Independent Auditor's Limited Review Report on unaudited standalone financial results for the quarter and half year ended September 30, 2025 of Gammon India Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To
The Board of Directors
Gammon India Limited,
Mumbai.

1. We have reviewed the accompanying statement of unaudited standalone financial results ("Statement") of Gammon India Limited ("the Company") for the quarter and half year ended September 30, 2025. This statement is being submitted by the Company pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015, as amended (The Listing Regulations).
2. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. This Statement has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" (Ind-AS 34) prescribed under section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on this Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statement is free of material misstatements. A review of interim financial information consists of making inquiries, primarily of persons responsible for accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards of Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
4. **Basis of Qualified Conclusion**
 - a) We invite attention to note no. 4(a) financial results, where the Company has during the previous year evaluated its existing claims in respect of on-going, completed and terminated contracts recognised in the earlier periods. Based on opinion of independent expert in the field of claims and

arbitration who had assessed the likely number of claims being settled in favour of the Company, the Company has retained claims amounting to Rs. 30.00 crore as at September 30, 2025 as good and receivable.

In respect of the above claims, due to prolonged elapse of time and non-crystallization of matter with the counterpart, we are unable to comment upon the amounts recognised, its realisation and the consequent effect on the financial results for the quarter and half year ended September 30, 2025.

- b) We invite attention to note no. 4(b) of the financial results relating to penal interest and charges of Rs 31.48 Cores (to the extent availability of loan statement) during the quarter charged by the lenders on its facilities. Cumulative amount of such penal interest and charges amounts to Rs. 862.22 Crores (to the extent availability of loan statement) up to September 30, 2025. The same has not been debited to profit and loss account as management is disputing the same and is in discussion with the lenders for reversal of the said penal interest and charges. In the absence of conclusion of the aforesaid discussion, we are unable to state whether any provision is required to be made against such penal interest and charges which are considered as contingent liability.

5. Qualified Conclusion

Except for the possible effects arising out of the matters mentioned in para 4(a) & 4(b) of our Basis for Qualified Conclusion mentioned hereinabove, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable accounting standards as specified under section 133 of the Companies Act, 2013, read with rule 7 of the Companies (Accounts) Rules, 2014 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. Material Uncertainty relating to Going Concern.

We invite attention to note no. 6 of the financials results relating to the present financial situation of the Company detailing the Material Uncertainties Relating to Going Concern and the Going Concern assumptions. The lenders had in the previous years recalled all the loans and facilities and also the Company's current liabilities exceeds current assets by Rs 12,049.13 Crore as at September 30, 2025. The Company is finding it difficult to meet its financial obligations and the resolution plan is under consideration by lenders. The liquidity crunch is affecting the Company's operation with increasing severity. The trading in equity shares of the Company is presently suspended. Some of the creditors have filed for winding up petitions against the Company. Some of the bankers have initiated action for recovering by putting on embargo on the Company's assets as detailed in the aforesaid note. The company has severe manpower issues and is defaulting on its statutory and regulatory obligations. We

are informed that the Company's resolution plan pending since a very long time is under consideration by the lenders as detailed in the aforesaid note. The note of the Management does not have any fresh updates from previous quarters. Further, we are informed that the lenders are not able to reach a consensus due to which there is hardly any progress in the matter from the lenders end to mitigate the uncertainty related to going concern. On account of there being no progress, the success of the resolution plan involves material uncertainties that may cast significant doubt about the Going Concern Assumption. Our report is not qualified on this account.

7. Emphasis of Matter

Without qualifying our conclusion, we draw attention to the following matters;

- a) We draw attention to Note no 5 of the financial results relating to recoverability of an amount of Rs. 432.74 crores as at September 30, 2025 under trade receivables in respect of contract revenue where the Company has received arbitration awards in its favour in respect of which the client has preferred an appeal for setting aside the said arbitration awards, where the Company is confident of recovery for the said awards. The recoverability is dependent upon the final outcome of the appeals & negotiations getting resolved in favour of the company.

