directed the Company to modify the "relevant date" adopted by the Company for the pricing of the CCD's and seek shareholders approval afresh. The amount contributed by the Promoters continues to remain as debt in the Company.

(ix) Transmission & Distribution (T&D) business:

The Joint Lender's Forum ("JLF") meeting convened on 17th November, 2015 and 16th December, 2015 and CDR EG meeting held on 23rd November, 2015 and 22nd January, 2016 approved the adoption of the Strategic Debt Restructuring scheme of the Company which interalia entailed a carve out of Transmission & Distribution (T&D) business with the entry of strategic investors. Pursuant to the

same the Company, with effect from 1st January, 2016, through a business transfer agreement, as detailed in financial Statements, transferred borrowings aggregating to ₹ 200.13 Crore to Transrail Lighting Limited ("TLL"). The Company is proposing to file with the Hon. High Court of Bombay a scheme of arrangement for transfer of the retained T&D facility whereunder borrowings aggregating to ₹ 93.21 Crore would be transferred to TLL. Pending approval of the scheme of arrangement the borrowings are continued in the books of the Company.

| Deferred Tax Liabilities | 1.94 | | 4.04 | |
| Deferred Tax Assets | | 167.02 | | 179.36 |

(a) The Group has recognised deferred tax asset on unabsorbed business losses and depreciation as per tax laws to the extent of deferred tax liability following the EAC opinion that, to the extent of deferred tax liability there is virtual certainty that there will be sufficient profits arising out of reversal of the deferred tax liability to absorb the unabsorbed depreciation / losses. In the current period the deferred tax asset on unabsorbed depreciration and unabsorbed loss is reversed in the absence of deferred tax liability on depreciation.

| | TOTAL | 1,449.85 | 1,966.95 |

|--|

(i) Valuation methodology :

| Raw Material | Raw materials are valued at cost, net of Excise duty and Value Added Tax, wherever applicable. Stores and spares, loose tools are valued at cost except unserviceable and obsolete items that are valued at estimated realizable value thereof. Costs are determined on weighted average method |
|---|---|
| Work In Progress | Work-in-Progress on construction contracts reflects value of material inputs and expenses incurred on contracts including estimated profits in evaluated jobs. Work in progress from manufacturing operation is valued at cost .and Costs are determined on weighted average method |
| Finished Goods | Finished Goods are valued at cost or net realizable value, whichever is lower. Costs are determined on weighted .average method |
| Stores and Spares Materials of Construction Site | Stores and Construction Materials are valued and stated at lower of cost or net realisable value. The weighted .average method of inventory valuation is used to determine the cost |
| Other Scrap Material | At realisable value |

(ii) Due to inherent diversities in the legal and regulatory environment governing accounting principles, the accounting policies would be better understood when referred from the individual financial Statements. However, the following are instances of diverse accounting policies followed by the Subsidiaries, which may materially vary with these Consolidated Financial Statements.

In case of SAE the Work-in-progress has been recorded on the basis of the criterion of the completion or the status of progress; the revenues and the job margin are recognized according to the progress of the productive activity as against the method of computing the percentage of work completed is determined by the expenditure incurred on the job till each review date to total expenditure of the job.

In respect of the projects undertaken by the Company -

- i) The Company in evaluating its jobs has considered an amount of ₹ 153.29 Crore arising out of claims for work done on account of cost overruns arising due to client delays, changes of scope, escalation claims, variation orders, deviation in design and other charges recoverable from the client which are pending acceptance or certification by the client or referred the matter to the dispute resolution board / arbitration panel.
- ii) In furtherance to the recommendation of the Dispute Resolution Board (DRB) and Arbitration Awards in the Company's favour, the Company has recognized income to the extent of ₹ 135.75 Crore which is part of Long Term Trade Receivable. The Company contends that such awards have reached finality for the determination of the amounts of such claims and are reasonably confident of recovery of such claims although the client has moved the court to set aside the awards. Considering the fact that the Company has received favourable awards from the DRB and the Arbitration Tribunal, the management is reasonably certain that the claims will get favourable verdict from the courts.
- iii) Trade Receivables includes ₹ 155.03 Crore in respect of two of its project based on advanced negotiation and discussion with the client and is confident of realising the same, pending the final revision in contract value.
- iv) In case of one of the Subsidiary G & B Contracting LLC ('GBLLC') in Dubai amount is due from a Debtor of GBLLC which includes retention money aggregating to AED 2.70 Million (₹ 4.86 Crore) due to GBLLC acting as a sub-contractor. The management of the said Subsidiary is of the opinion that the amount is contractually recoverable and the Subsidiary Company is in negotiations with the principal client and in the Company's opinion no provision is required to be made towards the same.
- v) There are disputes in six projects of the Company. The total exposure against these projects is ₹ 355.56 Crore. The Company is pursuing legal recourse / negotiations for addressing the disputes in favour of the Company and is of the opinion that it has a good case in the matter hence does not require any provision considering the claims of the Company against the Clients.

Disclosure under AS - 7 has been done only for the holding Company and the Indian Subsidiaries in the absence of similar disclosure information being available from the other component Companies in these financial statements especially the overseas Subsidiaries and Joint Ventures.

(b) The Group undertakes various projects on build-operate-transfer basis as per the service concession agreements with the government authorities. During the current period, expenses on construction activity and developer fees incurred by the operator on the project with the Group were considered as exchanged with the grantor against toll collection / annuity rights from such agreements and therefore the revenue from such contracts were considered realised by the Group and not eliminated for consolidation under AS-21 Consolidated Financial Statements. The revenue during the current period from such contracts are not eliminated to the extent of ₹ 424.83 Crore (Previous Period : ₹ 102.65 Crore)

(c) Break up of Turnover

| Particulars | | Oct 14 - Mar 16 | Jan 14 - Sep 14 |
|-------------------------------|-------|-----------------|-----------------|
| Sale of Products | | 155.68 | 50.41 |
| Construction Contract Revenue | | 6,872.34 | 3,317.07 |
| Toll Proceeds | | 341.20 | 101.93 |
| Annuity Income | | 422.84 | 274.56 |
| Port Revenue | | 184.66 | 81.47 |
| Sale of Power | | 34.09 | - |
| Developers Fees | | 4.87 | 1.01 |
| | Total | 8.015.68 | 3.826.45 |

(₹ in Crore)

d) During the current period, one of the SPV had received bunched up annuity amounting to ₹ 32.13 Crore (Previous Period ₹ 67.34 Crore) on account of the delay caused not on account of the SPV. The SPV has amortised the intangible asset proportionately for the portion related to the bunched up annuity.

