\*Remuneration on a pro-rata basis within the limit of Rs. 6 crores p.a.

The Company had made applications to the Ministry of Corporate Affairs for payment of remuneration as aforementioned. After almost two years the ministry rejected the applications on the grounds that the Company had not submitted a "No Objection letter" from the lenders. The Company obtained the NOC from the lenders for payment of remuneration on 20<sup>th</sup> May, 2015 and once again resubmitted the applications to the Ministry for payment of remuneration as approved by the shareholders as mentioned above. The Ministry once again rejected the applications and vide their letters dated 24<sup>th</sup> November, 2016 and 28<sup>th</sup> March, 2017 directed the Company to recover the amounts paid. The Company made several representations to the Ministry.

Members are informed that out of the remuneration as approved by the shareholders and lenders, the actual remuneration paid to Mr. Rajan is Rs. 8,12,34,400/- for the financial year 2012-13 (i.e. from April 1, 2012 to March 31, 2013), Rs. 4,34,88,747/- for the financial period from April 1, 2013 to December 31, 2013 and Rs. 4,71,36,693 for the financial period from January 1, 2014 to September 30, 2014. Members may also note that no remuneration has been paid to Mr. Rajan from 1<sup>st</sup> October, 2014 till date.

The financial year 2011-12 onward has been a difficult period for the construction industry and for the Company. With fewer projects to bid for the order booking was sluggish. Government inaction, delay in awarding projects, delays in clearances by various government agencies, bureaucratic apathy, inflationary pressures resulting in an all-round increase in costs especially of major construction materials resulted in squeeze on liquidity, higher interest costs leading to delays in projects, and delays in timely recoveries from clients and all these had a dampening effect on the overall performance and consequently on the Net Profits of the Company. The impact led to pressures on the working capital and resulted in higher debt. The Company's financial performance was affected due to the overall slowdown in the infrastructure industry and the Company started facing a severe liquidity crisis. The Company had no option but to go for Corporate Debt Restructuring in June, 2013. As a precondition to the CDR Package implementation, Mr. Rajan alongwith his promoter group contributed a total amount of Rs. 100 crores out of which Mr. Rajan personally contributed a sum of Rs. 83 crores. In addition he has also given his personal guarantee to the CDR Lenders. All this was undertaken by Mr. Rajan as his commitment to improve the Company's financial position and to protect the interests of all stakeholders.

Members are further informed that pursuant to the invocation of SDR in the Company, Mr. Rajan's stake in the Company has been reduced from 35% to 11.52%. However he continues to manage the affairs of the Company during such critical times and devotes all his time and efforts in managing the Company's affairs. Mr. Rajan has been working without any remuneration over two years. The rejection of remuneration to him will be highly unjust and unfair, while the lenders had given their No Objection to the payment of remuneration which was earlier approved by the shareholders.

On the recommendation of the Nomination and Remuneration Committee, the Board in its meeting held on 5<sup>th</sup> May, 2017 has subject to members approval and approval of the Central Government, pursuant to the provisions of Section 197 of the Companies Act, 2013 proposed to seek waiver from recovery of excess remuneration paid to Mr. Rajan as set out in the resolution at Item No. 3. The said resolution being a related party transaction, (though not material as per SEBI {Listing Obligations and Disclosure Requirements} Regulations, 2015) has also been approved by the Audit Committee in its meeting held on 5<sup>th</sup> May, 2017.

Except for Mr. Rajan to whom the resolution relates to and his relatives, none of the other Directors or Key Managerial Personnel of the Company or their respective relatives, are in any way concerned or interested in the aforementioned special resolution set out at Item no. 3 above.

The Board commends passing of the special resolution at Item No. 3 for approval by the members.