Notes:

1. The above unaudited standalone Financial Results for the quarter and half year ended September 30, 2025 were reviewed by the Audit Committee and approved by the Board of Directors of the Company at its meeting held on November 14, 2025
2. The Statutory Auditors of the Company have carried out limited review of the unaudited standalone financial results and have issued their modified conclusion thereon.
3. Results for the quarter and half year ended September 30, 2025 have been prepared in accordance with the Indian Accounting Standards (Ind-AS) as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rule, 2015 and Companies (Indian Accounting Standards) Amendment Rule, 2016.
4. The auditors have qualified their report in respect of the following matters -
 - a) The Company had evaluated its claims in respect of on-going, completed and/or terminated contracts in the earlier periods which amount to Rs. 30.00 crore as at September 30, 2025 with the help of an independent expert in the field of claims and arbitration who had assessed the likely amount of claims being settled in favour of the Company. The management contends that there is no change in position during the year and the same are due to them and they have a very good chance of realisation.
 - b) During the quarter ended September 30, 2025 some of the lenders have levied penal interest and charges of Rs 31.48 Crores (based on availability of Loan statements). Cumulative amount of such penal interest and charges amounts to Rs. 862.22 Crores (based on availability of Loan statements) up to September 30, 2025. The management is disputing the same and has not accepted the debit of excess penal interest and charges in its books. They have also requested the lenders to reverse the same. In the resolution plan which is approved by two lenders, this amount is likely to be reversed, and the resolution plan does not consider the Company liability to pay this.
5. In furtherance to the recommendation of the Dispute Resolution Board (DRB) and Arbitration Awards in the Company's favour, the Company has recognized income to the extent of Rs. 432.74 Crore in the previous years, which is part of Non Current Trade Receivable. The Company contends that such awards have reached finality for the determination of the amounts of such claims and are reasonably confident of recovery of such claims although the client has moved the court to set aside the awards. Considering the fact that the Company has received favorable awards from the DRB and the Arbitration Tribunal, the management is reasonably certain that the awards will get favorable verdict

from the courts.

6. **Material Uncertainty Relating to Going Concern:**

The Company's operations have been affected in the last few years by various factors including liquidity crunch, unavailability of resources on timely basis, delays in execution of projects, delays in land acquisition, operational issues etc. The Company's overseas operations are characterized due to weak order booking, paucity of working capital and uncertain business environment. Also the Company's current liabilities exceed the current assets by Rs 12,049.13 Crore as at September 30, 2025. It only increased further in the quarter. The facilities of the Company with the Secured lenders are presently marked as NPA since June 2017. The liquidity crunch has resulted in several winding up petitions being filed against the Company by various stakeholders for recovery of the debts which the Company has been settling as per the mutually agreed repayment terms. The liquidity crunch is affecting the Company's operation with increasing severity. The Secured lenders have recalled the various facilities, initiated recovery suits in the Debt Recovery Tribunals as well as filing a winding up petition with the National Company Law Tribunal, Mumbai bench under the Insolvency and Bankruptcy code.

The Company has been making every effort in settling the outstanding Lenders dues.

The Companies Proposal for restructuring has undergone multiple iterations with many of the lenders approving while others not according to their approval.

The Company presently has submitted a revised proposal to the lead bankers on the strength of a prospective investor, whose restructuring proposal is under consideration by the lenders. The lenders are not able to reach a consensus due to which there is hardly any progress in the matter from the lenders end to mitigate the uncertainty related to going concern.

The Management is hopeful for a resolution in the matter for which a joint lender meeting is planned in the near future. Therefore, the management continues to believe that going concern assumption is intact albeit with uncertainty in the area of acceptance by the lenders.

The company has received various notices from Union Bank of India (assigned to Omkara Assets Reconstruction Private Limited in the current year) and Punjab National Bank under the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act 2002, taking over the possession of the Gammon House property including the land appurtenant to it. The company has been restrained from parting with the rights over the said property. The total demand raised by this notice is Rs. 1,136.71 Crores.

The management is hopeful of obtaining approval of all the lenders to the above plan and execute documents accordingly and maintain its going concern status and to that effect is

continuously engaged with the lenders for a solution.

Therefore, in the view of the management the going concern assumption of GIL is intact and these financials are prepared on a going concern basis. The above action plan of the Company for repaying the debts and servicing the same including the necessary value of the balance stake being available and realisation of the claim amounts filed by the Company, monetisation of the stake sale of investments and also the acceptance of the resolution proposal by the lenders is exposed to material uncertainties which may affect the going concern assumption.