- e) During the previous one of the road project SPV had started generating revenue. The project is under implementation however, the SPV as per the License Agreement signed with NHAI has a right to collect the user fees from the vehicles using the road. The total revenue collected during the current period 12.40 Crore (Previous Period ₹ 6.07 Crore).
- f) During the current period, MbPT has permitted one of the SPV's on a trial basis to commence the RORO operations on a revenue share basis which has handled 60 vessels till date.

(g) The Company, as part of its restructuring scheme in which it is carving out the EPC and T & D business into separate entities with residual non-core assets and some claims remaining in the main Company, had during the eighteen months period evaluated its existing claims in respect of on-going, completed and/or terminated contracts with the help of an independent expert in the field of claims and arbitration to assess the likely amount of claims being settled in favour of the Company. The expert had reviewed the claims and had opined that an amount aggregating to ₹ 1657.22 Crore will be reasonably certain to be settled in favour of the Company.

Based on the above opinion, the Company has during the year recognised claims of an aggregate amount of ₹ 1343.97 Crore including a further claim of ₹ 300 Crore during the quarter ended 31st March, 2016 excluding amounts recognised earlier of ₹ 313.25 Crore based on management estimates of reasonable realisation. These claims have been accounted as unbilled revenue and the management expects 25% of such claims other than on terminated projects to be realised within the operating cycle. Accordingly unbilled revenue has been disclosed as current and non-current in the Balance Sheet. The effects in the Statement of Profit and Loss are dependent upon the percentage of completion of the project.

- (i) The Ministry of Corporate affairs vide its letter dated 5th February, 2016 has directed the Company to either recover remuneration paid to Mr. Abhijit Rajan –Chairman and Managing Director for the period from 1st April, 2012 to 30th September, 2014 or to file application for waiver of remuneration paid. The Board on the recommendation of the Nomination and Remuneration Committee has, subject to shareholders approval, decided to seek approval from the Central Government for waiver of excess remuneration paid. The remuneration paid/ provided for the period from 1st October, 2014 to 31st March, 2016 is ₹ 9.11 Crore. The total amount of excess remuneration till 31st March, 2016 is ₹ 26.29 Crore which is pending for either approval for waiver of recovery or approval for payment of excess. Similarly the Company is applying for waiver of recovery of remuneration paid to its erstwhile executive director Mr. Himanshu Parikh for an aggregate amount of ₹ 0.60 Crore. In view of the above facts, no adjustments are made in these financials.
- (ii) Pursuant to the retrospective amendment to the Payment of Bonus Act, the Company was required to make provision for differential bonus for the year 2014-15 as per the amendment. However, various High Courts have granted interim stay to the applicability of the amendment for the year 2014-15. The Company has therefore not made provision for differential bonus for the year 2014-15. Provision for Bonus for the current year is made as per the amendment.
- (iii) Similarly in respect of the Gammon Infrastructure Projects Limited During the previous period on account of inadequacy of profits, the Company has paid managerial remuneration in respect of two personnel in excess of the limits specified under Schedule XIII of the Companies Act, 1956 and Schedule V of the Companies Act, 2013 wherever applicable. The total amount paid in excess of the limits as computed under the respective regulations is ₹ 2.04 Crore. The Company's application for waiver of the recovery has been rejected by the Ministry of Corporate affairs. However the Company is making a review petition to the Ministry to review its decision. Pending the same no adjustments have been made to the financial statements. Similarly for the current year the remuneration in excess of the limits computed under the provisions of \$197 read with Schedule V to the Companies Act, 2013 is ₹ 1.84 Crore for which the Company is in the process of making an application to the Central Government for approval / waiver of the same. Pending the approval, no adjustments have been made to the financial statements for the remuneration of the same.

31 The Company's operating result have been affected in the last few years by various factors including liquidity crunch, unavailability of resources on timely basis, delays in execution of projects, delays in land acquisition, approval of design etc. by client, scarcity in availability of labour and materials, operational issues etc. Company's overseas operations are characterized due to weak order booking, paucity of working capital and uncertain business environment. This has also resulted in various winding up claims filed against the Company. The Company is exploring several options for overcoming the liquidity crisis. The Group is in the process of development of its land parcel as well as monetizing its overseas investments and to divest some of its businesses, recovery towards final bills, retention money, settlement of non-routine collection including claims, arbitration awards etc. to meet the working capital needs. The Company is also in discussion with client for overcoming bottlenecks in timely executing the existing projects and to increase the order book. The Company is having a good order book in hand as on March 2016 of ₹ 11,000 Crore.

The Company continues to negotiate with vendors for settlement, improved commercial terms and better credit facility and is in process of arranging additional working capital finance to improve short term liquidity position. The Company is evaluating and exploring various courses of action for raising funds for Company's operations, including options for strategic restructuring.

However due to the continuing stress and the inability of the promoters to infuse fresh funds into the Company and the continuing losses, The Corporate Debt Restructuring Empowered group in its meeting held on 23rd November, 2015 has discussed and noted the proposal of the CDR Lenders for invocation of Strategic Debt Restructuring ("SDR") in the Company and carve out of the Civil Engineering, Procurement and Construction Business and the Transmission and Distribution businesses with change of management. The "Reference date" for the purpose of the SDR is 17th November, 2015. The lenders have invoked SDR and the requisite majority for approval of the SDR scheme in value and numbers had already been received and the CDR lenders have converted part of their loans and interest by taking a 62.65% stake in the Company upto the period ended 31st March, 2016. The Company has also as part of the SDR formulated a detailed restructuring package, which is detailed in a later paragraph.

Based on various developments including SDR by lenders resulting in lenders having majority stake and restructuring of businesses, the management is of the view that the Company will remain as going concern for future on the basis of existing order book,

restructuring proposal, monetization of the various non-core assets, future business potential, pre-qualifications for project bidding and previous track record.

SDR and Restructuring

Strategic Debt Restructuring

The lenders invoked SDR with reference date of 17th November, 2015. CDR EG noted the same in their meeting held on 23rd November, 2015 and approved by Joint Lenders Forum in its meeting held on 23rd November, 2015. As per the SDR proposal lenders can convert their debt into equity upto ₹ 300 Crore. As on date lenders have converted ₹ 272.22 Crore of the debt into equity representing 62.77 % of equity capital.

Restructuring.

The Company as part of its revival plan has decided to carve out the Civil EPC and Transmission and Distribution (T&D) businesses into separate companies through the process of BTA and Scheme of arrangement. This will help in getting new investors in the respective companies.

T & D Business

As part of the plan the Business Transfer Agreement (BTA) and the Court Scheme for transfer of the T&D business in favour of Transrail Lighting Limited, a wholly owned subsidiary has been finalised. The BTA has been executed in October 2015 and the court scheme is finalized and is pending approval of the Regulator. The Investor has been identified as Bilav Software Private Limited and the shareholder agreement is already signed with Bilav Software Private Limited for the T&D Businesses wherein they have acquired 75% stake in TLL at a cost of ₹ 2.33 Crore from GIL. They will also invest another ₹ 47.67 Crore approximately in TLL. As part of the carve out proposal of T&D Business ₹ 505 Crore funded and ₹ 3350 Crore non-funded exposure will be transferred to TLL.

Civil EPC

Company is in process of transfer its Civil EPC Business to its WOS through BTA and Scheme of arrangement. Company has signed BTA with its WOS. An investor GP Group of Thailand has given proposal to invest ₹ 250 Crore in Civil EPC Business.

Non-Core Assets

Companies will develop/monetise its investments in India and also outside India in coming years to repay the loans remaining in the Company.

32 GIPL has divested some of its Subsidiaries for a cash surplus which reduced the current liability and current asset mis-match. The present mismatch are dependent upon satisfaction of further condition precedents to effect the sale of balance SPV's as detailed in their financial Statements. Based on detailed evaluation of the current situation, plans formulated and active discussions underway with various stakeholders, management of GIPL is confident that the going concern assumption and the carrying values of the assets and liabilities in their audited financial results are appropriate.

33 Disclosure under Accounting Standard – 19 "Leases" of the Companies (Accounting Standards) Rule, 2006

- (i) The Company has taken various residential/godowns/offices premises (including Furniture and Fittings if any) under lease and license agreements for periods which generally range between 11 months to 3 years. These arrangements are renewable by mutual consent on mutually agreed terms. Under some of these arrangements the Company has given refundable security deposits. The lease payments are recognized in Profit and Loss Account under Rent, Rates and Taxes.
- (ii) DIPL, one of the Subsidiary has taken 15 acres of land on lease basis for a period of 30 years renewable for each period of 30 years at a time without any additional cost to the Company. The land is to be used for development of reality facilities such as retail mall, commercial offices and hotel etc. Therefore, the cost of leased land and expenditure during development stage has been directly debited to "Project work-in-progress", which is shown under Current Assets.
- (iii) One of the SPV has taken land on lease from Visakhapatnam Port Trust under non-cancellable operating lease agreements and temporary housing from others under cancellable operating lease agreements. Total rental expense under non-cancellable operating lease was ₹ 0.88 Crore (Previous Period: ₹ 0.44 Crore) and under cancellable operating leases was ₹ 0.26 Crore (Previous Period: ₹ 0.07 Crore) which has been disclosed as lease rentals in the statement of profit and loss.
- (iv) Further, another SPV has also taken an office premises on a non-cancellable operating lease. The monthly lease rents amounts to ₹ 0.11 Crore (Previous Period : ₹0.10 Crore).

(v) A detailed break up of amount payable to leasing Companies is as follows -

| xviii | Counter claims in arbitration matters referred by the Company – liability unascertainable | | |

xviii Counter claims in arbitration matters referred by the Company – liability unascertainable.

xix The disputed service Tax liability disclosed above is after considering legal advice on the probability of the liability materialising being remote.
 xx In respect of Borrowing transferred to TLL but Novation not yet carried out by the bankers till date amounting to ₹ 32.38 Crore

xxi Corporate Guarantee issued for borrowings transferred to TLL but Novation not yet carried out by the bankers till date amounting to ₹212.89 Crore

(a) Claims against the Company not acknowledged as debt includes :

(i) A winding up petition against a Subsidiary of the Group, has been filed by a creditor for recovery of ₹ 1.41 Crore. The Subsidiary is disputing the said amount and has recognised ₹ 0.17 Crore payable as there are claims and counter claims by both parties. Pending the final outcome of such proceeding, the claim from the trade payable is disclosed as a contingent liability. The management of the said is of the view that the same would be settled and does not expect any additional liabilities towards the same.

- (ii) Buyback and / or purchase of shares of Subsidiaries ₹ 89.88 Crore (Previous Period ₹ 99.98 Crore)
- (b) Export obligation under EPCG scheme by a Subsidiary of group Company amounts to ₹ 22.90 Crore (Previous Period ₹ 22.90 Crore).
- (c) In terms of the individual Contracts signed by SPV's they are required to carry major periodic maintenance of the roads they are operating as a part of commitment against receipt of Tolling Rights and / or Annuities. The said SPV's have made provisions towards the same in their respective financial statements.
- (d) In case of one of the Subsidiary, the Company is subject to a claim for damages amounting to AED 600,000 relating to a project. The Management do not consider that any liability will arise for the Company because the damage arose from work carried out by a subcontractor who, under the terms of the subcontract agreement, would be ultimately liable.