7. The Company is engaged mainly in "Construction and Engineering" segment. The disclosure of operating segments at group level is given in consolidated financial statements as required in terms of Indian Accounting Standard INDAS -108.
8. On account of the company being marked as non-performing assets by the lenders no interest has been debited by majority of the lenders. The company has made provision for interest on the basis of the last sanction and last revision of terms. Therefore, the loan balances and finance cost are subject to confirmation and consequent reconciliation, if any.
9. The Exceptional (Income) /Expenses include the following

A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. 6. Basis of Qualified Conclusion

- a) We invite attention to note no. 4(a) of the Consolidated Financial Results, where the Company has during the previous year evaluated its existing claims in respect of on-going, completed and terminated contracts recognised in the earlier periods. Based on opinion of independent expert in the field of claims and arbitration who had assessed the likely number of claims being settled in favour of the Company, the Company has retained amounts of Rs. 30.00 crore as at September 30, 2025 as good and receivable.

In respect of the above claims, due to prolonged elapse of time and non-crystallization of matter with the counterpart, we are unable to comment upon the amounts recognised, its realisation and the consequent effect on the financial results for the year ended September 30, 2025.

- b) We invite attention to note no. 4(b) of the Consolidated Financial Results relating to penal interest and charges of Rs 31.48 crores (to the extent availability of loan statement) during the quarter charged by the lenders on the Holding Company's facilities. Cumulative amount of such penal interest and charges amounts to Rs. 862.22 Crores (to the extent availability of loan statement) up to September 30, 2025. The same has not been debited to profit and loss account as management is disputing the same and is in discussion with the lenders for reversal of the said penal interest and charges. In the absence of conclusion of the aforesaid discussion, we are unable to state whether any provision is required to be made against such penal interest and charges which are considered as contingent liability.

- c) The auditors of the subsidiaries of the Company have made qualification in their Review Report as follows:

Notes:

1. The above unaudited Consolidated Financial Results for the quarter and half year ended September 30, 2025, were reviewed by the Audit Committee and approved by the Board of Directors of the Company at its meeting held on November 14, 2025.
2. The Statutory Auditors of the Company have carried out limited review of the unaudited consolidated financial results and have issued their modified conclusion thereon.
3. Results for the quarter and half year ended September 30, 2025, have been prepared in accordance with the Indian Accounting Standards (Ind-AS) as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rule, 2015 and Companies (Indian Accounting Standards) Amendment Rule, 2016.
4. The auditors have qualified their report in respect of the following matters –
 - a) The Company had evaluated its claims in respect of on-going, completed and/or terminated contracts in the earlier periods which amount to Rs. 30.00 crore as at September 30, 2025 with the help of an independent expert in the field of claims and arbitration who had assessed the likely amount of claims being settled in favour of the Company. The management contends that there is no change in position during the year and the same are due to them and they have a very good chance of realisation
 - b) During the year quarter ended September 30, 2025 some of the lenders have levied penal interest and charges on the Holding Company's banking facilities of Rs 31.48 Crores (based on availability of Loan statements). Cumulative amount of such penal interest and charges amounts to Rs. 862.22 Crores (based on availability of Loan statements) up to September 30, 2025. The management is disputing the same and has not accepted the debit of excess penal interest and charges in its books. They have also requested the lenders to reverse the same. In the resolution plan which is approved by two lenders, this amount is likely to be reversed, and the resolution plan does not consider the Company liability to pay this.
5. In furtherance to the recommendation of the Dispute Resolution Board (DRB) and Arbitration Awards in the Company's favour, the Company has recognized income to the extent of Rs. 432.74 Crore in the previous years, which is part of Non-Current Trade Receivable. The Company contends that such awards have reached finality for the determination of the amounts of such claims and are reasonably confident of recovery of such claims although the client has moved the court to set aside the awards. Considering the fact that the Company has received favorable awards from the DRB and the Arbitration Tribunal, the management is reasonably certain that the

awards will get favorable verdict from the courts.