- (e) An amount of ₹ 17.77 Crore claimed by the collector and district registrar, Rajahmundry, pursuant to and Order dated 15th March, 2005, as deficit Stamp Duty payable on the concession agreement entered into between a subsidiary of the Group and NHAI, classifying the concession agreement as a 'lease' under Article 31(d) of the Indian Stamp Act. The subsidiary has impugned the Order by way of a writ petition before the High Court of Andhra Pradesh at Hyderabad. No provision is considered necessary in respect of the said demand, as the management of the subsidiary believes that there is no contravention of the Indian Stamp Act. Further, another Subsidiary of the Company has also been served a demand notice towards stamp duty amounting to ₹ 1.03 Crore which is before the Controller of Stamps office. The Company has a very good case to succeed in this matter and accordingly no provision for the same is required.
- (f) GIPL has received a letter for transfer of shares in one of its divested Subsidiary from a party who has paid advance for the same. The Company does not acknowledge the claim due to non satisfaction of certain conditions and is in the process of refunding the said advance to the party.
- (g) During the current period on account of the delays in financial closure of a Subsidiary of GIPL, the project is not expected to finish the construction phase within the scheduled completion initially envisaged. The management of the Subsidiary is in active discussion with NHAI including obtaining permission for harmonious substituition of the parent with another entity. The Subsidiary does not expect exercise of the penal provision of the concession agreement by NHAI. The Independent Engineer, has recommended a penalty of ₹ 43.28 Crore to NHAI for delay in execution upto 31st March, 2016.
- (h) Contingent Liability on accouunt of Contractual Obligation in case of one of the GIPL Subsidiary is ₹ 5.40 Crore

35 Segment Reporting

1000

The Company is engaged in three segments - Construction and Engineering, Oil exploration and Realty Development including businesses acquired on account of new acquisitions. The revenue/assets from oil exploration and realty development are less than threshold limit of 10% and hence no disclosure of separate segment reporting is made in terms of Accounting Standard AS -17. Similarly although the Group operates on a worldwide basis across the globe, they operate in two principal geographical areas of the world in India and the other countries. However during the period the overseas segment does not constitute more than 10% of total revenue and total assets and hence the segment-wise reporting is not disclosed in terms of Accounting Standard AS -17.

36 Quantitative information of Derivative instruments entered into by the Company and outstanding as at Balance Sheet date

38 Exceptional Items

1000

(₹ in Crore)

| Particulars | Oct 2014-Mar 2016 | Jan-Sep 2014 |
|---|-------------------|--------------|
| Profit on divestment of Subsidiaries of GIPL (Refer Note 42) | 68.38 | |
| Profit on divestment of subsidiary of GIL (Refer Note 1(c)(ii)) | 2.36 | |
| Sundry balances written back / Write off on divestment of SPV's | 0.67 | |
| Professional fees in connection with disposal of SPV's | (6.15) | |
| Others | (1.35) | |
| Tot | al 63.90 | |

(i) GIPL has during the period transferred its entire beneficial interest in favour of BIF India Holdings Pte Ltd. (Purchaser) for which it entered into a Share Purchase Agreement (SPA) with the purchaser for its following six Subsidiaries: AEL, AIIPL (through PHL being 100% subsidiary of the Company), GICL, KBICL, MNEL, and REL.

The SPA covered the sale of another 3 Subsidiaries PREL, SHPVL and VGRPPL to BIF India Holdings Pte Ltd., in respect of which certain condition precedent were required to be satisfied. In respect of PREL and SHPVL the long stop date expired on 26th May, 2016. The long stop date for VGRPPL is 26th August, 2016. Since the long stop date of PREL and SHPVL has crossed, the Company got a fresh valuation done to determine possible diminution in the value of investment from an external valuer and based on such valuation report has concluded that there is no diminution in the value of PREL and SHPVL.

The releases of pledge in respect of some of the shares of Subsidiaries are in progress although the necessary documents and authorities have been granted in favour of the purchaser. In respect of these shares, the registered shareholder continues to be the Company.

As a consequence of the sale of these six Subsidiaries, the O&M contracts between the said Subsidiaries and the Company has been cancelled. The Company has therefore written off its Intangible assets being the right to O&M activities which the Company acquired. An amount of ₹ 7.16 Crore has been charged to the Statement of Profit and Loss under Exceptional items. Similarly various tangible assets at the project sites of these Subsidiaries used by the Company to carry out its O&M activities have been written off. Further as per the terms of the SPA signed with the buyer there has been write-back (net) of various balances of the aforementioned six Subsidiaries aggregating to ₹ 0.66 Crore. These amounts are debited to the Statement of Profit and Loss under Exceptional items. Further there has also been a reversal of O&M income pursuant to the aforesaid SPA, of ₹ 13.56 Crore which has been effected.

- (ii) Further, during the current period, GIPL has during the period transferred its entire beneficial interest in three other Subsidiaries, MTL, PBHL and PHL in favour of Hiten Shah (Purchaser) for which it entered into a Share Purchase Agreement (SPA).
- (iii) The total cash consideration received on sale of all the nine Subsidiaries, is ₹ 138.15 Crore. Further, a waiver of ₹ 284.41 Crore has been received on refund of intercorprate loans received by the Company from the few of the divested Subsidiaries including interest payable thereon forms a part of the sale proceeds. The difference between the carrying value of investments and afore mentioned agrregate consideration has been shown as loss on sale of investments after providing towards certain obligations towards the projects.
- (iv) The profit on divestment also includes reversal of goodwill on acquisition of stakes, reversal of elimination of unrealised gains of contracting profits (net of depreciation reversed thereon) which were eliminated in respect of some of the projects of the SPV's divested by GIPL.
- (v) During the current period, a Subsidiary of the Company has lost inventory worth ₹ 5.21 Crore due to fire at its plant site. It has made a claim to the insurance company for a sum of ₹ 5.20 Crore. The claim is still under process for admission by the insurance company. The management is certain of recovering its loss and has accordingly recognised the claim amount. Therefore the net loss of ₹ 0.01 Crore is shown under Exceptional items.
- 39 (a) During the previous period, the Mormugao Port Trust ('MPT') has unilaterally sought to terminate the concession agreement with one of the wholly owned subsidiary namely Mormugao Terminal Limited (MTL) citing non-compliance with certain terms of the concession agreement. MPT also encashed the bid security bank guarantee for ₹ 2 Crore. The subsidiary has taken legal action in the matter including filing of arbitration. The Group's exposure towards the project is ₹ 5.95 Crore (Previous Period ₹ 5.71 Crore) (including guarantees of ₹ 2 Crore). Pending outcome of the legal proceedings, no adjustments have been made to the consolidated financial statements. The management believes that it has a strong case in this matter. MTL has been disposed off during the current period and is not a Subsidiary as at the Balance Sheet date.
 - (b) During the previous period, one of the wholly owned Subsidiary of the Group namely Patna Buxar Highways Limited (PBHL) has initiated correspondence with NHAI towards closure of its project on mutually acceptable terms primarily due to non-

availability of Right of Way to the site and Forest clearances. Subsequently vide its letter dated 29th August, 2014, the NHAI unilaterally terminated the concession agreement and also invoked the bank guarantee of ₹ 11.29 Crore. The Subsidiary has since, on October 22, 2014 referred the dispute to a conciliation procedure, contemplated in the terms of the concession arrangement by which it has sought to claim compensation towards the project related expenses and also the repayment against the invocation of the guarantee. The Group's total exposure to this project including guarantees invoked and project expenses is Nil (*Previous Period* ₹ 75.56 Crore) which is transferred to other current assets under project expenditure pending settlement. Pending conclusion of the conciliation procedure and reliefs under the terms of the concession agreement, no adjustments have been made to the consolidated financial statement. The management believes that it has a strong case in this matter. PBHL has been disposed off during the current period and is not a subsidiary as at the Balance Sheet date.

- (c) During the previous period, two wholly owned Subsidiaries namely Birmitrapur Barkote Highway Private Limited and Yamunanagar Panchkula Highway Private Limited have terminated the contracts with NHAI on mutually acceptable terms primarily due to nonavailability of Right of Way to the site and Environment and Forest clearances and on cessation of the operations, accounts of these two Subsidiaries were not prepared on the going concern basis. The exceptional item represents the write off of the expenditure incurred on these two projects amounting to ₹ Nil (Previous Period : ₹37.97 Crore).
- 40 (a) During the previous period, one of the wholly owned Subsidiary namely Youngthang Power Ventures Limited which has a license to develop a hydro power project in Himachal Pradesh has initiated correspondence with the State Government for exiting from the project primarily due to inability of the state government in resolving the local agitations related to environmental issues because of which the subsidiary was forced to stop its geological studies at the project site. The subsidiary has paid an upfront premium of ₹ 52.85 Crore to the State Government and the Group's exposure towards the project excluding the upfront premium is ₹ 15 Crore (Previous Period ₹ 14.46 Crore). The subsidiary has made a claim against the amounts spent on the project till date. The management believes that it has a strong case in this matter.
 - (b) During the previous period, the Greater Cochin Development Authority has sought to end/obstruct the toll collection by unilaterally sealing the toll booth of one of the subsidiary namely Cochin Bridge Infrastructure Company Limited. The subsidiary believes it has the right to collect toll at the bridge upto 27th April, 2020. Further necessary legal recourse is being initiated. The Group's total exposure towards the project inculdes ₹ 8.43 Crore (Previous Period ₹ 8.43 Crore) towards the unamortised project costs and ₹ 17.87 Crore (Previous Period ₹ 17.87 Crore) towards trade receivables and Corporate guarantee from the Company of ₹ 7.57 Crore (Previous Period ₹ 9.74 Crore). Pending outcome of the legal proceedings, no adjustments have been made to the consolidated financial statements. The management believes that it has a strong case in this matter.
 - (c) One of the SPV having a tolling bridge project, commenced operations from 1st November, 2015 and toll is being collected from that date. During the period, the SPV has incurred cash loss and its current liabilities exceed the current assets by ₹ 23.95 Crore as at 31st March, 2016. The current monthly toll collections is not sufficient to repay the monthly interest on bank borrowings. The SPV is required to pay the initial loan with the additional loan in 168 monthly installments with effect from April 2016. The interest on the said loan has been serviced by the SPV till September 2015. Thereafter, the term loan account of the Company has been classified as a Non Performing Asset. However, the banks have not yet recalled the loans. As such, the loans have been disclosed as a Non-current Liability. The management is exploring opportunities to replace the high cost debts. To achieve the above objective, the SPV has engaged rating agencies to assist the it to make a private placement of low cost bonds. In addition to the above, as per the Concession Agreement with Andra Pradesh Road Development Corporation (APRDC), the SPV is eligible to receive Revenue Shortfall Loan at subsidised rate of interest from the APRDC. The SPV is in the process of making necessary applications with APRDC. The management is strongly of the view that once APRDC satisfies its obligations under the terms of the Concession Agreement and other factors as stated above, the financial viability of the SPV is expected to improve. In view of the above, the financial statements have been prepared on a going concern basis and accordingly, no impairment of assets was required.
- 41 Disclosure of transactions with Related Parties, as required by Accounting Standard 18 'Related Party Disclosures has been set out in a separate Aneexure I annexed to this schedule.

42 Discontinuing operations:

(i) Gammon India Limited

As part of its restructuring of its business in order to create sector focused companies and to invite investments by strategic investors the Company decided to carve out its Transmission and Distribution business into Transrail Lighting Limited. The Company entered into shareholders agreement with M/s Bilav Software Private Limited to divest 75% of its stake in Transrail

Lighting limited. The Restructuring plan contemplated carving out of a portion of business vide a business transfer agreement and the balance portion of the T&D business by way of a scheme of arrangement of the retained T&D business in GIL through a court process. Accordingly the businesses transferred under the BTA and proposed to be transferred under the court scheme are treated as discontinuing operations.

Similarly, the EPC business is proposed to be transferred out into a wholly owned subsidiary either through a BTA or a Scheme or a mix of both. The Board of Directors vide its meeting dated 12th February, 2016 have approved the restructuring plan. Attention is invited to note no 31 where the identification of the investor and other terms of the same are detailed. The said EPC business proposed to be carved out are also included in as discontinuing operations.

(ii) Gammon Infrastructure Projects Limited

The disclosure of discontinuing operations has been made in respect of the 9 entites which have been sold and one entity namely Vijayawada Gundugulano Road Project Private Limited for which there is a binding contract for disposal. Since the Long stop date for Pravara Renewable Energy Limited and Sikkim Hydro Power ventures Limited has passed the same are not treated as discontinuing operations and are treated as part of continuing operations. In respect of these two entities the Management has carried out fresh valuation thorugh independent valuers and based on that concluded that there is no impairment necessary for the same.