6. The auditors of one subsidiary Ansaldo Caldaie Boilers India Limited (ACBI) of the Company have qualified their audit report which is being replicated by the Group auditor as follows
- a) The Company has received Share Application Money of Rs.16.64 Crores from M/s. Ansaldo Caldaie S.P.A for further allotment of shares which were to be issued on terms and conditions decided by the Board. However, the Company has neither made the allotment of shares nor refunded the money as per the regulations and provisions of The Companies Act, 2013 and Reserve Bank of India. The RBI vide its letter dated August 16, 2018 has asked the Company to refund the money. The Company has replied to RBI asking them to reconsider their directive due to various operational issues. RBI has not responded on the matter till date. The Company has not given any effects to the RBI directive and has disclosed the same as Current Liabilities.

7. Material Uncertainty Relating to Going Concern

a) Holding Company

The Company's operations have been affected in the last few years by various factors including liquidity crunch, unavailability of resources on timely basis, delays in execution of projects, delays in land acquisition, operational issues etc. The Company's overseas operations are characterized due to weak order booking, paucity of working capital and uncertain business environment. Also the Company's current liabilities exceed the current assets by Rs 13,288.15 Crore as at September 30, 2025. It only increased further in the quarter. The facilities of the Company with the Secured lenders are presently marked as NPA since June 2017. The liquidity crunch has resulted in several winding up petitions being filed against the Company by various stakeholders for recovery of the debts which the Company has been settling as per the mutually agreed repayment terms. The liquidity crunch is affecting the Company's operation with increasing severity. The Secured lenders have recalled the various facilities, initiated recovery suits in the Debt Recovery Tribunals as well as filing a winding up petition with the National Company Law Tribunal, Mumbai bench under the Insolvency and Bankruptcy code.

The Company has been making every effort in settling the outstanding Lenders dues.

The Companies Proposal for restructuring has undergone multiple iterations with many of the lenders approving while others not according to their approval.

The Company presently has submitted a revised proposal to the lead bankers on the strength of a prospective investor, whose restructuring proposal is under consideration by the lenders. The

lenders are not able to reach a consensus due to which there is hardly any progress in the matter from the lenders end to mitigate the uncertainty related to going concern.

The Management is hopeful for a resolution in the matter for which a joint lender meeting is planned in the near future. Therefore, the management continues to believe that going concern assumption is intact albeit with uncertainty in the area of acceptance by the lenders.

The company has received various a notice from Union Bank of India (assigned to Omkara Assets Reconstruction Private Limited in the current year) and Punjab National Bank under the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act 2002, taking over the possession of the Gammon House property including the land appurtenant to it. The company has been restrained from parting with the rights over the said property. The total demand raised by this notice is Rs. 1136.71 Cr.

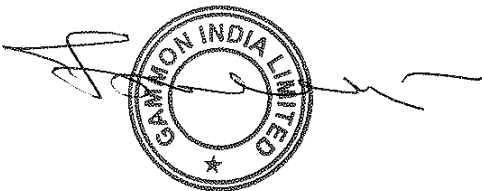

The management is hopeful of obtaining approval of all the lenders to the above plan and execute documents accordingly and maintain its going concern status and to that effect is continuously engaged with the lenders for a solution.

Therefore, in the view of the management the going concern assumption of GIL is intact and these financials are prepared on a going concern basis. The above action plan of the Company for repaying the debts and servicing the same including the necessary value of the balance stake being available and realisation of the claim amounts filed by the Company, monetisation of the stake sale of investments and also the acceptance of the resolution proposal by the lenders is exposed to material uncertainties which may affect the going concern assumption.

B) Subsidiary Companies

The Auditors of Gammon Holdings B.V, Gammon International B.V, Pvan EERD Beheersmaatschappij B.V, ATSL Holdings B.V and Gammon Holding Mauritius Limited (GHML) in the financial statements have carried material uncertainty related to going concern references arising out of current liabilities in excess of current assets, substantial erosion of net worth and the parent company restructuring plan which are pending approval.

8. On account of the company being marked as non-performing assets by the lenders no interest has been debited by majority of the lenders. The company has made provision for interest on the basis of the last sanction and last revision of terms. Therefore, the loan balances and finance cost are subject to confirmation and consequent reconciliation, if any.

A handwritten signature in black ink is written over a circular stamp. The stamp contains the text "GAMMON INDIA LIMITED" around the perimeter and a small star at the bottom.

9. Following Joint ventures are not consolidated