- (iii) Detail disclosure of Discontinuing Operation as per Accounting Standard 24 "Discontinuing Operations" is given in Annexure II
- 43 Disclosure as required under schedule III of the Companies Act, 2013 is given in Annexure III
- 44 The current period is from 1st October, 2014 to 31st March, 2016. The comparative figures for the previous period are for the period from 1st January, 2014 to 30th September, 2014. The figures for both these periods are therefore not strictly comparable.
- 45 Previous Period figures are regrouped and rearranged with those of the current period.

NOTICE TO SHAREHOLDERS

Notice is hereby given that the **Ninety Fourth Annual General Meeting of Gammon India Limited** will be held on Wednesday, 21st September, 2016 at 3.30 P.M. at Textiles Committee, P. Balu Road, Prabhadevi Chowk, Prabhadevi, Mumbai – 400 025 to transact the following business:

ORDINARY BUSINESS

- To receive, consider and adopt the Audited Financial Statements of the Company for the 18 (eighteen) months period ended 31st March, 2016 together with Reports of the Board of Directors and Auditors thereon and the Audited Consolidated Financial Statements of the Company for the 18 (eighteen) months period ended 31st March, 2016 together with Reports of the Auditors thereon.
- 2. To appoint a Director in place of Mr. Ajit B. Desai (DIN: 00105836) who retires by rotation and being eligible, offers himself for re-appointment.
- 3. To consider and if thought fit, to pass with or without modification(s), the following resolution as an Ordinary Resolution:

RESOLVED THAT pursuant to the provisions of Section 139 and all other applicable provisions of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014 (including any statutory modification(s) or re-enactment thereof for the time being in force), the Company hereby ratifies the appointment of M/s. Natvarlal Vepari & Co., Chartered Accountants (Firm Registration No. 106971W), as the Statutory Auditors of the Company to hold office from the conclusion of this meeting until the conclusion of the Annual General Meeting to be held for the financial year 2016-17 on such remuneration as may be determined by the Board of Directors.

SPECIAL BUSINESS:

4. To consider and if thought fit, to pass with or without modification(s), the following resolution as an Ordinary Resolution:

RESOLVED THAT pursuant to the provisions of Section 143(8) and all other applicable provisions, if any, of the Companies Act, 2013 (the "Act") read with Companies (Audit and Auditors) Rules, 2014 (including any statutory modification(s) or re-enactment thereof for the time being in force), the Company hereby ratifies the appointment of M/s. Vinod Modi & Associates, Chartered Accountants (Firm Registration No. 111515W) and M/s. M. G. Shah & Associates, Chartered Accountants (Firm Registration No. 111515W) and M/s. M. G. Shah & Associates, Chartered Accountants (Firm Registration No. 111515W) and M/s. M. G. Shah & Associates, Chartered Accountants (Firm Registration No. 112561W) as the Joint Branch Auditors of "Gammon India Limited – Transmission & Distribution Business" at Nagpur and all other offices of Transmission and Distribution business wherever situated in India and abroad, to hold office from the conclusion of this meeting until the conclusion of the Annual General Meeting to be held for the financial year 2018-19 subject to ratification at each Annual General Meeting and on such remuneration as may be determined by the Board of Directors.

5. To consider and if thought fit, to pass with or without modification(s), the following resolution as an Ordinary Resolution:

RESOLVED THAT pursuant to Section 148 of the Companies Act, 2013 read with Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the Company hereby ratifies payment of remuneration to Mr. R. Srinivasa Raghavan, Cost Auditor for conducting audit of cost accounting records maintained by the Company for the Company's (i) Civil Engineering Procurement and Construction business and (ii) Transmission & Distribution business as follows:

- a. ₹. 2,25,000/- (Rupees two lakh twenty five thousand only) per annum plus all applicable taxes and out of pocket expenses for the period commencing from 1st October, 2014 to 31st March, 2016
- b. ₹. 2,50,000/- (Rupees two lakh fifty thousand only) per annum plus all applicable taxes and out of pocket expenses for the financial year 2016-17

RESOLVED FURTHER THAT the Board of Directors of the Company be and is hereby authorized to do all such acts, deeds, matters and things as may be necessary to give effect to this resolution.

6. To consider and if thought fit, to pass with or without modification(s), the following resolution as a Special Resolution:

RESOLVED THAT pursuant to the provisions of Section 20 of the Companies Act, 2013 and relevant rules framed thereunder and other applicable provisions, if any, whereby, a document may be served on any member by the Company by sending it to him/her by post, by registered post, by speed post, by electronic mode, or any other modes as may be prescribed, consent of the members be and is hereby accorded to charge from the member such fees in advance equivalent to estimated actual expenses of delivery of the documents delivered through registered post or speed post or by courier service or such other mode of delivery of documents pursuant to any request by the shareholder for delivery of documents, through a particular mode of service mentioned above provided such request along with requisite fees has been duly received by the Company at least 10 days in advance of dispatch of documents by the Company to the shareholder;

RESOLVED FURTHER THAT for the purpose of giving effect to this resolution the Board of Directors or Key Managerial Personnel of the Company be and are hereby severally authorized to do all such acts, deeds, matters and things as may be necessary, proper or desirable to give effect to the resolution.

By Order of the Board of Directors For GAMMON INDIA LIMITED

GITA G. BADE Company Secretary

Registered Office:

"Gammon House", Veer Savarkar Marg, Prabhadevi, Mumbai - 400 025.

Dated : 21st July, 2016

NOTES:

- A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND INSTEAD OF HIMSELF/HERSELF AND THAT THE PROXY NEED NOT BE A MEMBER. A person can act as a proxy on behalf of members not exceeding fifty (50) and holding in aggregate not more than ten (10) percent of the total paid-up share capital of the Company. A member holding more than ten (10) percent of total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other member.
- 2. Proxies to be effective should be deposited at the Registered Office of the Company not less than forty eight (48) hours before the commencement of the meeting.
- 3. The relative Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 in respect of special businesses under Item No. 4 to 6 is annexed hereto.
- 4. The Register of Members and the Share Transfer Books of the Company will remain closed from 14th September, 2016 to 21st September, 2016 (both days inclusive).
- 5. Members who hold shares in the dematerialized form are requested to write their DP ID and Client ID and those holding shares in physical form are requested to write their folio number in the attendance slip and hand it over at the entrance of the meeting hall.
- 6. Voting through electronic means:
 - (a) Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014, and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide members the facility to exercise their right to vote at the Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services provided by Central Depository Services Limited (CDSL).
 - (b) A member may exercise his vote at any general meeting by electronic means and Company may pass any resolution by electronic voting system in accordance with the Rule 20 of the Companies (Management and Administration) Rules, 2014.
 - (c) During the e-voting period, members of the Company, holding shares either in physical form or dematerialized form, as on the cut-off date i.e. 13th September, 2016 may cast their vote electronically.
 - (d) The e-voting period commences at 9.00 a.m. on Sunday, 18th September, 2016 and ends at 5.00 p.m. on Tuesday, 20th September, 2016. The e-voting module shall be disabled by CDSL for voting thereafter.
 - (e) Once the vote on a resolution is cast by the shareholder, the shareholder shall not be allowed to change it subsequently.
 - (f) Voting rights shall be reckoned on the paid-up value of shares registered in the name of the members as on the date of dispatch of notice.
 - (g) The Board of Directors at their meeting have appointed Mr. Vidyadhar V. Chakradeo, Practicing Company Secretary (FCS No. 3382) as the scrutinizer to scrutinize the remote e-voting process as well as voting through poll paper at the meeting in a fair and transparent manner.

(h) Instructions for e-voting:

- (1) In case of Members receiving Notice of the Annual General Meeting by email and who wish to vote using the e-voting facility :
 - (i) The shareholders should log on to the e-voting website <u>www.evotingindia.com.</u>
 - (ii) Click on Shareholders.
 - (iii) Now Enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Members holding shares in Physical Form should enter Folio Number registered with the Company.
 - (iv) Next enter the Image Verification as displayed and Click on Login.
 - (v) If you are holding shares in demat form and had logged on to <u>www.evotingindia.com</u> and voted on an earlier voting of any company, then your existing password is to be used.
 - (vi) If you are a first time user follow the steps given below:

| | For Members holding shares in Demat Form and Physical Form |
|------------------------|---|
| PAN | Enter your 10 digit alpha-numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) |
| | • Members who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number which is printed on Postal Ballot / Attendance Slip indicated in the PAN field. |
| Dividend Bank Details | Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your |
| OR Date of Birth (DOB) | demat account or in the company records in order to login. |
| | • If both the details are not recorded with the depository or company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (iv). |

- (vii) After entering these details appropriately, click on "SUBMIT" tab.
- (viii) Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (ix) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (x) Click on the EVSN for the relevant <Company Name> on which you choose to vote.
- (xi) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xii) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xiii) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xiv) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xv) You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.
- (xvi) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.

(xvii) Shareholders can also cast their vote using CDSL's mobile app m-Voting available for android based mobiles. The m-Voting app can be downloaded from Google Play Store. Apple and Windows phone users can download the app from the App Store and the Windows Phone Store respectively. Please follow the instructions as prompted by the mobile app while voting on your mobile.

(xviii)Note for Non – Individual Shareholders and Custodians

- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.
- A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to <u>helpdesk.evoting@cdslindia.com.</u>
- After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login should be mailed to <u>helpdesk.evoting@cdslindia.com</u> and on approval of the accounts they would be able to cast their vote.
- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- (xix) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com, under help section or write an email to <u>helpdesk.evoting@cdslindia.com</u>.

In case you have any queries or issues regarding e-voting, please contact <u>helpdesk.evoting@cdslindia.com</u>.

(2) In case of Members receiving Notice of the Annual General Meeting by post and who wish to vote using the e-voting facility:

Please follow all steps from Sr. No. (ii) to Sr. No. (xix) above, to cast your vote.

- 7. Members are requested to carefully read the instructions and in case of any queries, you may refer to the e-voting for Members and User Manual for Shareholders to cast their votes available in the Help section of <u>www.evotingindia.com</u>.
- 8. Since the Company is required to provide facility to the members to exercise their right to vote by electronic means, shareholders of the Company, holding shares either in physical form or in dematerialized form and not casting their vote electronically, may cast their vote at the Annual General Meeting.
- 9. Facility of voting through Poll paper shall be made available at the AGM. Members attending the AGM, who have not already cast their vote by remote e-voting shall be able to exercise their right at the AGM.
- 10. Any person who acquires shares of the Company and becomes a Member of the Company after the dispatch of the AGM Notice and holds shares as on the cut-off date, i.e. 13th September, 2016, may obtain the login Id and password by sending a request at <u>evotingindia@cdsl.co.in.</u> However, if you are already registered with CDSL for remote e-voting, then you can use your existing user ID and password for casting your vote. If you have forgotten your password, you may reset your password by using "forgot User Details/ Password" option available on <u>www.evotingindia.com.</u>
- 11. The Scrutinizer shall within a period of 24 hours from the conclusion of the e-voting period unlock the votes in the presence of at least two (2) witnesses not in the employment of the Company and make a Scrutinizer's Report of the votes cast in favour or against, if any, forthwith to the Chairman of the Company.
- 12. The Results shall be declared within 24 hours of the conclusion of the Annual General Meeting of the Company. The Results declared along with the Scrutinizer's Report shall be placed on the Company's website <u>www.gammonindia.com</u> and on the website of CDSL within 24 hours and communicated to The National Stock Exchange of India Limited & BSE Limited.
- 13. Subject to the receipt of requisite number of votes, the Resolutions forming part of the AGM notice shall be deemed to be passed on the date of the AGM i.e. Wednesday, 21st September, 2016.
- 14. Corporate members intending to send their authorized representatives to attend the Meeting are requested to send to the Company, a certified copy of the Board Resolution authorizing the representative to attend and vote on their behalf at the Meeting.
- 15. Pursuant to Section 205A of the Companies Act, 1956, the dividend not encashed or claimed within seven (7) years from the date of its transfer to the unpaid dividend account shall be transferred to the Investor Education and Protection Fund (IEPF) established by the Central Government. Accordingly, the Company has transferred Final Dividend for the financial year 2007-08 amounting to

₹ 228,685/- to Investor Education and Protection Fund (IEPF) on 21st November, 2015 which was due and payable and remained unclaimed and unpaid for a period of seven years.

| Financial Year | Type of Dividend | Tentative date of transfer to IEPF |
|----------------|------------------|---------------------------------------|
| 2008-2009 | Final Dividend | 17 th December, 2016 |
| 2010-2011 | Interim Dividend | 21 st October, 2017 |
| 2009-2010 | Final Dividend | 30 th November, 2017 |
| 2010-2011 | Final Dividend | 29 th October, 2018 |
| 2011-2012 | Final Dividend | 28 th November, 2019 |

The Company will be transferring dividend to IEPF as per the following schedule:

16. Members/ Proxies should bring the enclosed attendance slip duly filled in, for attending the Annual General Meeting, along with their copy of the Annual Report.

- 17. Members can avail nomination facility as per the provisions of Section 72 of the Companies Act, 2013 for registering their nomination which has to be submitted in Form SH-13. In case of cancellation of earlier nomination and registering fresh nomination, the information has to be submitted in Form SH-14. Members holding shares in physical mode are requested to submit their nomination forms to the Registrar and Share Transfer Agents and members holding shares in demat mode may obtain the nomination forms from their depository participant.
- 18. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
- 19. Electronic copy of the Notice along with the Annual Report is being sent to all the members whose email ids are registered with the Company/Depository Participants(s) for communication purposes unless any member has requested for a hard copy of the same. For members who have not registered their email address, physical copies of the Annual Report are being sent in the permitted mode.
- 20. Members who have not registered their e-mail addresses, so far, are requested to register their email addresses, in respect of their electronic holdings with the Depository through their concerned Depository Participants. Members who hold shares in physical form are requested to register their e-mail addresses with the Company's Registrar & Transfer Agents, M/s. Link Intime India Private Limited by sending an email to gammonindiagogreen@linkintime.co.in along with details like Name, Folio No. etc.
- 21. Members are requested to send their queries, if any, at least 10 (ten) days before the Annual General Meeting, so as to enable the Board to keep the information ready.
- 22. The shareholders are requested to address their correspondence to the Registrar & Share Transfer Agent viz. M/s. Link Intime India Private Limited, C-13, Pannalal Silk Mills Compound, L. B. S. Marg, Bhandup (W), Mumbai 400 078.
- 23. Members may also note that the Notice of the 94th Annual General Meeting and the Annual Report for the eighteen (18) months period ended 31st March, 2016 will be available on the Company's website viz. <u>www.gammonindia.com.</u> Physical copies of the aforesaid documents will be available at the registered office for inspection during normal business hours on working days.

ANNEXURE TO NOTICE

As required by Section 102 of the Companies Act, 2013 the following Explanatory Statement sets out the material facts relating to the businesses under Item Nos. 4 to 6 of the accompanying Notice dated 21st July, 2016.

Item No. 4:

Members had, at the 92nd Annual General Meeting held on 30th June, 2014, approved the appointment of M/s. Vinod Modi & Associates, Chartered Accountants (Firm Registration No. 111515W) and M/s. M. G. Shah & Associates, Chartered Accountants (Firm Registration No. 111515W) and M/s. M. G. Shah & Associates, Chartered Accountants (Firm Registration No. 112561W) as the Joint Branch Auditors of 'Gammon India Limited – Transmission & Distribution Business Nagpur' and all other branch offices of the Transmission and Distribution business ("T&D") wherever situated until the conclusion of the Annual General Meeting to be held for the financial year 2018-19, on such remuneration to be determined by the Board of Directors.

Rule 3(7) of the Companies (Audit and Auditors) Rules, 2014 states that appointment of the auditor shall be subject to ratification by the members at every Annual General Meeting till the expiry of the term of the Auditor. In view of the above, the appointment of M/s. Vinod Modi & Associates, Chartered Accountants and M/s. M. G. Shah & Associates, Chartered Accountants as the Joint Branch Auditors of T&D business and all other branch offices of T&D Business wherever situated in India or outside India, from the conclusion of this meeting until the conclusion of the Annual General Meeting to be held for the financial year 2018-19 is being placed for members ratification.

The Board recommends the passing of the Ordinary Resolution at Item No.4 of the accompanying Notice for members approval.

None of the Directors and Key Managerial Personnel of the Company and their respective relatives are concerned or interested in the passing of the above resolution.

Item No.5:

Members are hereby informed that in the Audit Committee meetings held on 4th December 2014, 13th February, 2015 and 20th July 2016 has appointed Mr. R. Srinivasa Raghavan as the Cost Auditor of the Company for the financial years commencing from 1st October, 2014 to 31st March, 2016 and financial year 2016-17 to conduct audit of cost accounting records maintained by the Company in respect of the Company's (a) Civil Engineering, Procurement and Construction business and (b) T&D business at Butibori and Baroda on the following remuneration:

- a. ₹. 2,25,000/- (Rupees two lakh twenty five thousand only) per annum plus all applicable taxes and out of pocket expenses for the period commencing from 1st October, 2014 to 31st March, 2016;
- b. ₹. 2,50,000/- (Rupees two lakh fifty thousand only) per annum plus all applicable taxes and out of pocket expenses for the financial year 2016-17;

Pursuant to Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the remuneration proposed to be paid to the Cost Auditor is required to be ratified by the shareholders.

The Board recommends the passing of the Ordinary Resolution at Item No. 5 of the accompanying Notice for Members approval.

None of the Directors and the Key Managerial Personnel of the Company and their respective relatives are concerned or interested in the passing of the above resolution.

Item No. 6

As per the provisions of Section 20 of the Companies Act, 2013, a document may be served on any member by sending it to him by registered post, by speed post, by electronic mode, or any other modes as may be prescribed. Further a member may request the delivery of document through any other mode by paying such fees as maybe determined by the members in the Annual General Meeting.

Accordingly, the Board recommends the passing of the Special Resolution at Item No. 6 of the accompanying Notice for members approval.

None of the Directors and the Key Managerial Personnel of the Company and their respective relatives are concerned or interested in the passing of the above resolution.
